Ben-Barak, 2006      *Sit At My Right Hand'* Benjamin D. Giffone, 2016-10-20 Benjamin is portrayed in Chronicles differently from how he is portrayed in the Deuteronomistic History In the latter Benjamin's relation to Judah is shown as varied and complex incorporating both highs and lows The Chronicler by contrast smooths over these difficulties by emphasizing the historically close relationship between the two tribes Benjamin D Giffone sees in this evidence that the Judah Benjamin relationship reflects the socio political situation of late Persian Yehud in which the relatively poor Jerusalem cult struggled to maintain material support from landed nobility in the region Material evidence shows that the historically Benjaminites prospered during the Neo Babylonian and early Persian periods The Jerusalem cult competed with cultic locations known for their alliances with either Benjamin or Joseph for the support of wealthier landowners It is within the context of this struggle for support that the Chronicler rewrote Israel's narrative partly to garner Benjaminite support Giffone synthesizes observations that are literary and historical to reveal a literary phenomenon the differing portraits of Benjamin and situate this within the historical context of Persian Yehud In so doing Giffone offers a new understanding of Yehud during this period and elaborates an important motif in these two sections of the Hebrew Bible      *The Holy Bible*, 1840      The
