The Isle Of Stone A Novel Of Ancient Sparta:

The Isle of Stone Nicholas Nicastro, 2005-12-06 More information to be announced soon on this forthcoming title from Penguin USA

The Isle of Stone Nicholas Nicastro, 2005 With vivid prose and unswerving attention to historical detail the author of *Empire of Ashes* spins a tale of two brothers who rise through Spartan society and meet their fate surrounded by the Athenian navy on the barren island of Sphacteria Original

A Companion to Sparta Anton Powell, 2017-10-18 A Companion to Sparta umfasst zwei Bände und präsentiert erstmals umfassend Essays unterschiedlichster Autoren über sämtliche Aspekte der Geschichte und Gesellschaft Spartas von den Anfängen in den Dunklen Jahrhunderten Griechenlands bis zum Römischen Kaiserreich Bietet eine klare und umfassende Einführung in sämtliche Aspekte von Sparta als eine Gemeinschaft die von Ständen aus dieser Zeit als eine der einflussreichsten Mächte im klassischen Griechenland angesehen wurde Präsentiert ausführlich die Geschichte und Kultur Spartas in Beiträgen internationaler Autoren darunter nahezu alle Experten und Wissenschaftler des Fachgebiets Enthält über ein Dutzend Abbildungen zur Kunst Spartas die die Entwicklung des alltäglichen Lebens in Sparta zeigen Beleuchtet die heutige Kontroverse über Veränderungen in der Gesellschaft Spartas von der archaischen bis zur klassischen Periode aus einem neuen Blickwinkel

Pylos and Sphacteria 425 BC William Shepherd, 2013-12-20 A superbly illustrated account of the battles that saw the Athenians overwhelm a Spartan force in the field for the first time During the Peloponnesian War the Athenians occupied the promontory of Pylos to counter Sparta's repeated invasions of Attica Over two days of fighting the small garrison beat off the Spartan army and the returning Athenian fleet won a crushing victory in the nearby waters stranding a contingent of elite Spartan hoplites on the island of Sphacteria With the campaigning season drawing to a close the Athenians mounted an attack on the island using an unconventional amphibious night assault They overran the Spartan outpost covering the beaches and light armed missile troops landed at daybreak in overwhelming numbers The Spartans were slowly driven back to their stronghold losing men steadily as they were prevented from engaging in the hand to hand fighting at which they excelled With their commander dead and his deputy incapacitated by wounds the 292 survivors surrendered In this book William Shepherd outlines this surprising blow to the Spartans glorious reputation and these prestigious prisoners of war served the Athenians very well as bargaining counters in the diplomatic activity that punctuated the hostilities that continued for the next four years

Circumference Nicholas Nicastro, 2008-11-25 Nicholas Nicastro brings to life one of history's greatest experiments when an ancient Greek named Eratosthenes first accurately determined the distance around the spherical earth In this fascinating narrative history Nicastro takes a look at a deceptively simple but stunning achievement made by one man millennia ago with only the simplest of materials at his disposal How was he able to measure the land at a time when distance was more a matter of a shrug and a guess at the time spent on a donkey's back How could he be so confident in the assumptions that underlay his calculations that the earth was round and the sun so far away that its rays struck the ground in

parallel lines Was it luck or pure scientific genius Nicastro brings readers on a trip into a long vanished world that prefigured modernity in many ways where neither Eratosthenes reputation nor the validity of his method nor his leadership of the Great Library of Alexandria were enough to convince all his contemporaries about the dimensions of the earth Eratosthenes results were debated for centuries until he was ultimately vindicated almost 2000 years later during the great voyages of exploration from publisher website **The Writers Directory** ,2013 **Commentary on books VI-VIII: Elis, Achaia, Arcadia**
