The Jewish Holidays G-d's Prophetic Calendar Student Workbook Judy Reeves,2004-03 The Jewish Holidays G-d's Prophetic Calendar Student Workbook Judy Robbins Reeves,2004 Winston Dressler was born near Kingston Jamaica Winston must decide within the first six months if he will live out this lifetime or go back to the other side When he is thirteen he talks his best friend into running away from home A few weeks later Winston murders his best friend s father Winston feels a constant pressure of wanting to be wealthy He gets caught stealing from the local drug lord and is hired to work for him A few years later Winston goes into business for himself and gets into trouble selling drugs to his ex employer s customers When he is nearly murdered he relocates to the United States with a hundred thousand dollars of the local drug lord s money Winston believes that the streets of America are paved with gold He also believes that Black Americans are lazy wanting nothing except a Cadillac and new clothes Mr Alex the drug lord sends men to the States to collect his money and to kill Winston Winston is found close to death by a Black American whose brother is a doctor and saves his life Winston recuperates in the doctor s home and a friendship blossoms between Winston and the Adams family When he is well enough he looks for his money but it isn t there To make matters worse he can t remember what he did with it He wonders if the Adams family is being kind to him because they have his money The Jewish Holidays Guide's Prophetic Calendar Judy Robbins Reeves,2004 The work contained in a book a journey into Love leaves few stones unturned on discussions about the self self interests and reaching out the helping hand to other s in turn The dynamics are of unconditional love letting go of obstacle s to its discovery and the sense of gratitude which follows such an adventure Many people s stories have been influential in this study namaste and thank you to all The Jewish Holidays, Foundations of Christianity, Keys to Prophecy Judy Robbins Reeves,2006-05-11 The Jewish holidays are not really Jewish they are G ds He commands the observance of the holidays in Leviticus 23 and refers to them as My feasts belonging to Him and not to the people Much of the teaching derived from these special days is the foundational milk the early church was built upon Today they are a mystery Nestled within the ancient traditions observed to this day are secrets spelling out the events occurring at the end of the age Open a doorway into a world that is both past and future a world that is the undiscovered territory to a majority of people in the two major religions calling the Bible G ds Holy Word Prophetic Calendar Jill Shannon,2009-04-28 The powerful prophetic book shows you how the Feasts of Israel point to the Lord Jesus and the destiny He has prepared for all humankind A Prophetic Calendar presents the biblical feasts as a mural of God s ageless desire to draw all people to Him In this intimate invitation you are provided in depth biblical teaching and fresh prophetic understanding that beautifully links the Old and New Testaments and you to His divine plan for the ages The feasts foreshadow the ministry of Jesus the Messiah and give a unique revelation of His redemptive purposes past present and future **The Feasts of the Lord** Irving Risch, Today is April 12th 2017 and this year we have a New Moon on April 26th New moons are always special on the Jewish calendar because of the

feasts of God as celebrated in scripture Even though I am a Christian and do not celebrate Jewish feast days there are things we can learn from them as believers in Christ And along with the feasts of God we have the Jewish Calendar that applies to us Christians as well We will see this as we go on page margin 0 79in h1 margin bottom 0 08in h1 western font family Liberation Sans sans serif font size 18pt h1 cjk font family Noto Sans CJK SC Regular font size 18pt h1 ctl font family FreeSans font size 18pt p margin bottom 0 1in line height 120% a link so language zxx As with many things in scripture we find double meanings from these feast days and the events for Christians are all laid out for us in the Jewish Calendar I want you to look at these lessons as a teaching and not a preaching I want to cover a lot of ground here so sit back and be prepared to learn some things about the Feast Days of the Lord and the Calendar he gave to his earthly people Israel

Introduction I have given this writing the title The Feasts of the Lord or God s Prophetic Calendar Both the title and subtitle apply to this teaching The idea of a Calendar originated with God but it was for man s benefit Second Peter 3 8 tells us But beloved be not ignorant of this one thing that one day is with the Lord as a thousand years and a thousand years as one day The calendar we are about to examine shows God s plan for the human race It begins with the death of Christ and it s followed by our need for sanctification Christ s resurrection the beginning of the Church the Rapture of the Church the Tribulation that follows the rapture The regathering and regeneration of Israel and final the return of the Messiah s return to reign on earth during the Millennium Kingdom God s prophetic calendar contained all of these events in sequence and located in one chapter of the Bible Leviticus chapter twenty three
