Drinkard, 2013-10-08 Everyone experiences feelings of hopelessness and sometimes those dark feelings seem like they will linger forever Hopelessness can arise when dealing with family or friends or perhaps with the loss of a job the end of a relationship or the beginning of a tough financial season In times of great distress our God brings us comfort compassion and of course hope The God of Hope guides our hearts helping us find hope and healing in His word God's hope for individuals humanity and the world fill the pages of the Bible and stories of His work in our hearts when hope seems to fail are endless Full Scripture passages and reflections drawn from every book of the Bible will offer readers a deeper understanding of the hope God offers to us daily Each author explains the historical and theological aspects of God's blessings of hope so we can better apply His Word to every situation For the reader who needs help seeing the light at the end of the tunnel The God of Hope is the perfect choice Features include Scripture passages and reflections from each book of the Bible Historical theological and practical exploration of hope      **The Hope of Israel** Menasseh Ben-Israel, 1987-09-01 When The Hope of Israel was translated into English in 1652 its argument from Scripture that messianic redemption would not come to the Jewish people until they were scattered in all the corners of the Earth aroused great interest and played an instrumental part in the discussions in the Commonwealth under Cromwell which eventually led to the readmission of the Jews in 1656 This edition of that English text includes an introduction and notes which place the work in the intellectual context of its time      Jewish Hope, with Its Concomitant Events, the Key to the Prophetic Parables: Illustrated by the Exposition of the Parable of the Tares.  Vincent,2014-05-01 In response to the grim realities of the present world Jewish thought has not tended to retreat into  
 eschatological fantasy but rather to project utopian visions precisely on to the present moment envisioning redemptions that  
 are concrete immanent and necessarily political in nature In difficult times and through shifting historical contexts the  
 messianic hope in the Jewish tradition has functioned as a political vision the dream of a peaceful kingdom of a country to  
 return to or of a leader who will administer justice among the nations Against this background it is unsurprising that Jewish  
 messianism in modern times has been transposed and lives on in secular political movements and ideologies The purpose of  
 this book is to contribute to the deeper understanding of the relationship between Jewish thought utopia and revolution by  
 taking a fresh look at its historical and religious roots We approach the issue from several perspectives with differences of  
 opinion presented both in regard to what Jewish tradition is and how to regard utopia and revolution These notions are

multifaceted comprising aspects such as political messianism religious renewal Zionism and different forms of Marxist and Anarchistic movements      *Divided Against Zion* Rory Miller,2013-10-23 Using primary sources this study of the relationship between three anti Zionist bodies in Britain in the years that directly preceded the founding of the State of Israel also analyzes the Zionist attitude to the Jewish Fellowship the Arab Office and the Committee for Arab Affairs
