Something Missing Matthew Dicks,2009-07-14 The story of an obsessive compulsive housebreaker whose every waking moment is jam packed with finicky clockwork ritual the kind of intense micro planning that might have made even Napoleon back off Matthew Dicks has created an unforgettable character that will have you torn between wanting to throttle him or adopt him Alan Bradley author of the New York Times bestselling Flavia de Luce novels A career criminal with OCD tendencies and a savant like genius for bringing order to his crime scenes Martin considers himself one of the best After all he s been able to steal from the same people for years on end virtually undetected Of course this could also be because of his unique business model taking only items that will go unnoticed by the homeowner After all who would notice a missing roll of toilet paper here a half used bottle of maple syrup there or even a rarely used piece of china buried deep within a dusty

cabinet Even though he's never met these homeowners spending hours in their houses looking through their photo albums and reading their journals he feels like he knows them So Martin decides to meddle more in their lives playing the part of a rather odd guardian angel even though it means breaking many of his neurotic rules In this hilarious suspenseful and often profound novel about a man used to planning every second of his life Martin comes to realize that life is much better lived on the edge at least some of the time
