The Jewish Idea And Its Enemies Personalities Issues Events:

The Jewish Idea and Its Enemies Hadley Cantril, Edward Alexander, 2019-08-21 This volume deals with the modern fate of the traditional conception of Jews as a covenanted people chosen to receive the Law whose ultimate purpose is contributing to the universal salvation of mankind The author shows how under the influence of liberalism rationalism relativism and other Enlightenment ideologies this idea was distorted denied inverted yet never entirely obliterated In his discussions of modern Jewish thinkers and writers and the ideological and political struggles of Zionism and the state of Israel against enemies from without and from within Alexander shows that the ancient idea of covenant is still alive today if only in the assumption that Jewish life can lead somewhere so long as Jews remember that it began somewhere Ranging from literary criticism and the history of ideas to journalism and politics the book is unified by a point of view unabashedly espousing the Jewish idea and challenging its enemies

Classical Liberalism and the Jewish Tradition Edward Alexander, The incongruence if not antagonism between modern liberalism and the Jewish sense of the world has been most notably articulated by Lionel Trilling Certainly the imaginative limitations and intellectual smugness he discerned in his own ideological party found a parallel in his view in the embrace of liberalism by the American Jewish community The consequences of that embrace entail both a superficial intellectual and religious culture and a misunderstanding of the social and political dimensions of Judaism In *Classical Liberalism and the Jewish Tradition* Edward Alexander engages in a wide ranging exploration of the roots of the fundamental antagonism between liberalism and Jewish tradition from the nineteenth century to the present day Central to Alexander's arguments is his incisive critique of the distortion of modern Judaism as a child of the Enlightenment and the notion that specifically Jewish concerns whether with Zionism the Holocaust or sacred and secular writings constitute a narrow and parochial betrayal of liberal interests The chapters are divided among political religious and literary subjects The opening chapter on Mill's ambivalent attitude toward the Jews establishes terms of conflict between Judaism and liberal secularism and universality as do chapters on the antisemitism of Thomas Arnold and Marx and the more ambiguous Jewish self identification of Disraeli Alexander examines such disparate topics as the hostility to the idea of a Jewish state on the part of numerous Israeli intellectuals the disdain among liberals toward the specifically Jewish dimension of the Holocaust and the capitulation of the Modern Language Association to the anti Zionism of Edward Said Turning to the uneasy status of Jewish religious texts and secular literature as sources of cultural revitalization Alexander deals with the attempt by the Israeli scholar Adin Steinsaltz to bring the Talmud to the attention of contemporary Jewish readers and includes a chapter on his nineteenth century precursor Emanuel Deutsch and his relationship to George Eliot An analysis of Ruth Wisse's efforts to establish a modern Jewish literary canon is rounded out by chapters on two of the major figures of that canon Isaac Bashevis Singer and Philip Roth While diverse in subject matter *Classical Liberalism and the Jewish Tradition* is consistent in its unapologetic advocacy of a Jewish point of view and in its depth of scholarship in tracing

the historical roots of contemporary attitudes and ideologies **Postmodernism & a Sociology...(c)** , In the fifth volume in the Studies in American Sociology Series Stanford M Lyman offers commentaries on and critiques of postmodernism poststructuralism and deconstruction posing questions concerning theoretical and epistemological problems arising from what appears to be a nouvelle vague Postmodernism poststructuralism and deconstructionism are interrelated aspects of the newest theoretical development in sociology and the social sciences This new wave of thought challenges virtually all paradigms currently in use In this his fifth volume in the Studies in American Sociology Series Stanford M Lyman offers commentaries on and critiques of this new perspective posing questions concerning theoretical and epistemological problems arising from what appears to be a nouvelle vague Among the basic themes and issues explored are the allegation that modernity has defaulted on the promise of the Enlightenment the question of whether the rational basis for knowledge and action is still valid the controversy over the place of metanarratives and macrosociological outlooks and newer concerns over race gender sexual preferences the self and the Other Professor Lyman provides empirically based and historically specific analyses of the relation of the race question to the problem of otherness and to the legal construction of racial identity in American court proceedings Focusing on the issues of citizenship affecting European Middle Eastern and Asian immigrants African Americans and the special cases of the Chinese and Native Americans he relates major public problems to the modern as well as the postmodern perspectives on justice The debate over assimilation and multiculturalism the dynamics of gender specific emotions as expressed in six decades of Hollywood films and the postmodern approach to deviance are each examined He also offers proposals for a social science attuned to but critical of postmodernism and poststructuralism Such a sociology might offer a perspective that treats the drama of social relations in the routine as well as the remarkable aspects of everyday life Professor Lyman provides not only a new understanding of postmodernism but also a program of how to proceed with respect to its challenges Public Opinion William A. Blade, 2002 Twenty four news networks a plethora of newspapers and magazines vibrant news talk radio and the ubiquitous Internet highlight our society as information driven With such a steady stream of hard facts mixed with publicised opinions the mainstream population has an opinion on everything Most anyone seems itching to argue their side of an issue making once private beliefs fodder for general consumption A staple of any medium's content is a regular public opinion poll on whatever hot topic strikes the editor's fancy From the significant to the mundane public opinion permeates society Accordingly politicians have taken note of these opinions and adopted stands and values that put them in tune with public sentiment An understanding of the nature of public opinion therefore is paramount in today's world This book assembles and presents a carefully chosen bibliography on public opinion in its many forms The collection of references makes for a valuable resource in studying and researching the critical issue of public opinion Easy access to these pieces of literature are then provided with author title and subject indexes

Ghosts of a Holy War Yarden Schwartz, 2024-10-01 An award winning journalist presents an even handed thoroughly

researched examination of the Arab Israeli conflict and illustrates how a shocking yet little known massacre one century ago in what was then Palestine became ground zero of a war that continues to devastate A compelling story If you are going to read one book to help you understand the current Middle East tragedy this is it Yossi Klein Halevi senior fellow Shalom Hartman Institute and author of the New York Times bestseller Letters to My Palestinian Neighbor In 1929 in the sacred city of Hebron then governed by the British Mandate of Palestine there was no occupation state of Israel or settlers Jews and Muslims lived peacefully near the burial place of Abraham patriarch of the Jewish and Arab nations until one Saturday morning when nearly 70 Jewish men women and children were slaughtered by their Arab neighbors The Hebron massacre was a seminal event in the Arab Israeli conflict key to understanding its complexities The echoes of 1929 in Hamas s massacre of October 7 2023 illustrate how little has changed and how much of our perspective must change if peace is ever to come to this tortured land and its people who are destined to share it Noted journalist Yardena Schwartz draws on her extensive research and wide ranging interviews with both sides to tell a timely eye opening story She expertly weaves the war between Israel and Hamas into a historical framework demonstrating how the conflict today cannot be understood without the context of ground zero of this century old war which began long before the occupation the settlements or the state of Israel ever existed This meticulously researched and balanced examination of the Arab Israeli conflict s origins interweaves historical analysis with contemporary insights providing crucial context for understanding today s Middle East tensions Perfect for anyone who has read Yossi Klein Halevi Matti Friedman or Nathan Thrall Schwartz s work is a riveting exploration of the complex background of the Israel Palestine conflict and the ongoing struggle for peace in the region

Ibss: Political Science: 1988 British Library of Political and Economic Science,1992 This bibliography lists the most important works in political science published in 1988 The Jewish Divide Over Israel Paul Bogdanor,2017-07-05 Before 1967 Israel had the overwhelming support of world opinion So long as Israel s existence was in harmony with politically correct assumptions it was supported or at least accepted by the majority of progressive Jews especially in the wake of the Holocaust This is no longer the case The Jewish Divide Over Israel explains the role played by prominent Jews in turning Israel into an isolated pariah nation After their catastrophic defeat in 1967 Arabs overcame inferiority on the battlefield with superiority in the war of ideas Their propaganda stopped trumpeting their desire to eradicate Israel Instead in a calculated appeal to liberals and radicals they redefined their war of aggression against the Jews as a struggle for the liberation of Palestinian Arabs The tenacity of Arabs rejection of Israel and their relentless campaign in schools universities churches professional organizations and above all the news media to destroy Israel s moral image had the desired impact Many Jewish liberals became desperate to escape from the shadow of Israel s alleged misdeeds and found a way to do so by joining other members of the left in blaming Israeli sins for Arab violence Today Jewish liberals rationalize violence against the innocent as resistance to the oppressor excuse Arab extremism as the frustration of a wronged party and redefine eliminationist rhetoric

and physical assaults on Jews as criticism of Israeli policy Israel's Jewish accusers have played a crucial and disproportionate role in the current upsurge of antisemitism precisely because they speak as Jews The essays in this book seek to understand and throw back the assault on Israel led by such Jewish liberals and radicals as Tony Judt Noam Chomsky George Steiner Daniel Boyarin Marc Ellis Israel Shahak and many others Its writers demonstrate that the foundation of the state of Israel far from being the primal sin alleged by its accusers was one of the few redeeming events in a century of blood and shame

Deciphering the New Antisemitism Alvin H. Rosenfeld, 2015-12-09 *Deciphering the New Antisemitism* addresses the increasing prevalence of antisemitism on a global scale Antisemitism takes on various forms in all parts of the world and the essays in this wide ranging volume deal with many of them European antisemitism antisemitism and Islamophobia antisemitism and anti Zionism and efforts to demonize and delegitimize Israel Contributors are an international group of scholars who clarify the cultural intellectual political and religious conditions that give rise to antisemitic words and deeds These landmark essays are noteworthy for their timeliness and ability to grapple effectively with the serious issues at hand

The Holocaust Edward Alexander, Alexander treats sympathetically writers like Kovner and Appelfeld who integrated the European tragedy into the Israeli imagination but charges that some Israeli dramatists have perpetrated travesties of the Holocaust that resemble antisemitic polemics

Performing the Secular Milija Gluhovic, Jisha Menon, 2017-09-14 With a foreword from Rustom Bharucha this book is a timely anthology which aims to unsettle our habituated modes of thinking about the place of the secular in cultural productions The last decade alone has witnessed many religious protests against cultural productions which have led in some cases to the closure of theatre and opera performances Threats to artists led to the exile of Indian painter MF Husain and murder of Dutch film maker Theo van Gogh the controversy over the depiction of the Islamic prophet Muhammad in the Danish newspaper Jyllands Posten in 2005 led to the cancellation of performances of Mozart's Idomeneo for the season Offering fresh and provocative readings that probe the limits and promise of secularity in relation to questions of performance politics and the public sphere this book will be invaluable to scholars who seek to understand the dramatic rise of politicized theology in our new century

The Chief Rabbi, the Pope, and the Holocaust Robert G. Weisbord, Wallace P. Sillanpoa, In February 1945 Israel Zolli chief rabbi of Rome's ancient Jewish community shocked his co religionists in Italy and throughout the Jewish world by converting to Catholicism and taking as his baptismal name Eugenio to honor Pope Pius XII Eugenio Pacelli for what Zolli saw as his great humanitarianism toward the Jews during the Holocaust Almost a half a century after his conversion Zolli still evokes anger and embarrassment in Italy's Jewish community This book is the first authoritative treatment of this astonishing story What induced Zolli to embrace Catholicism will probably never be known Nonetheless by painstaking scholarly detective work through interviews in Italy and elsewhere through the unearthing of private papers not previously known to exist and through the study of previous inaccessible archival materials the authors have succeeded in explaining why Zolli left the Jewish fold and joined the Catholic

Church Like Zolli's rabbinical career Pius XII's long pontificate tells us much about the Church of Rome and its relationship to the Jewish people particularly with reference to the issue of conversion The authors focus on the pontiff's World War II policies vis vis the Jews a subject that has been heatedly debated since Rolf Hochhuth's *The Deputy* was performed in the early 1960s What Pacelli knew about the extermination of the Jews and when he knew it what he said and failed to say are given special attention in this book Through the examination of previous scholarship and primary materials including Pius XI's encyclical on race and anti-Semitism Pacelli's behavior is evaluated to determine if Zolli accurately gauged the Holy Father's efforts to save Jews This saga of the two Eugenios will interest historians of the Second World War and the Holocaust and students of history alike

Diasporas and Exiles Howard Wettstein, 2002-10-07 Rarely have I encountered a collection of essays that coheres so well around an overarching theme This will be an important resource Hillel J Kieval author of *Languages of Community* *Color, Culture, Civilization* Stanford M. Lyman, 1995 *Antisemitism* Susan Sarah Cohen, 1997 *International Journal of the Sociology of Language*, 1990 *A London Bibliography of the Social Sciences*, 1931 Vols 1-4 include material to June 1 1929

Robert B. Heilman Robert Bechtold Heilman, 2009 This collection of the letters of one of the great literary figures of the 20th century includes exchanges with more than 100 correspondents among them Saul Bellow Malcolm Cowley Charles Johnson Bernard Malamud and William Carlos Williams During his tenure at the University of Washington from 1948 to 1975 Heilman transformed the English Department into a national center for poetry exhibited courage in defending academic freedom during the McCarthy Era and struggled with the volatile campus politics of the 1960s *Judaica at the Ellen Clarke Bertrand Library* Ellen Clarke Bertrand Library, 1990 *Bibliographie internationale de science politique*, 1988 *Whitaker's Books in Print*, 1998

books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Jewish Idea And Its Enemies Personalities Issues Events full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Jewish Idea And Its Enemies Personalities Issues Events eBooks, including some popular titles.

FAQs About The Jewish Idea And Its Enemies Personalities Issues Events Books

What is a The Jewish Idea And Its Enemies Personalities Issues Events PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Jewish Idea And Its Enemies Personalities Issues Events PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Jewish Idea And Its Enemies Personalities Issues Events PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Jewish Idea And Its Enemies Personalities Issues Events PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Jewish Idea And Its Enemies Personalities Issues Events PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing

restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
