Christianity and Capitalism in China

Ottavio Palombaro,2024-06-26 This book links Calvinist belief in the Perpetual Assurance of Salvation with self efficacy for economic success Certain values are at stake for the success of economic behavior Since the genesis of modern capitalism a set of beliefs proper of Calvinism mainly Predestination but also Beruf Inner worldly Asceticism role of Sects was said by Max Weber to cause an anxiety about salvation and generate a propensity to economic success as a sign of election In order to observe this in action today it is crucial to consider the evolution that the Protestant ethic went through migrating first in north America and lastly through the Protestant revival of China Wenzhou is called Jerusalem of China for its large Protestant community that is also strongly involved in business Some scholar already pointed out the presence among those entrepreneurs of this Protestant ethic Yi Xiang Boss Christian The data presented in this comparative qualitative study pertain to ethnographic observations job shadowing and interviews done among Chinese Christian and non Christian entrepreneurs from Wenzhou living in Milan Italy The results show with some adjustments the presence of a Chinese version of the Protestant ethic overlapping with several

values proper to the Chinese context Confucianism lineage social network The extension of the study to other cases must be done with caution considering the non causal justificatory role of the belief Regardless successful entrepreneurship involves specific social cultural and even religious aspects that move beyond mere business strategies Bulletin of the Bureau of Labor ,1907 **Bulletin of the United States Bureau of Labor Statistics** ,1907 **Bulletin of the Department of Labor** ,1907 **Congressional Record** United States. Congress,1966 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *Biennial Report of the Bureau of Labor Statistics of Illinois* Illinois. Lewis,1998 In 1880 ancient growth forest still covered two thirds of West Virginia but by the 1920s lumbermen had denuded the entire region Historian Ronald Lewis explores the transformation in these mountain counties precipitated by deforestation that left behind both environmental and human poverty 32 illustrations **Political Manhood** Kevin P. Murphy,2008-07-02 In a 1907 lecture to Harvard undergraduates Theodore Roosevelt warned against becoming too fastidious too sensitive to take part in the rough hurly burly of the actual work of the world Roosevelt asserted that colleges should never turn out mollicoddles instead of vigorous men and cautioned that the weakling and the coward are out of place in a strong and free community A paradigm of ineffectuality and weakness the mollicoddle was all inner life whereas his opposite the red blood was a man of action Kevin P Murphy reveals how the popular ideals of American masculinity coalesced around these two distinct categories Because of its similarity to the emergent homosexual type the mollicoddle became a powerful rhetorical figure often used to marginalize and stigmatize certain political actors Issues of masculinity not only penetrated the realm of the elite however Murphy s history follows the redefinition of manhood across a variety of classes especially in the work of late nineteenth century reformers who trumpeted the virility of the laboring classes By highlighting this cross class appropriation Murphy challenges the oppositional model commonly used to characterize the relationship between political machines and social and municipal reformers at the turn of the twentieth century He also revolutionizes our understanding of the gendered and sexual meanings attached to political and ideological positions of the Progressive Era **House documents** ,1891 **The Leamington Italian Community** Walter Temelini,2019-07-18 The Leamington Italian Community intertwines personal and family stories with both empirical and intuitive writing to offer new historical insights into the complex social economic and psychological causes and effects of the migration phenomenon Walter Temelini meticulously reconstructs the history of immigration and settlement in Leamington Ontario of Italians from the southern

regions of Lazio Molise and Sicily He explains how despite their regional differences three generations between 1925 and the 1990s forged a cohesive socially conscious and unique agricultural community by balancing their inherited values and their newly adopted Canadian economic opportunities Temelini s groundbreaking research draws on testimonial and documentary evidence gathered from in depth interviews with hundreds of residents as well as on original archival information and Italian language histories translated by the author and previously unavailable to English speaking readers He concludes his study with an investigation into the award winning novel Lives of the Saints by Nino Ricci one of the community s most celebrated descendants Drawing parallels between Ricci s narrative and the development of the community Temelini demonstrates that ethnicity can be transformed successfully into a powerful universal archetype and a creative force of identity A pioneering and authoritative work The Leamington Italian Community creates an intimate portrait within a global framework delving into issues both timely and timeless that will interest and inform the general and specialized reader alike **Abstract of the Report on Recent Immigrants in Agriculture ...** United States.
