The Jews And Israelites:

Japan, the Jews, and Israel Meron Medzini, 2024-09-02 Although an ally of Nazi Germany during World War II Japan adamantly refused to accede to German demands to deal harshly with the some 40 000 Jews living under its control While there was anti Semitism in Japan since the early 1920s there was also philo Semitism and great admiration for Jewish power influence and achievements Japan Israel relations were very strained and tense from 1952 to the early 1990s due to Japan s dependence on Arab oil But since 1990 the policy of Japan has changed radically and the country is now a close friend of Israel in East Asia Meron Medzini compares and contrasts Israeli and Japanese society foreign policy and above all economic and technological ties He analyzes the presence of Jews in Japan since the 1860s and the absence of any Jewish influence power and involvement in Japanese arts media academia politics labor unions and industry The Miasma of Unity: Jews and Israel Abba A. Solomon, Miasma of Unity Jews and Israel contains a decade s articles by researcher Abba A Solomon clearing the fog and deception which has obscured Jewish life in the 100 plus traumatizing years since the emergence of the Zionist political project With a new preface by the author and an introduction by Jonathan Ofir an Israeli musician conductor and writer based in Denmark **The Israelites** Antony Kamm, 2002-01-04 Antony Kamm presents an accessible user friendly introduction to the people of the kingdoms of Israel and Judah from earliest times up to AD 135 Charting the history of the Israelites Kamm discusses their origins land society culture and religion as well as their relationship to the Roman world and their legacy An appendix provides a chronology the Hebrew alphabet weights measures and coins the Jewish calendar a guide to further reading for easy reference Israel and the Gentiles Isaãc da Costa, 1850 **The Jewish Divide Over Israel** Edward Alexander, Paul Bogdanor, 2011-12-31 Before 1967 Israel had the overwhelming support of world opinion So long as Israel s existence was in harmony with politically correct assumptions it was supported or at least accepted by the majority of progressive Jews especially in the wake of the Holocaust This is no longer the case The Jewish Divide Over Israel explains the role played by prominent Jews in turning Israel into an isolated pariah nation After their catastrophic defeat in 1967 Arabs overcame inferiority on the battlefield with superiority in the war of ideas Their propaganda stopped trumpeting their desire to eradicate Israel Instead in a calculated appeal to liberals and radicals they redefined their war of aggression against the Jews as a struggle for the liberation of Palestinian Arabs The tenacity of Arabs rejection of Israel and their relentless campaign in schools universities churches professional organizations and above all the news media to destroy Israel s moral image had the desired impact Many Jewish liberals became desperate to escape from the shadow of Israel s alleged misdeeds and found a way to do so by joining other members of the left in blaming Israeli sins for Arab violence Today Jewish liberals rationalize violence against the innocent as resistance to the oppressor excuse Arab extremism as the frustration of a wronged party and redefine eliminationist rhetoric and physical assaults on Jews as criticism of Israeli policy Israel s Jewish accusers have played a crucial and disproportionate role in the current upsurge of

antisemitism precisely because they speak as Jews The essays in this book seek to understand and throw back the assault on Israel led by such Jewish liberals and radicals as Tony Judt Noam Chomsky George Steiner Daniel Boyarin Marc Ellis Israel Shahak and many others Its writers demonstrate that the foundation of the state of Israel far from being the primal sin alleged by its accusers was one of the few redeeming events in a century of blood and shame Judah and Israel, or The restoration and conversion of the Jews and ten tribes. To which is added Essays on the Passover Joseph Samuel Christian Frederick Frey,1837 **Jews in Israel** Uzi Rebhun,Chaim Isaac Waxman,2004 Offers a complete sociological perspective of Jews and Jewish life in Israel from 1948 to the present *Israel Among the Nations* Anatole Leroy-Beaulieu,1900 **The Unknown History of the Jews** E. E. Jessel,1909 *Israel Through the Jewish-American Imagination* Andrew Furman,1997-02-13 Examines eight Jewish American writers Meyer Levin Leon Uris Saul Bellow Hugh Nissenson Chaim Potok Philip Roth Anne Roiphe and Tova Reich who have imagined Israel in their work *Israelis and the Jewish Tradition* David Hartman,2008-10-01 divdivIn this powerful book one of the most important Jewish thinkers in the world today grapples with issues that increasingly divide Israel s secular Jewish community from its religious Zionists Addressing the concerns of both communities from the point of view of one who is deeply committed to religious pluralism David Hartman suggests a more inclusive and inviting framework for the modern Israeli engagement of the Jewish tradition He offers a new understanding of what it means to be Jewish one which is neither assimilationist nor backward looking and one that enables different Jewish groups to celebrate their own traditions without demonizing or patronizing others In a world polarized between religious and secular and caught within a sectarian denominationalism Hartman shows the way to build bridges of understanding The book explores the philosophies of two major Jewish thinkers of the Middle Ages Yehuda Halevi and Moses Maimonides A careful analysis of Maimonides approach to Judaism shows that messianism is not the predominant organizing principle that makes Judaism intelligible and significant Hartman contends He argues against Halevi s triumphalism and in favor of using the Sinai covenant for evaluating the religious significance of Israel for this approach gives meaning to Zionists religious commitments while also empowering secular Israelis to reengage with the Jewish tradition DIV DIV **The Religion of Israel to the Fall of the Jewish State** A. Kuenen,1883 **History of the Jews and Israel** Saul Silas Fathi,2006-03 From the author of Full Circle Escape From Baghdad and the Return comes this history of the Middle East which focuses on Israel and the Jews **The Jewish Annotated New Testament** Amy-Jill Levine,Marc Z. Brettler,2011-11-15 Although major New Testament figures Jesus and Paul Peter and James Jesus mother Mary and Mary Magdalene were Jews living in a culture steeped in Jewish history beliefs and practices there has never been an edition of the New Testament that addresses its Jewish background and the culture from which it grew until now In The Jewish Annotated New Testament eminent experts under the general editorship of Amy Jill Levine and Marc Z Brettler put these writings back into the context of their original authors and audiences And they explain how these writings have affected the relations of

Jews and Christians over the past two thousand years An international team of scholars introduces and annotates the Gospels Acts Letters and Revelation from Jewish perspectives in the New Revised Standard Version translation They show how Jewish practices and writings particularly the Greek translation of the Hebrew Bible influenced the New Testament writers From this perspective readers gain new insight into the New Testament s meaning and significance In addition thirty essays on historical and religious topics Divine Beings Jesus in Jewish thought Parables and Midrash Mysticism Jewish Family Life Messianic Movements Dead Sea Scrolls questions of the New Testament and anti Judaism and others bring the Jewish context of the New Testament to the fore enabling all readers to see these writings both in their original contexts and in the history of interpretation For readers unfamiliar with Christian language and customs there are explanations of such matters as the Eucharist the significance of baptism and original sin For non Jewish readers interested in the Jewish roots of Christianity and for Jewish readers who want a New Testament that neither proselytizes for Christianity nor denigrates Judaism The Jewish Annotated New Testament is an essential volume that places these writings in a context that will enlighten students professionals and general readers

War Against the Jews Alan Dershowitz,2023-12-12 In War Against the Jews How to End Hamas Barbarism Alan Dershowitz 1 New York Times bestselling author and one of America s most respected legal scholars explains why the horrific attack of Oct 7 and Israel s just response changes everything It has changed the relationship between Israel and the United States especially with regard to the possibility of direct American intervention It has required Israel to consider its nuclear option as a last resort to assure its survival It has revealed dangerous attitudes among America s future leaders on today s college campuses toward Israel s possible destruction It has exposed media biases that have been exacerbated with Israel s vulnerabilities It has united Israelis and Jews around the world as never before despite the deep divisions among them politically religiously and ideologically Nothing will ever be the same It has clouded the future of peace between Israel and its Arab and Muslim neighbors and has diminished the proposals for a peaceful resolution of the Israel Palestinian conflict It has made predictions about the future of the region nearly impossible except that imposing instability is inevitable In this short book Dershowitz analyzes these transforming events and suggests how to move forward

Englishmen Not Israelites: an Answer to "Twenty-seven Identifications" and "Flashes of Light" [by Edward Hine.] John Wilkinson (Missionary to the Jews.),1874

The Jews as a Chosen People S. Leyla Gurkan,2008-12-05 The concept of the Jews as a chosen people is a key element of the Jewish faith and identity This book explores the idea of chosenness from the ancient world through modernity and into the Post Holocaust era Analysing a vast corpus of biblical ancient rabbinic and modern Jewish literature the author seeks to give a better understanding of this central doctrine of the Jewish religion She shows that although the idea of chosenness has been central to Judaism and Jewish self definition it has

not been carried to the present day in the same form. Instead it has gone through constant change depending on who is employing it against what sort of background and for what purpose. Surveying the different and sometimes conflicting interpretations of the doctrine of chosenness that appear in Ancient, Modern and Post Holocaust periods, the dominant themes of Holiness, Mission and Survival are identified in each respective period. The theological, philosophical and sociological dimensions of the question of Jewish chosenness are thus examined in their historical context as responses to the challenges of Christianity, Modernity and the Holocaust in particular. This book will be of interest to scholars and students of Jewish Studies, the Holocaust, religion and theology.

Fundamentalist Islam and Israel Raphael Israeli, 1993. This book provides an in depth account and analysis of Islamic fundamentalism today and how it has an impact on Israel's relations with the Arab and Islamic worlds. In light of recent events, the book is important for the whole Western world which now confronts revivalist Islam both in the Middle East and Europe itself and even in such far flung fragments of European civilization as the United States and Australia. This book should be of great help for the West in developing a proper understanding of and a strategy for dealing with this movement. Co published with the Jerusalem Center for Public Affairs.
