War Machine William Marshall, 2017-10-19 A terrorist has declared war on Hong Kong It starts with mysterious gunfire in the harbour Then come the atrocities bombs snipers and an ominous telephone warning A Japanese man with an antiquated accent proclaims a divine mission to eradicate all the uniformed forces of colonial depression The enemy is hidden deep and nobody knows where to start looking Time for detectives Christopher O Yee and Harry Feiffer to get to work The crime fighting duo have solved some of the most bizarre cases imaginable This one will test them like never before The eighth book in William Marshall's classic series sees the colourful cops of Yellowthread Street in their most explosively violent story yet Join Christopher O Yee and Harry Feiffer on a labyrinthine journey into the darkest recesses of Hong Kong past Prepare for painful memories surreal humour fast paced dialogue and streetwise action Praise for the Yellowthread Street series Marshall has the rare gift of juggling scary suspense and wild humor and making them both work Washington Post Book World Marshall's style blending the hilarious the surreal and the poignant remains inimitable and not easily resisted San Francisco Chronicle Marshall has few peers as an author who melds the wildest comedy and tragedy in narratives of nonstop action Publishers Weekly Marshall is building a growing iconoclastic body of work that mixes weird fantasy and wayward characterization to produce a subtle charged atmospheric lush fiction hybrid sure to satisfy those with a taste for mysteries on the far edges Philadelphia Inquirer Despite the wild humor Marshall's stories contain excellent police procedure real suspense and fine irony incessantly scary Chicago Tribune Among the best police procedural series on the market Detroit Free Press As an inspired poet of the bizarre Marshall orchestrates underlying insanity into an apocalyptic vision of the future New York Times Book Review Marshall's novels feature seemingly supernatural events that turn out to

have logical if not precisely rational origins He has savage fun with police procedure TIME Nobody rivals Marshall's ability to expose the links between comic hysteria and the most mundane human foibles from greed to cowardice to simple funk Kirkus Reviews Moves at the speed of a bullet don't read it aloud or you'll run out of breath Chicago Sun Times *The Hollywood War Machine* Carl Boggs, Pollard Tom, 2017-07-05 The newly expanded and revised edition of *The Hollywood War Machine* includes wide ranging exploration of numerous popular military themed films that have appeared in the close to a decade since the first edition was published Within the Hollywood movie community there has not been even the slightest decline in well financed pictures focusing on warfare and closely related motifs The second edition includes a new chapter on recent popular films and another that analyzes the relationship between these movies and the burgeoning gun culture in the United States marked in recent years by a dramatic increase in episodes of mass killings Plans for Stalin's War-Machine L. Samuelson, 2016-01-13 In the interwar period Red Army commanders headed by Tukhachevskii developed a new doctrine of mobile warfare and deep operations The military requirements of armaments and industrial production in the event of war was a central parameter in Stalinist industrialization Based on recently opened Russian archives the book analyzes military dimensions of Soviet long term economic and military reconstruction plans from the mid 1920s until 1941 It presents a new framework for estimating the Soviet war economic preparations drastically underestimated by contemporaries **American War Machine** Peter Dale Scott, 2010-11-16 This provocative thoroughly researched book explores the covert aspects of U S foreign policy Prominent political analyst Peter Dale Scott marshals compelling evidence to expose the extensive growth of sanctioned but illicit violence in politics and state affairs especially when related to America's long standing involvement with the global drug traffic Beginning with Thailand in the 1950s Americans have become inured to the CIA's alliances with drug traffickers and their bankers to install and sustain right wing governments The pattern has repeated itself in Laos Vietnam Italy Mexico Thailand Nigeria Venezuela Colombia Peru Chile Panama Honduras Turkey Pakistan and now Afghanistan to name only those countries dealt with in this book Scott shows that the relationship of U S intelligence operators and agencies to the global drug traffic and to other international criminal networks deserves greater attention in the debate over the U S presence in Afghanistan To date America's government and policies have done more to foster than to curtail the drug trade The so called war on terror and in particular the war in Afghanistan constitutes only the latest chapter in this disturbing story **Model Machines** Long T. Japan and the unconditional surrender As a prisoner in Tokyo the author was able to observe the reactions of the people and the government to the bombing of Japan and by revealing their overwhelming defeat to dispose of the fiction that surrender was brought about by two atomic bombs The outstanding value of the work is its analysis of the fundamental problems of Japan Japanese War Relocation Centers, Report of the Subcommittee ..., on S. 444 ..., and S.
