## **The Joseph File A Novel:**

**The Joseph File** Alfred Harris, 1976      **The Joseph File** Alfred Harris, 1974-01-01      Dickens Novels as Verse Joseph P. Jordan, 2012-05-31 As its startling and aggressive title suggests *Dickens Novels as Verse* is no standard work of literary criticism. It is in fact altogether new and original. Jordan likens the experience of some of the great Dickens novels particularly the later ones namely *A Tale of Two Cities*, *Great Expectations* and *Our Mutual Friend* to the experience of lyric verse. The point is not that Dickens novels could ever be mistaken for lyric poems but that the experience of some of the best of Dickens's novels despite their undoubted sprawl is like the experience of lyric poems is so because the novels are made up of the same things that make great verse great: intricate, largely unnoticeable tissues of alliteration like patterning that net across the work and give narratively insignificant coherence to it. *Dickens Novels as Verse* meticulously describes these book-length patterns in clear, lucid prose. Its three chapters, each focused on a single Dickens novel, are full of close analyses that can be immediately used by teachers, students and all other readers of Dickens to grasp why Dickens always seems to be a greater writer than the quality of his ideas might lead us to expect.      *Barbara Bray, A Woman of Letters* Pascale Sardin, 2024-11-27 Barbara Bray 1924-2010 was an English woman of letters who translated some hundred novels, plays and essays from French to English and was Marguerite Duras's preferred translator. She also collaborated with some of the most prestigious directors and playwrights of the 20th century: Harold Pinter, Samuel Beckett, Joseph Losey and Franco Zeffirelli, helping them write screenplays and radioplays. This literary biography re-evaluates in a textual, sociological and historical perspective the social role of an English writer and translator in the history of ideas and contemporary art. Highlighting Bray's influence in cultural transfers of ideas and literatures between France, Great Britain and the United States, it renders visible the yet unrecognised work of a female mediator and creator. It nourishes the debate about women's public voice and the representation of women in the media industries and contributes to enrich the other history that is being currently written by feminist scholars around the world.      **Just One Catch** Tracy Daugherty, 2011-08-02 The New York Times bestselling writer Tracy Daugherty illuminates his most vital subject yet in this first biography of the *Catch 22* author Joseph Heller. Joseph Heller was a Coney Island kid, the son of Russian immigrants who went on to great fame and fortune. His most memorable novel took its inspiration from a mission he flew over France in WWII: his plane was filled with so much shrapnel it was a wonder it stayed in the air. Heller wrote seven novels, all of which remain in print. *Something Happened* and *Good as Gold* to name two are still considered the epitome of satire. His life was filled with women and romantic indiscretions, but he was perhaps more famous for his friendships: he counted Mel Brooks, Zero Mostel, Carl Reiner, Kurt Vonnegut, Norman Mailer, Mario Puzo, Dustin Hoffman, Woody Allen and many others among his confidantes. In 1981 Heller was diagnosed with Guillain-Barré Syndrome, a debilitating syndrome that could have cost him his life. Miraculously, he recovered. When he passed away in 1999 from natural causes, he left behind a body of work that continues to sell hundreds of thousands of copies a year. *Just One Catch* is the first

**Empire Films and the Crisis of Colonialism, 1946-1959** Jon Cowans, 2015-05-15 The first transnational history of cinema s role in decolonization Using popular cinema from the United States Britain and France Empire Films and the Crisis of Colonialism 1946 1959 examines postwar Western attitudes toward colonialism and race relations Historians have written much about the high politics of decolonization but little about what ordinary citizens thought about losing their empires Popular cinema provided the main source of images of the colonies and according to Jon Cowans in this far reaching book films depicting the excesses

of empire helped Westerners come to terms with decolonization and even promoted the dismantling of colonialism around the globe Examining more than one hundred British French and American films from the post World War II era Cowans concentrates on movies that depict interactions between white colonizers and nonwhite colonial subjects including sexual and romantic relations Although certain conservative films eagerly supported colonialism Cowans argues that the more numerous liberal colonialist productions undermined support for key aspects of colonial rule while a few more provocative films openly favored anticolonial movements and urged internal decolonization for people of color in Britain France and the United States Combining new archival research on the films production with sharp analysis of their imagery and political messages the book also assesses their reception through box office figures and newspaper reviews It examines both high profile and lesser known films on overseas colonialism including *The King and I* *Bhowani Junction* and *Island in the Sun* and tackles treatments of miscegenation and internal colonialism that appeared in Westerns and American films like *Pinky* and *Giant* The first truly transnational history of cinema s role in decolonization this powerful book weaves a unified historical narrative out of the experiences of three colonial powers in diverse geographic settings
