Family Guide to Celebration of the Jewish Holidays Leonard Chesler, Linda Chesler, 2012 A guide to the Jewish holidays including why and how each holiday is celebrated each holiday's origin and history and its relevance and value today The Jewish Holidays Michael Strassfeld, 2024-03-19 A comprehensive guide to Judaism's annual celebrations and observances written in a clear thought provoking style by the coeditor of The Jewish Catalog Booklist For anyone seeking a deeper understanding and experience of the Jewish holidays Michael Strassfeld offers this authoritative comprehensive guide to the yearly festival cycle The Jewish Holidays is a fascinating weave of the traditional and the contemporary the communal and the individual the letter and the spirit For the observant Jew Strassfeld gives learned in depth commentary on the practice and the meaning of the holidays and for the novice he provides accessible information on conducting a seder building a sukkah and preparing inwardly for the High Holy Days Although plenty of books have already been written about the Jewish holidays this one is fresh different and altogether worth having Hadassah Magazine Help's readers understand more fully the meaning of our holidays and thereby to observe these festivals with a greater devotion and joy Rabbi Alexander M Schindler A marvelous book Jewish Chronicle Celebration Susan Schnur, 1987 Six major Jewish holidays including New Year Sukkot Purim and Passover are introduced **Your Guide to the Jewish Holidays** Cantor Matt Axelrod, 2013-12-24 Recent years have seen an increased interest in Jewish life its culture and its celebrations There are many new students of Judaism often potential converts or members of interfaith families who are seeking to learn more about the religion and its rituals Unfortunately many of the existing texts that examine the Jewish holidays are written in a dry unexciting way making it difficult for the reader to retain much information For those seeking to learn more about Jewish celebrations Cantor Matt Axelrod has written Your Guide to the Jewish Holidays From Shofar to Seder Intended for the reader who has no prior knowledge about the Jewish holidays as well as the reader who knows the basics about the holidays but wants to understand the holidays on a deeper level Axelrod's book takes a humorous light hearted look at the 11 most important Jewish holidays Instead of simply explaining that Jews are obligated to observe in a certain way because of a biblical text Axelrod shows where each holiday along with its rituals came from in a historical context He provides a humorous retelling of the biblical passages relating to the holiday explorations of rituals associated with each holiday and descriptions of traditional foods Your Guide to the Jewish Holidays also features special sections labeled In Depth or Perfect for Families that expand upon elements of each holiday in ways that provide greater understanding of traditions or that invite the reader to get the rest of the family involved The Jewish Holidays Michael Strassfeld, Arnold M. Eisen, 1985 The coeditor of the enormously popular Jewish Catalog help's readers understand more fully the meaning of our holidays and thereby to observe these festivals with a greater devotion and joy Rabbi Alexander M Schindler **The Jewish Holy Days in Chasidic Philosophy** Guraryeh Guraryeh, 2000 Much of Jewish life observance and customs are structured around the Jewish holy days which consecrate not

only something of the past but also something that is eternally recurring The Jewish Holy Days in Chasidic Philosophy by Noson Gurary demonstrates the understanding of the unique and eternal ideas that each Jewish holiday possesses Chasidic thought has its own particular perspective on Judaism and on the holidays in particular This scholarly volume explores the Jewish holy days through Chasidic philosophy shedding light on customs rituals and spiritual ideas *Gates of the Seasons* Peter S. Daise,2007 In this work Michael A Daise broaches the question of the rationale lying behind the six feasts mentioned in the Gospel of John He argues that in an earlier recension of the Fourth Gospel those feasts were sequenced into a single liturgical year and as such

furnished temporal momentum for the concurrent motif of Jesus hour After reviewing the feasts as they appear in the narrative then critiquing the major theories proposed for their purpose the author presents his key premise that the Passover at John 6 4 is to be read not as a regular Passover observed on 14 Nisan first month of the Jewish calendar but as the Second Passover of Numbers 9 9 14 observed on 14 Iyyar second month of the Jewish calendar The law of hadash for barley 6 9 requires a date for chapter 6 after the regular Passover the Exodus manna episode Exodus 16 on which John 6 largely turns dates to 15 Iyyar the contingent character of the Second Passover explains Jesus absence from Jerusalem in John 6 and with John 5 and 6 reversed the chronology of John 2 13 6 71 coheres On such a reading the feasts of the entire Fourth Gospel unfold within a single liturgical year Passover 2 13 Second Passover 6 4 the unnamed feast Pentecost 5 1 Tabernacles 7 2 the Dedication 10 22 23 and Passover 11 55 Inasmuch as this scheme brings chronological design to chapters 2 12 and inasmuch as those same chapters also chronicle the imminent arrival of Jesus hour 2 4 12 23 an overarching purpose for the feasts emerges namely to serve the motif of Jesus hour by marking the movement of time toward its arrival
