**The Jesus Freaks** Jess Moody, 1971      **Jesus Freaks** DC Talk, Voice of the Martyrs, 2020-10-27 You may think of martyrs as those who gave their lives for the faith in the early church But today Christians around the world continue to stand boldly for Christ despite ongoing persecution These are their stories Pastor Han Stabbed to death by North Korean agents for sharing the gospel with North Koreans in China Jean Pierre Werner and Rod Groenewald Killed in a Taliban attack on their home in Afghanistan Fatima Al Mutairi Killed by her brother after becoming a Christian in Saudi Arabia Habila Survived being shot in the face by Boko Haram militants after refusing to renounce Christ Persecution has always accompanied followers of Jesus who invited His followers to come and die Some were jeered at and their backs were cut open with whips Others were chained in prisons Some died by stoning some were sawed in half and others were killed with the sword Some went about wearing skins of sheep and goats destitute and oppressed and mistreated They were too good for this world wandering over deserts and mountains hiding in caves and holes in the ground Hebrews 11:36-38 Faithful Christians around the world are still suffering and dying for the name of Christ Their stories inspire and encourage each of us to follow Christ no matter the cost      *The Jesus Freaks Movement* Perry F. **dc Talk's Jesus Freak** Will Stockton, D. Gilson, 2018-11-01 Late in the Reagan years three young men at Jerry Falwell's Liberty University formed the Christian rap group dc Talk The trio put out a series of records that quickly secured their place at the forefront of contemporary Christian music But with their fourth studio album Jesus Freak 1995 dc Talk staked a powerful claim on the worldly market of alternative music becoming an evangelical group with secular selling power This book sets out to study this mid 90s crossover phenomenon a moment of cultural convergence between Christian and secular music and an era of particular political importance for American evangelicalism Written by two queer scholars with evangelical pasts Jesus Freak explores the importance of a multifarious album with complex ideas about race sexuality

**Jesus Freaks with "Supernatural" CD** DC Talk,2000-10 **The Jesus People Movement** Richard A. Bustraan,2014-02-13 Who would have imagined that the hippies those long haired psychedelia influenced youth of the 1960s would have initiated a spiritual revolution that has transformed American Christianity If you are unfamiliar with the 1960s the counterculture the hippie movement and the Jesus People then this book will transport you to that era and introduce you to the generation and the decade that turned American culture upside down If you have read other books on the Jesus People this account will take you by surprise A refreshingly different narrative that unveils a storyline and characters not commonly known to have been associated with the movement this book argues that the Jesus People though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood helped American Christianity negotiate a way forward in a post 1960s culture It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism Although utterly central the Jesus People s Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism This account uniquely redresses this omission
