The Jews Their Dream Of Zion And The State Department:

Nazism, the Jews and American Zionism, 1933-1988 Aaron Berman, 1992 An investigation of the response of American Jews to Nazism and the extermination of European Jewry The demand for Jewish statehood politicized the rescue issue and made it impossible to appeal for American aid on purely humanitarian grounds Berman tries to understand the constraints within which American Jews operated Annotation copyrighted by Book News Inc Portland OR **The Jews** Ezekiel Rabinowitz, 1973 [Nazism, the Jews and American Zionism, 1933-1948](#) Aaron Berman, 2018-02-05 A sophisticated analysis of how the Zionist understanding of the Holocaust shaped the development of American Jewish policies and political activism Aaron Berman takes a moderate and measured approach to one of the most emotional issues in American Jewish historiography namely the response of American Jews to Nazism and the extermination of European Jewry In remarkably large numbers American Jews joined the Zionist crusade to create a Jewish state that would finally end the problem of Jewish homelessness which they believed was the basic cause not only of the Holocaust but of all anti-Semitism Though American Zionists could justly claim credit for the successful establishment of Israel in 1948 this triumph was not without cost Their insistence on including a demand for Jewish statehood in any proposal to aid European Jewry politicized the rescue issue and made it impossible to appeal for American aid on purely humanitarian grounds The American Zionist response to Nazism also shaped the political turmoil in the Middle East which followed Israel's creation Concerned primarily with providing a home for Jewish refugees and fearing British betrayal Zionists could not understand Arab protests in defense of their own national interests Instead they responded to the Arab revolt with armed force and sought to insure their own claim to Palestine Zionists came to link the Arabs with the Nazi and British forces that were opposed to the establishment of a Jewish state In the thinking of American Zionists the Arabs were steadily transformed from a people with whom an accommodation would have to be made into a mortal enemy to be defeated Aaron Berman does not apologize for American Jews but rather tries to understand the constraints within which they operated and what opportunities if any they had to respond to Hitler In surveying the latest scholarship and responding to charges against American Jewry Berman's arguments are reasoned and reasonable **Department of State Wireless Bulletin**, 1952 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976 **Israel Digest of Press and Events in Israel and the Middle East**, 1975 [Portrait of an American Rabbi: In His Own Words](#) Rabbi Lance J. Sussman Ph.D., 2023-06-14 It is important to bear in mind that Sussman has also been a true credit to the Reform rabbinate He has taught thousands of congregants over the decades He imparted his love for the Jewish people and its past from the pulpit under the marriage canopy and even at the funeral bier These attainments must never be minimized or overlooked One of Isaac Mayer Wise's students memorialized a noteworthy incident that occurred during a class that Wise was teaching Wise suddenly began to feel ill and decided to end the class early As Wise began to step down from his teaching platform a well-meaning rabbinical student jumped up from his seat

grabbed his teacher's arm and said May I help you down Doctor The famous rabbi shifted his glance and said in a voice loud enough for the rest of the class to hear Never help a person down my boy a rabbi must always help people up This is how Rabbi Dr Sussman has led in the various communities he served over the past four decades He has been a learned rabbi who never lost sight of his obligation to help people up Rabbi Dr Gary P Zola Executive Director Emeritus American Jewish Archives Ackerman Family Distinguished Professor HUC JIR From To The Readers written for the AJA Festschrift in honor of Rabbi Dr Lance J Sussman 2024 **The Congregationalist and Advance** ,1918 **The Department of State Bulletin** ,1979 The official monthly record of United States foreign policy Israel's Quest for Security Martin Sicker,1989-03-07 Annotation This book examines how the question of physical security has constituted the most fundamental concern of Israel since the country came into being in 1948 The author's immediate purpose is to provide the reader with the necessary background to understand why Israel has proved reluctant to agree to the numerous peace plans and processes proposed over the years demonstrating that at least from the predominant Israeli perspective each of these plans posed unacceptable risks to Israel's security Sicker shows that there has been a remarkable consistency in actual security policy throughout Israel's history regardless of which party was in power The Congregationalist ,1918 The Glory of Israel ,1917

Who's Who in the East, 1975-1976 Marquis Who's Who, LLC,1975-07 *Millennial Dreams and Apocalyptic Nightmares* Angela M. Lahr,2007-10-31 Conservative evangelicals millennial outlook helped to demarginalize the subculture in the Cold War as secular apocalypticism paralleled and sometimes justified the dispensational worldview The prospect of nuclear warfare especially in the shadow of the Cuban Missile Crisis and the creation of the state of Israel appeared to be direct fulfillment of biblical prophecy The secular apocalypticism that accompanied these developments combined with conservative evangelicals embrace of anticommunism helped to legitimize evangelicalism in the national secular domain This book examines the Americanization of Cold War evangelicalism and argues that these developments led up to the evangelical subculture's expansion with the rise of the New Christian Right Zionism and the State of Israel The Rev Dr Michael Prior Cm,Michael Prior,2005-08-12 Zionism and the State of Israel provides a topical and controversial analysis of the development of Zionism and the recent history and politics of Israel This thought provoking study examines the ways in which the Bible has been used to legitimize the implementation of the ideological and political programme of Zionism and the consequences this has had *Crisis and Crossfire* Peter L. Hahn,2005 Provides a concise and insightful introduction to the turbulent history of U S Middle East relations *Oregon Teachers Monthly* ,1920 **The Arc of a Covenant** Walter Russell Mead,2023-10-03 A NEW YORK TIMES BEST BOOK OF THE YEAR A groundbreaking work that overturns the conventional understanding of the Israeli American relationship and in doing so explores how fundamental debates about American identity drive our country's foreign policy A sweeping and masterfully told history The New York Times In this bold examination of the Israeli American relationship Walter Russell Mead demolishes the myths that both pro Zionists and anti

Zionists have fostered over the years He makes clear that Zionism has always been a divisive subject in the American Jewish community and that American Christians have often been the most fervent supporters of a Jewish state citing examples from the time of J P Morgan and John D Rockefeller to the present day He spotlights the almost forgotten story of left wing support for Zionism arguing that Eleanor Roosevelt and liberal New Dealers had more influence on President Truman s Israel policy than the American Jewish community and that Stalin s influence was more decisive than Truman s in Israel s struggle for independence Mead shows how Israel s rise in the Middle East helped kindle both the modern evangelical movement and the Sunbelt coalition that carried Reagan into the White House Highlighting the real sources of Israel s support across the American political spectrum he debunks the legend of the so called Israel lobby And he describes the aspects of American culture that make it hostile to anti Semitism and warns about the danger to that tradition of tolerance as our current culture wars heat up With original analysis and in lively prose Mead illuminates the American Israeli relationship how it affects contemporary politics and how it will influence the future of both that relationship and American life

Extraterritorial Dreams Sarah Abrevaya Stein, 2016-06-10 In this text Stein recounts the history of Sephardic and southeastern European Jews experience of WWI especially as it concerns the dizzying shifts in legal status so many experienced as the boundaries of the Ottoman Empire retracted new states were created in its wake and as Ottoman born Jews living abroad found themselves extra territorial subjects citizens of no polity at a time when national identity and even more citizen papers were of ever greater import to the modern world
