Women in Horror Films, 1940s Gregory William Mank, 2015-09-15 They had more in common than just a scream whether they faced Dracula Frankenstein's Monster the Mummy Dr Jekyll Mr Hyde King Kong the Wolf Man or any of the other legendary Hollywood monsters Some were even monsters themselves such as Elsa Lanchester as the Bride and Gloria Holden as Dracula's Daughter And while evading the Strangler of the Swamp former Miss America Rosemary La Planche is allowed to rescue her leading man This book provides details about the lives and careers of 21 of these cinematic leading ladies femmes fatales monsters and misfits putting into perspective their contributions to the films and folklore of Hollywood terror and also the sexual harassment exploitation and genuine danger they faced on the job Veteran actress Virginia Christine recalls Universal burying her alive

Glut, 2012-08-07. From December 1957 through October 1959 Chicago TV viewers were held in thrall by Marvin the ghoulishly hilarious host of WBKB TV's late night horror film series *Shock Theatre*. Marvin and his lady friend Dear, her face ever hidden from the camera, introduced thousands of Chicagoland youngsters to such classic Universal chillers as *Frankenstein*, *Dracula*, and *The Wolf Man*. This history of *Shock Theatre* focuses on the series and its creator Marvin himself in real life, the multi-talented Terry Bennett, whose wife Joy played Dear. Terry's son Kerry Bennett provides an affectionate foreword while celebrated horror host Count Gore De Vol Dick Dyszel supplies the afterword. Included are dozens of photos and vintage advertisement reproductions as well as two appendices featuring a resume of Terry Bennett's career and a list of films telecast during his two-year *Shock Theatre* run. **Catalog of Copyright Entries**, 1944. From Hobbits to Hollywood Ernest Mathijs, Murray Pomerance, 2006. Peter Jackson's film version of *The Lord of the Rings* 2001-2003 is the grandest achievement of 21st century cinema so far. But it is also linked to topical and social concerns including war, terrorism, and cultural imperialism. Its style, symbols, narrative, and structure seem always already linked to politics, cultural definition, problems of cinematic style, and the elemental mythologies that most profoundly capture our imaginations. This volume treats Jackson's trilogy as having two conditions of existence: an aesthetic and a political. Like other cultural artefacts, it leads a double life as object d'art and public statement about the world, so that nothing in it is ever just cinematically beautiful or tasteful and nothing is ever just a message or an opinion. *Soundtracks* Stewart R. Craggs, 2019-05-03. First published in 1998, music scored for film has only relatively recently received the critical attention which it merits. Many composers in the twentieth century have written works for films or documentaries, a number feeling that this aspect of their output has been undervalued. This dictionary complements other studies which have appeared in recent years which look at the technical and theoretical issues concerned with film music composition. Arranged alphabetically by composer, the volume comprises over 500 entries covering all nationalities. Each entry includes very brief biographical information on the composer, followed by a list of the films with dates for which he or she has composed. Details of recordings are also given. The dictionary's international coverage ensures that it will become a standard reference work for all those interested in the history of twentieth century music and the development of film. **Fearing the Dark** Edmund G. Bansak, 2003-10-09. *Cat People* 1942 and *I Walked with a Zombie* 1943 established Val Lewton's hauntingly graceful style, where suggestion was often used in place of explicit violence. His stylish B-thrillers were imitated by a generation of filmmakers such as Richard Wallace, William Castle, and even Walt Disney in his animated *Adventures of Ichabod and Mr Toad* 1949. Through interviews with many of Lewton's associates, including his wife and son, and extensive research, his life and output are thoroughly examined.
