The Keeper of the Bed Charles Humana,1973

The Black Eunuchs of the Ottoman Empire George H.

Junne,2016-06-22 The Chief Black Eunuch appointed personally by the Sultan had both the ear of the leader of a vast Islamic Empire and held power over a network of spies and informers including eunuchs and slaves throughout Constantinople and beyond The story of these remarkable individuals who rose from difficult beginnings to become amongst the most powerful people in the Ottoman Empire is rarely told George Junne places their stories in the context of the wider history of African slavery and places them at the centre of Ottoman history The Black Eunuchs of the Ottoman Empire marks a new direction in the study of courtly politics and power in Constantinople *The Eunuch in Byzantine History and Society* Shaun

Tougher,2009-06-02 The existence of eunuchs was one of the defining features of the Byzantine Empire Covering the whole span of the history of the empire from the fourth to the fifteenth centuries AD Shaun Tougher presents a comprehensive survey of the history and roles of eunuchs making use of extensive comparative material such as from China Persia and the Ottoman Empire as well as about castrato singers of the eighteenth century of Enlightenment Europe and self castrating religious devotees such as the Galli of ancient Rome early Christians the Skoptsy of Russia and the Hijras of India The various roles played by eunuchs are examined They are not just found as servile attendants some were powerful political players such as Chrysaphius who plotted to assassinate Attila the Hun and others were prominent figures in Orthodoxy as bishops and monks Furthermore there is offered an analysis of how society thought about eunuchs especially their gender identity were they perceived as men women or a third sex The broad survey of the political and social position of eunuchs in the Byzantine Empire is placed in the context of the history of the eunuch in general An appendix listing key eunuchs of the Byzantine Empire describing their careers is included and the text is fully illustrated **The Gay Faith** M. W.

Sphero,2011-05-23 Sphero explains that the Old Testament does not prohibit homosexuality furthermore that Sodom and Gomorrah had nothing whatsoever to do with homosexuality but rather with inhospitality pride and a society s blood thirst for violence Christ said that some people were meant to be born as gay or lesbian he blessed a gay relationship between a Roman Centurion and his lover and he spoke boldly against any form of homophobia The Bed Keeper Brian Anthony

Bowen,2012-02-22 More than a Biblical case for gay marriage The Bed Keeper takes readers on a journey through space and time within the pages of Scripture and reveals ancient prophecies long forgotten by the Church both Catholic and Protestant which illustrates teachings pertaining to not only the world wide gay lesbian bisexual and transgender community but indeed the Return of Jesus Christ Himself Along the way we will discover that Jesus taught LGBT people are naturally born so from our mothers wombs that the Apostle Paul ordained single gender Holy Matrimony and that God demands we be affirmed in Churches all over the globe as equal partakers in the Kingdom of Heaven The Bed Keeper is a message of hope for the LGBT community complete with Scripture based prophetic instructions for the Church to at last become all adorned like a Bride for

her Bridegroom *Through Strangers' Eyes* Sylvie Romanowski, 2005 Considering the stranger as a figure of ambiguity Sylvie Romanowski explains why the genre was so useful to the Enlightenment The question of why showing ambiguous strangers is important in that period is addressed in the book's introduction by setting the Enlightenment in the historical context of the seventeenth century Romanowski then examines Montaigne's *Des Cannibales* showing how these first outsiders relate to their eighteenth century successors She next considers Montesquieu's *Lettres persanes* in its entirety studying the voices of the men the women and the eunuchs She also studies other examples of the genre Jacket

Castration Gary Taylor, 2002-09-11 Castration is a lively history of the meaning function and act of castration from its place in the early church to its secular reinvention in the Renaissance as a spiritualized form of masculinity in its 20th century position at the core of psychoanalysis **Handbook of Medieval Sexuality** Vern L. Bullough, James Brundage, 2013-01-11 Like specialists in other fields in humanities and social sciences medievalists have begun to investigate and write about sex and related topics such as courtship concubinage divorce marriage prostitution and child rearing The scholarship in this significant volume asserts that sexual conduct formed a crucial role in the lives thoughts hopes and fears both of individuals and of the institutions that they created in the middle ages The absorbing subject of sexuality in the Middle Ages is examined in 19 original articles written specifically for this Handbook by the major authorities in their scholarly specialties The study of medieval sexuality poses problems for the researcher indices in standard sources rarely refer to sexual topics and standard secondary sources often ignore the material or say little about it Yet a vast amount of research is available and the information is accessible to the student who knows where to look and what to look for This volume is a valuable guide to the material and an indicator of what subjects are likely to yield fresh scholarly rewards *An Underground Education* Richard Zacks, 1999-04-20 The best kind of knowledge is uncommon knowledge Okay so maybe you know all the stuff you're supposed to know that there are teenier things than atoms that Remembrance of Things Past has something to do with a perfumed cookie that the Monroe Doctrine means we get to take over small South American countries when we feel like it But really is this kind of knowledge going to make you the hit of the cocktail party or the loser spending forty five minutes examining the host's bookshelves Wouldn't you rather learn things like how the invention of the bicycle affected the evolution of underwear Or that the 1949 Nobel Prize for Medicine was awarded to a doctor who performed lobotomies with a household ice pick Or how Catherine the Great really died Or that heroin was sold over the counter not too long ago For the truly well rounded intellectual nothing fascinates so much as the subversive the contrarian the suppressed and the bizarre Richard Zacks' auto didact extraordinaire has unloosed his admittedly strange mind and astonishing research abilities upon the entire spectrum of human knowledge ferreting out endlessly fascinating facts stories photos and images guaranteed to make you laugh gasp in wonder and occasionally shudder at the depths of human depravity The result of his labors is this fantastically illustrated quasi encyclopedia that provides alternative takes on art business crime science

medicine sex lots of that and many other facets of human experience Immensely entertaining and arguably enlightening An Underground Education is the only book that explains the birth of motion pictures using photos of naked baseball players Richard Zacks is the author of History Laid Bare Love Sex and Perversity from the Ancient Etruscans to Warren G Harding which was excerpted in classy magazines like Harper's and earned the attention of the even classier New York Times which noted that Zacks specializes in the raunchy and perverse The Georgia State Legislature voted on whether to ban the book from public libraries He has studied Arabic Greek Latin French Italian and Hebrew and received the Phillips Classical Greek Award at the University of Michigan He has also told his publisher that he made a living in Cairo cheating royalty from a certain Arab country at games of chance although the claim remains unverified His writing has appeared in the New York Times The Atlantic Monthly Time Life Sports Illustrated The Village Voice TV Guide and similarly diverse publications Zacks is married and busy warping the minds of his two children Georgia and Ziegfield He resides in New York City and can be reached via e mail at rzacks echonyc com

Epiphany Michael Coren, 2016-04-26 From the posterboy of Catholic conservatism a major change of heart and soul on one of the Church's most controversial and intractable stances This past

February a conservative Roman Catholic blog Contra Diction gave me perhaps my best headline ever Michael Coren Complicit in Destruction of Souls Who Practice Homosexuality Pt 1 I m still waiting for part two It was one of countless posts tweets and articles that have condemned me for coming out in favour of same sex marriage I ve also been fired from columns that I wrote for years been banned from various Catholic TV and radio stations had speeches cancelled and been accused of cheating on my wife My children have been called gay and I have been compared to a child molester and a murderer These are new experiences for me Until last year I was considered something of a champion of social conservatism in Canada and was well known among politically active Christians I hosted a nightly show on Crossroads Television for twelve years was a syndicated Sun columnist and wrote briskly selling books with such titles as Why Catholics Are Right Today I am working away at a new book Epiphany Changing Heart and Mind on Same Sex Marriage How and why did it go so terribly wrong Michael Coren What went terribly wrong is that Michael Coren had a profound spiritual and personal change of heart Epiphany is about how and why that happened the reaction from both sides of the fence and how the Christian doctrine when studied closely and without bias heartily supports Michael s findings As a middle aged very white very straight very Christian man he was obliged first reluctantly and then eagerly to explore the complex dynamic between faith and homosexuality and to work out a new narrative The crux of that narrative God is love Honest brave and rigorous in its scholarship Epiphany is a groundbreaking book on one of society s most pressing issues **Grasping the Heel of Heaven** Mark

Chapman,2017-12-05 Grasping the Heel of Heaven honours the immense legacy to the church of Michael Perham A skilled and imaginative liturgist a passionate advocate of women s ministry an inspirational dean and bishop a wise and patient administrator he was above all a faithful priest who loved the Church as the body of Christ In all his ministry he sought to nourish that body by encouraging its worship and prayer and shaping its governance in the light of gospel ideals Together the contributors reflect the numerous ways that Michael Perham saw heaven touching earth and earth glimpsing heaven
