Jacques Ellul

The Judgment Of Jonah:

The Judgment of Jonah Jacques Ellul, 1971 This is not a commentary in the traditional sense One might call it an existential commentary An important aim of the author is to bring out the relevance of the story of the person mission and situation of Jonah to Christians in our own time

The Judgement of Jonah Alastair G. Hunter, 2022-04-21 This study is designed as a commentary with a difference where the reading of the prophet's travails is explored in the context of two wider themes 1 the overt and highly sophisticated intertwining of Jonah's story with an impressively wide range of other biblical texts often deployed in surprising ways and 2 the clearly contrarian relationship between God and Jonah which has both vexed and intrigued scholars and lay readers alike for millennia Underpinning this reading is a twofold thesis firstly an argument that many of the puzzles inherent in the book of Jonah can be illuminated in the light of the idea that Nineveh was from the beginning a cipher for the Jerusalem of the author's time and secondly that this would have been evident to Jonah's first readers the class of elite literati amongst the ruling cadre of late Persian or early Hellenistic Judaea

The Judgement of Jonah Jacques Ellul, 1971-12

The Minor Prophets Craig G. Bartholomew, Heath A. Thomas, 2023-09-19 In this unique introduction to the Minor Prophets two biblical scholars survey the twelve books and explore the theological themes of each Filled with helpful exegetical insights this book is an invaluable guide for students pastors and scholars looking for a cohesive exploration of these often overlooked books of the Hebrew Bible

God's Glory in Salvation through Judgment James M. Hamilton Jr., 2010-11-04 In Exodus 34 Moses asks to see God's glory and God reveals himself as a God who is merciful and just James Hamilton Jr contends that from this passage comes a biblical theology that unites the meta narrative of Scripture under one central theme God's glory in salvation through judgment Hamilton begins in the Old Testament by showing that Israel was saved through God's judgment on the Egyptians and the Canaanites God was glorified through both his judgment and mercy accorded in salvation to Israel The New Testament unfolds the ultimate display of God's glory in justice and mercy as it was God's righteous judgment shown on the cross that brought us salvation God's glory in salvation through judgment will be shown at the end of time when Christ returns to judge his enemies and save all who have called on his name Hamilton moves through the Bible book by book showing that there is one theological center to the whole Bible The volume's systematic method and scope make it a unique resource for pastors professors and students

A Basic Guide to Interpreting the Bible Robert H. Divine Violence and the Character of God Claude F.

Mariottini,2022-02-01 There is much violence in the Old Testament both human and divine Christians and non Christians react differently to what they read about the God of the Old Testament Some people are so affected by the violence found in the Old Testament that they give up on God stop going to church and reading the Bible and eventually lose their faith Others are offended by divine violence and seek to find an alternative explanation for the violent acts of God in the Old Testament A popular alternative in the twenty first century is to return to the second century and adopt some form of Marcionism and make the God of the Old Testament to be a different God from the God revealed by Christ in the New Testament The purpose of this book is not a defense of God and his use of violence The author seeks to understand why God acted the way he did and to understand the reason for divine violence in the Old Testament Yahweh did use violence in his work of reconciliation However the use of violence was necessary when everything else failed Israel provoked God to anger When God brought judgment upon his people he did so with tears in his eyes **Themelios, Volume 41, Issue 2** D. Glaab,2023-02-10 According to many Christian leaders early Genesis is a myth or allegory Therefore Adam and Eve never lived Eve was never tempted and Adam never sinned There was no creation week so God did not make the earth the stars the birds fish or the animals This has become the default position of many Christian teachers ministries and campuses This is not just mainline churches but evangelicals have joined the ranks of doubters in creation This is a reaction to the claims of Christians who work in the sciences claiming that evolution is now an established fact As a result creation week is put in the category of myth or allegory not history New interpretations of Genesis abound There is just one problem This may be how people interpret Scripture but it is not how Scripture interprets Scripture Scripture treats Genesis as history If you are wondering whether Genesis can be interpreted as true history the struggle is over Jesus is not just the cornerstone of the church He is the cornerstone of creation

Political Theology of Life Saitya Brata Das,2023-02-14 Taking up the work of Meister Eckhart F W J von Schelling and S ren Kierkegaard Political Theology of Life formulates the task of an unconditional affirmation of life Such a political theology consists of constructing a kenotic eschatology which puts into question any political attempt to justify and legitimize any world historical hegemony on a theological foundation The work thereby argues that in today s neoliberal secular world of narcissistic mass consumption in the age of extreme capitalism such an affirmation of life released from the grasp of sovereign power is the highest ethico religious task of our time The work shows that each of these thinkers Meister Eckhart at the epochal closure of the medieval world and Schelling and Kierkegaard from the heart of the epochal condition of modernity has exposed open a dimension of infinitude and manifestation that can be truly inspiring for us that is to say in the abandonment of all worldly attributes lies a receptivity to the highest gift of beatitude an opening to the infinitude that sanctifies our worldly existence which is a radical gift arriving from an origin without origin and without foundation a gift that does not have to be anchored in the nomothetic operation of worldly hegemonies Illumination Book Award winner in poetry <https://illuminationawards.com> 20 2023 medalists
