Sixty Seconds Prayer Thoughts From The Gospel Of John:

The Child Samuel, a Practical and Devotional Commentary on the Birth and Childhood of the Prophet Samuel, Etc
Edward Meyrick GOULBURN (Dean of Norwich.),1876 **Chronometres** Krista Lysack,2019-09-20 What does it mean to feel time to sense its passing along the sinews and nerves of the body as much as the synapses of the mind And how do books as material arrangements of print and paper mediate such temporal experiences Chronometres Devotional Literature Duration and Victorian Reading Culture is a study of the time inflected reading practices of religious literature the single largest market for print in Victorian Britain It examines poetic cycles by John Keble Alfred Tennyson Christina Rossetti and Frances Ridley Havergal family prayer manuals Sunday reading books and periodicals and devotional gift books and daily textbooks Designed for diurnal and weekly reading chronometrical literature tuned its readers attentions to the idea of eternity and the everlasting peace of spiritual transcendence but only in so far as it parcelled out reading into discrete increments that resembled the new industrial time scales of factories and railway schedules Chronometres thus takes up print culture affect theory and the religious turn in literary studies in order to explore the intersections between devotional practice and the condition of modernity It argues that what defines Victorian devotional literature is the experience of its time signatures those structures of feeling associated with its reading durations For many Victorians reading devotionally increasingly meant reading in regular portions and often according to the calendar and work day in contrast to the liturgical year Keeping pace with the temporal measures of modernity devotion became a routinized practice a way of synchronizing the interior life of spirit with the exigencies of clock time Chronometres considers how the deliverances afforded through time scaled reading are persistently materialised in the body both that of the book and of the reader Recognizing that literature and devotion are not timeless abstractions it asks how the materiality of books conceived as horological relationships through reading might bring about the felt experience of time Even as Victorian devotion invites us to tarry over the page it also prompts the question what if it is eternity that keeps time with the clock *Self-Confrontation* John C. Broger,BCF writing team,1991-10-01 The purpose of this manual is to teach you how to examine yourself biblically so you can live in a manner that pleases the Lord and help others to do the same The material in this manual also has been used in Bible studies for youth and adults classes for Christian students junior high high school college and seminary level courses of study designed to prepare missionaries for their ministry evangelism training discipleship training in prison ministries Sunday school classes home group studies personal devotional studies and Scripture memorization programs In addition it has proved valuable as a resource for pastors counselors health care professionals personnel managers educators social workers and other professionals who are responsible to deal with personal and interpersonal problems As you progress through this manual you will discover many other uses for this material in your life and personal ministry Please do not be intimidated by the volume of Scripture references contained in this manual A new believer in Jesus Christ can find great

comfort and help from looking up only one verse out of many that are listed on a particular subject On the other hand the Bible scholar or seminary student may desire to research many of the Scripture references from the original languages of the Bible No matter how proficient you are in using Scripture this manual encourages you to rely on the Word of God to discover God's sufficiency for every aspect of your life *The Illinois Trumpet Call* ,1917 *The Publishers' Circular and General Record of British Literature* ,1860 **The Publishers' Circular and General Record of British and Foreign Literature** ,1860 **The Christian Union** ,1878 **What a Young Woman Ought to Know** Mary Wood-Allen,2021-04-25 Mary Wood Allen's *What a Young Woman Ought to Know* delves into important topics that every young woman should be informed about such as health relationships and personal development Written in a straightforward and educational style this book serves as a helpful guide for navigating the challenges of adolescence and young adulthood Wood Allen's work provides practical advice with a focus on empowering young women to make informed decisions Set against the backdrop of the late 19th century this book reflects the moral and social concerns of the time offering a unique perspective on the expectations placed on women during the Victorian era Mary Wood Allen's background as a physician and educator shines through in her thorough exploration of important issues facing young women Her commitment to promoting health and well being is evident throughout the pages of this informative book *What a Young Woman Ought to Know* is a must read for any young woman seeking guidance on her journey to adulthood **Saturday Review** ,1859 **The Saturday Review of Politics, Literature, Science and Art** ,1859
