Naphtali Lewis

The Interpretation Of Dreams Portents In Antiquity:

The Interpretation of Dreams & Portents in Antiquity Naphtali Lewis, 1976-01-01 Mankind's awesome fascination with dreams and the occult is ageless. Between the covers of *The Interpretation of Dreams and Portents in Antiquity* readers will find many of the earliest examples of this fascination. Collected for the first time are some of the basic works used by ancient seers. Here in their own words are their interpretations of dreams, unraveling of signs, and their views on the significance of many kinds of unusual occurrences. ~*The interpretation of dreams and portents* Naphtali Lewis, 1976 [The Interpretation of Dreams and Portents](#) Naphtali Lewis, 1976-06 Man's efforts to explain the act of dreaming and to interpret or rationalize its visual content are almost as old as history itself. Lewis' *Dreams and Portents* is the first collection to bring together a representative variety of ancient world sources of dream interpretation, divination, and astrology, featuring *Dreams and Their Interpretations* including *The Egyptian Dream Book*, *The Babylonian Assyrian Dream Book*, *Ancient Greek and Roman Literary Allusions*, *Early Christian Interpretations*, *A Christian Dream Book*, *Divinations, Omens, and Prodigies*, *Astrology or The Stars and Their Influence*. *The Interpretation of Dreams* Artemidorus, 2020 Artemidorus' *The Interpretation of Dreams* (*Oneirocritica*) is the richest and most vivid pre-Freudian account of dream interpretation and the only dream book to have survived complete from Graeco-Roman times. Written in Greek around AD 200, when dreams were believed by many to offer insight into future events, the work is a compendium of interpretations of dreams on a wide range of subjects relating to the natural human and divine worlds. It includes the meanings of dreams about the body, sex, eating and drinking, dress, the weather, animals, the gods, and much else. Artemidorus' technique of dream interpretation stresses the need to know the background of the dreamer, such as occupation, health status, habits, and age, and the work is a fascinating social history revealing much about ancient life, culture, and beliefs, and attitudes to the dominant power of Imperial Rome. **The Eerdmans Dictionary of Early Judaism** John J. Collins, Daniel C. Harlow, 2010-11-11 The *Dictionary of Early Judaism* is the first reference work devoted exclusively to Second Temple Judaism, fourth century BCE through second century CE. The first section of this substantive and incredible work contains thirteen major essays that attempt to synthesize major aspects of Judaism in the period between Alexander and Hadrian. The second and significantly longer section offers 520 entries arranged alphabetically. Many of these entries have cross-references, and all have select bibliographies. Equal attention is given to literary and nonliterary, i.e., archaeological and epigraphic evidence, and New Testament writings are included as evidence for Judaism in the first century CE. Several entries also give pertinent information on the Hebrew Bible. The *Dictionary of Early Judaism* is intended to not only meet the needs of scholars and students, at which it succeeds admirably, but also to provide accessible information for the general reader. It is ecumenical and international in character, bringing together nearly 270 authors from as many as twenty countries, and including Jews, Christians, and scholars of no religious affiliation. **A Short Guide to Classical Mythology** Gordon MacDonald Kirkwood, 1959-01-01 Kirkwood's text provides a

user friendly quick reference for teachers students and general readers It is an excellent interdisciplinary resource for the study of classics literature history and comparative religions It features complete reference list with pronunciations variable entry lengths principal stories of classical mythology emphasis on literary importance of Greek myths and references to English and European literature

Dreams, Visions, and Spiritual Authority in Merovingian Gaul Isabel Moreira,2002-02-15

In early medieval Europe dreams and visions were believed to reveal divine information about Christian life and the hereafter. No consensus existed however as to whether all Christians or only a spiritual elite were entitled to have a relationship of this sort with the supernatural. Drawing on a rich variety of sources: histories, hagiographies, ascetic literature and records of dreams at saints' shrines, Isabel Moreira provides insight into a society struggling to understand and negotiate its religious visions. Moreira analyzes changing attitudes toward dreams and visionary experiences beginning in late antiquity when the church hierarchy considered lay dreamers a threat to its claims of spiritual authority. Moreira describes how over the course of the Merovingian period the clergy came to accept the visions of ordinary folk: peasants, women and children as authentic. Dream literature and accounts of visionary experiences infiltrated all aspects of medieval culture by the eighth century and the dreams of ordinary Christians became central to the clergy's pastoral concerns. Written in clear and inviting prose, this book enables readers to understand how the clerics of Merovingian Gaul allowed a Christian culture of dreaming to develop and flourish without compromising the religious orthodoxy of the community or the primacy of their own authority.

Dictionary of Daily Life in Biblical & Post-Biblical Antiquity: Dreams Edwin M. Yamauchi, Marvin R.

Wilson, 2022-05-17 This unique reference article excerpted from the larger work *Dictionary of Daily Life in Biblical and Post-Biblical Antiquity* provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 2000 BC to approximately AD 600. Written and edited by a world class historian and a highly respected biblical scholar, each article addresses cultural, technical and/or sociological issues of interest to the study of the Scriptures. Contains a high level of scholarship. Information and concepts are explained in detail and are accompanied by bibliographic material for further exploration. Useful for scholars, pastors, teachers and students for biblical study, exegesis or sermon preparation. Possible areas covered include details of domestic life, technology, culture, laws or religious practices. Each article ranges from 5 to 20 pages in length. For the complete contents of *Dictionary of Daily Life in Biblical and Post-Biblical Antiquity* see ISBN 9781619708617 4 volume set or ISBN 9781619701458 complete in one volume. *Dictionary of Daily Life in Biblical and Post-Biblical Antiquity* Edwin M. Yamauchi, Marvin R. Wilson, 2021-10-05 The *Dictionary of Daily Life in Biblical and Post-Biblical Antiquity* is a unique reference work that provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 4000 BC to approximately AD 600. Also available as a 4 volume set ISBN 9781619708617 this complete one volume edition covers topics from A-Z. This dictionary casts light on the culture, technology, history and politics of the periods of the Hebrew Bible and the New Testament. Written and edited by a world class historian and a highly respected biblical scholar with contributions by many others, this unique reference work explains details of domestic life, technology, culture, laws and religious practices with extensive bibliographic material for further exploration. There are 115 articles ranging from 5-20 pages long. Scholars, pastors and students and their teachers will find this to be a useful resource for biblical study, exegesis and sermon preparation. This is not your standard Bible dictionary but one that

focuses on aspects of daily life in Bible times addressing interesting and sometimes puzzling topics that are often overlooked in other encyclopedias I highly recommend the Dictionary of Daily Life in Biblical and Post Biblical Antiquity and will be giving it shout outs in my classes in the years to come James K Hoffmeier Professor of Old Testament and Near Eastern Archaeology Trinity Evangelical Divinity School This wonderful resource is much more than a dictionary It is a compendium of substantive essays on numerous facets of daily life in the ancient world I am frequently asked by pastors and students for recommendations on books that illuminate the manners customs and cultural practices of the biblical world Now I have the ideal set of books to recommend Clinton E Arnold Dean and Professor of New Testament Talbot School of Theology Biola University [Encyclopedia of Sleep and Dreams](#) Deirdre Barrett, Patrick McNamara Ph.D., 2012-06-12 This fascinating reference covers the major topics concerning dreaming and sleep based on the latest empirical evidence from sleep research as well as drawn from a broad range of dream related interdisciplinary contexts including history and anthropology While many books have been written on the subject of sleep and dreams no other resource has provided the depth of empirical evidence concerning sleep and dream phenomena nor revealed the latest scientific breakthroughs in the field Encyclopedia of Sleep and Dreams The Evolution Function Nature and Mysteries of Slumber explores the evolution nature and functions of sleep and dreams The encyclopedia is divided into two volumes and is arranged alphabetically by entry Topics include nightmares and their treatment how sleep and dreams change across the lifetime and the new field of evolution of sleep and dream While this book includes ample material on the science of sleep and dreams content is drawn from a broad range of disciplinary contexts including history and anthropology *The Historians of Angevin England* Michael Staunton, 2017-06-16 The Historians of Angevin England is a study of the explosion of creativity in historical writing in England in the late twelfth and early thirteenth centuries and what this tells us about the writing of history in the middle ages Many of those who wrote history under the Angevin kings of England chose as their subject the events of their own time and explained that they did so simply because their own times were so interesting and eventful This was the age of Henry II and Thomas Becket Eleanor of Aquitaine and Richard the Lionheart the invasion of Ireland and the Third Crusade and our knowledge and impression of the period is to a great extent based on these contemporary histories The writers in question Roger of Howden Ralph of Diceto William of Newburgh Gerald of Wales and Gervase of Canterbury to name a few wrote history that is not quite like anything written in England before Remarkable for its variety its historical and literary quality its use of evidence and its narrative power this has been called a golden age of historical writing in England The Historians of Angevin England the first volume to address the subject sets out to illustrate the historiographical achievements of this period and to provide a sense of how these writers wrote and their idea of history But it is also about how medieval intellectuals thought and wrote about a range of topics the rise and fall of kings victory and defeat in battle church and government and attitudes to women heretics and foreigners **A History of the Jews and Judaism in the Second Temple Period, Volume 4** Lester L. Grabbe, 2021-07-29

This is the fourth and final volume of Lester L. Grabbe's four-volume history of the Second Temple period, collecting all that is known about the Jews during the period in which they were ruled by the Roman Empire. Based directly on primary sources such as archaeology, inscriptions, Jewish literary sources, and Greek, Roman, and Christian sources, this study includes analysis of the Jewish diaspora, mystical and Gnostic trends, and the developments in the Temple, the law, and contemporary attitudes towards Judaism. Spanning from the reign of Herod Archelaus to the war with Rome and Roman control up to 150 CE, this volume concludes with Grabbe's holistic perspective on the Jews and Judaism in the Second Temple Period.

The Seer in Ancient Greece Michael Flower, 2008. Surveying all kinds of evidence—historiographical, literary, dramatic, and visual—Flower provides a comprehensive, readable, and engaging account of the operations of seers during the Classical period. Mark Griffith, editor of *Prometheus Bound* and *Antigone*. In a page-turning tour de force of anthropological reconstruction, classicist Michael Flower revisits hundreds of ancient texts to tease out his case for the absolutely central role of seercraft at all levels of ancient Greek society. Thanks to Flower's invitingly woven tapestry of their mesmerizing stories and anecdotes, we can now savor and comprehend through his lucid and persuasive interpretations. Peter Nabokov, author of *Where the Lightning Strikes*.

American Indian Ways of History

Ancient Historiography on War and Empire Timothy Howe, Sabine Müller, Richard Stoneman, 2016-11-30. In the ancient Greek-speaking world, writing about the past meant balancing the reporting of facts with shaping and guiding the political interests and behaviours of the present. *Ancient Historiography on War and Empire* shows the ways in which the literary genre of writing history developed to guide empires through their wars. Taking key events from the Achaemenid, Persian, Athenian, Macedonian, and Roman empires, the 17 essays collected here analyse the way events and the accounts of those events interact. Subjects include how Greek historians assign nearly divine honours to the Persian King, the role of the tomb cult of Cyrus the Founder in historical narratives of conquest and empire from Herodotus to the Alexander historians, warfare and financial innovation in the age of Philip II and his son Alexander the Great, the murders of Philip II, his last and seventh wife Kleopatra, and her guardian Attalos, Alexander the Great's combat use of eagle symbolism and divination, Plutarch's juxtaposition of character in the Alexander-Caesar pairing as a commentary on political legitimacy and military prowess, and Roman Imperial historians using historical examples of good and bad rule to make meaningful challenges to current Roman authority. In some cases, the balance shifts more towards the literary, and in others more towards the historical, but what all of the essays have in common is both a critical attention to the genre and context of history writing in the ancient world and its focus on war and empire.

Jew and Gentile in the Ancient World Louis H. Feldman, 2021-08-10. Relations between Jews and non-Jews in the Hellenistic-Roman period were marked by suspicion and hate. Most studies of that topic maintain that such conjectures are true. But if such conjectures are true, asks Louis Feldman, how did Jews succeed in winning so many adherents, whether full-fledged proselytes or sympathizers who adopted one or more Jewish practices? Systematically evaluating attitudes toward Jews from the time of Alexander the Great to the fifth century AD, Feldman finds that Judaism

elicited strongly positive and not merely unfavorable responses from the non Jewish population Jews were a vigorous presence in the ancient world and Judaism was strengthened substantially by the development of the Talmud Although Jews in the Diaspora were deeply Hellenized those who remained in Israel were able to resist the cultural inroads of Hellenism and even to initiate intellectual counterattacks Feldman draws on a wide variety of material from Philo Josephus and other Graeco Jewish writers through the Apocrypha the Pseudepigrapha the Church Councils Church Fathers and imperial decrees to Talmudic and Midrashic writings and inscriptions and papyri What emerges is a rich description of a long era to which conceptions of Jewish history as uninterrupted weakness and suffering do not apply *Omens and Oracles* Matthew Dillon,2017-07-14 Addressing the role which divination played in ancient Greek society this volume deals with various forms of prophecy and how each was utilised and for what purpose Chapters bring together key types of divining such as from birds celestial phenomena the entrails of sacrificed animals and dreams Oracular centres delivered prophetic pronouncements to enquirers but in addition there were written collections of oracles in circulation Many books were available on how to interpret dreams the birds and entrails and divination as a religious phenomenon attracted the attention of many writers Expert diviners were at the heart of Greek prophecy whether these were Apollo s priestesses delivering prose or verse answers to questions put to them by consultants diviners known as manteis who interpreted entrails and omens the chresmologoi who sang the many oracles circulating orally or in writing or dream interpreters Divination was utilised not only to foretell the future but also to ensure that the individual or state employing divination acted in accordance with that divinely prescribed future it was employed by all and had a crucial role to play in what courses of action both states and individuals undertook Specific attention is paid in this volume not only to the ancient written evidence but to that of inscriptions and papyri with emphasis placed on the iconography of Greek divination Divination and Prediction in Early China and Ancient Greece Lisa Raphals,2013-10-17 This book compares the intellectual and social history and past and present contexts of mantic practices divination in Chinese and Greek antiquity *Magic and Rationality in Ancient Near Eastern and Graeco-Roman Medicine* Manfred Horstmanshoff,Marten Stol,2018-07-17 For the first time medical systems of the Ancient Near East and the Greek and Roman world are studied side by side and compared Early medicine in Babylonia Egypt the Minoan and Mycenaean world later medicine in Hippocrates Galen Aelius Aristides Vindicianus the Talmud The focus is the degree of rationality or irrationality in the various ways of medical thought and treatment Fifteen specialists contributed thoughtful and well documented chapters on important issues
