Skeeter A Cat Tale:

Skeeter Anne L. Watson, 2005-04 When a stray kitten romps into Lynne's life she has no idea what she's getting into Lynne describes in a series of letters to her friend Angie how Skeeter is high spirited contrary and inventive And when Angie comes for a visit she meets the irrepressible cat

Skeeter Anne L. Watson, 1900 Dealing with a dog to put it crudely is like dealing with a person who's a bit dumb Dealing with a cat is like dealing with a person who's more than a bit crazy When a stray kitten romps into Lynne's life she has no idea what she's getting into As Lynne describes in letters to her friend Angie Skeeter is all cat high spirited contrary and inventive He's so goofy that he reminds Lynne of her own nuttiest escapades so irrepressible that even Lynne's neighbor Mark gets wound around his paw And when Angie visits to see Skeeter for herself Well no one who meets Skeeter will ever be quite the same again

ABOUT THE AUTHOR Anne L Watson a retired historic preservation architecture consultant is the author of numerous novels plus books on such diverse subjects as soapmaking and baking with cookie molds A former resident of San Pedro California the setting of *Skeeter* Anne currently lives in Bellingham Washington with her husband and fellow author Aaron Shepard

SAMPLE January 29 2000 Dear Angie Skeeter is not entirely happy about the way we live For example he doesn't like my going to work With more justification he disapproves of some of my attitudes Most of my experience with animals is with dogs In a relationship with a pet I elect myself pack leader Cats are not pack animals Skeeter a democrat considers us equals and resents my bumptious ways This is particularly true when it comes to food I buy various kinds of food for Skeeter so he won't become too set on one type or flavor I had a friend in high school whose cat Sparkles would eat nothing but Kitty Queen Tuna No other brand would do even people tuna Kitty Queen Salmon would not do either My friend's family had Kitty Queen Tuna crises when none could be found Did you try the all night drugstore We went there last time remember They don't have it The cat probably would have starved before it ate anything else My friend's mother had a strange relationship with the cat She believed Sparkles to be the reincarnation of her own mother long deceased So the cat ruled the household I am not going down that road with Skeeter A gauntlet has been thrown though regarding turkey Till last week he ate it with obvious enjoyment The two cans I've given him this week have gone untouched Someone said it might be spoiled that I should smell it A longtime vegetarian I think meat always smells spoiled but I gave it a whiff Disgusting but not rancid I won't buy it again though if he feels that way This morning he got beef which he accepted In fact he made a pig of himself After breakfast he returned to the bedroom belching alarmingly Would Monsieur like a potato with the steak next time I asked Perhaps a small glass of red wine Monsieur looked interested A salad No sale I think I'll continue being pack leader Like all despots I perpetuate Skeeter's servitude by monopolizing the means to freedom the checkbook the car keys the can opener It's unfair that I should be the leader just because I'm bigger and smarter and have opposable thumbs But it's going to stay that way as long as I can manage it If Skeeter is the reincarnation of my mother she can learn to eat what she's given Love Lynne **Smart**

Smart Housekeeping Around the Year Anne L. Watson, 2017-03-01 SPECIAL NOTE ANNE WILL PERSONALLY ANSWER ANY QUESTION OF YOURS AFTER READING THIS BOOK ASK ON HER WEB SITE AND YOU LL NORMALLY HEAR BACK WITHIN HOURS In this standalone companion to Smart Housekeeping Anne L Watson presents tips on cleaning organizing decluttering furnishing maintaining and managing your home as you d face those tasks around the year Travel with Anne through the calendar as she deals with every aspect of keeping the things around you just the way you want them New homemakers will gain skills and perspective while even veterans will find unique tips and insights All delivered with a wit and frankness not seen in housekeeping books since the days of Peg Bracken Anne s almanac also features the return of her photogenic family of felted mice After their brief introduction in Smart Housekeeping Lady Mouse

Washington with her husband and fellow author Aaron Shepard SAMPLE I chose a window seat on the Greyhound but I didn't look out For almost the whole trip I stared at the rough tan upholstery of the seat in front of me It had a rip on one side and three dark stains A woman settled into the aisle seat She raised her footrest but it clunked back down When I glanced her way she caught my eye and smiled How do you make these things stay put she asked I meant to answer the words were lined up in my mind But before I could say them they slipped apart like beads when the string breaks I gave up and studied the seat cover again Still tan still ripped still stained The next time I looked the woman was gone Evening came but I didn't use my reading light Late at night awake in the breathing dark I imagined running my fingers over the seat back erasing the stains mending the seam In the morning I almost believed I could fix it So I took care not to touch it not to find out for sure In the afternoon the bus left the freeway and crept through downtown traffic I turned then and peered through the mud splattered window As far as I could see Los Angeles was a city of warehouses I sank back into my seat When we reached the station I claimed my suitcase and dragged it through the waiting room to the street Outside I found blank walls and empty sidewalks No direction and no one to ask Well I ran away from college then from New Orleans and then Baton Rouge Is it too soon to run away from here

Flight Anne L. Watson, 2022 One day she is Linda Farley a senior in a San Diego high school with a talent for art an annoying younger brother two loving parents and a prospective boyfriend Three days later she is Lainie Foster hiding with her mother and brother in Olympia Washington That's how fast things change after Linda's mother tells her that her father has been caught by the feds in a Mafia money laundering scheme and that the rest of the family has been placed in the Witness Protection Program By the rules she's given she must stay out of school cut off contact with anyone back home and never tell anyone what has happened Linda now Lainie does her best but in navigating her new life she faces a number of questions How could her father do something so contrary to her image of him Why is her mother so familiar with their new city How can she pursue a career in art without going to school What must she do to save her brother from the worst effects of the upheaval And who is that dark haired woman she keeps spotting in front of the house Then there's the biggest question of all Is she Linda or is she Lainie Because in the end is the choice really anyone's but hers Anne L Watson a retired historic preservation architecture consultant is the author of numerous novels plus books on such diverse subjects as soapmaking and baking with cookie molds A former resident of Olympia Washington the main setting of Flight she currently lives in Bellingham Washington with her husband and fellow author Aaron Shepard SAMPLE Lainie Mom said her voice a little gentler we have to follow the rules whether we like them or not The rules are nuts Mom I protested Like making us keep our old initials So the Mafia is too stupid to check the passenger lists for trains and planes leaving Southern California You think they won't look for two A F's and an L F with one way tickets to the same place Mom moved to the right to let a tailgating Jeep speed ahead That's one reason we're splitting up she said WITSEC has never lost anyone who followed the rules she said WITSEC I yelled Who the hell is that The Witness Security Program That's its other name Sheesh WITSEC

Like the FBI was such a buddy we needed to give them a nickname My face itched and I rubbed it hard Don t do that Mom said You ll rub off your makeup It feels like dirt I don t know how you put up with it You get used to it Especially when you have more important things to worry about Well we had that in spades I d just dumped someone I really wanted to go out with I wouldn t be going to art school next year because that s what Linda Farley would have done I had to be someone else probably forever Compared to that grease all over my face really was a detail I gave up and quit talking about it Whining wasn t going to do any good Mom kept quiet too watching the traffic In the front seat Alan sang some dumb song from a TV kids show over and over But as Mom had said I had more important things to worry about We took the Alameda Street exit and pulled into the train station What are you going to do with the car when you get to the airport I asked Leave it in a parking lot with the window down and the keys in the ignition Even the Mafia wouldn t have a chance if she did that The locals would have that car in a chop shop faster than the Godfather could blink **A Chambered Nautilus** Anne L.

Watson,1900 Nita walked away from her family when she was seventeen years old determined to never look back But forty years later when her mother died and her father descended into Alzheimer s Nita returned to New Orleans to care for him in his final months Now her father has passed on leaving to Nita her childhood home as an inheritance But she soon finds she isn t the only resident The house is occupied by ghosts of her past playing out scenes of the life she fled What are they trying to tell her Will they ever leave her in peace And are they really spirits or only visions emerging from sealed off depths of memory as from the shell of a chambered nautilus Anne L. Watson a retired historic preservation architecture consultant is the author of several novels plus books on such diverse subjects as soapmaking and baking with cookie molds A former resident of New Orleans the setting of A Chambered Nautilus she currently lives in Bellingham Washington SAMPLE At the restaurant we found a corner table a little away from other patrons When we d ordered Enid sipped her ice water Tell me more she said I ve been seeing ghosts in the house I said Or maybe they re not ghosts A friend of mine calls them visions A bad start I tried again I think I told you I d been a caregiver for my father Well he was living in the house I grew up in and now it s mine But I keep seeing him and my mom and my sister and brother and me all over the house Really What are these visions about Scenes from the past I suppose it sounds crazy Not at all You said your dad passed away recently What about your mom She died a few years ago Suddenly That s when we found out Dad had Alzheimer s So you were his caregiver after that Are your brother and sister still living Yes I m closer to my sis than to my brother My guess is the ghosts are leftover emotional energy from intense experiences in the house I gather they re not doing everyday tasks like peeling apples and mopping floors Mostly not But even the everyday normal things they do feel intense She nodded I can see why What else did your friend say The one who called them visions That it was a form of teaching That they d go away once I learned what I needed to Joy Anne L. roller skating rink Though black herself she spent her first years in a Basque immigrant community in Nevada the adopted child of a single mother And after the mother s death she was raised by her Aunt Joy in a Catholic Worker house Mirai has a lot going for her but then why is everything suddenly falling apart Her current year long carousel project is veering crazily out of control in both schedule and budget The guy who dumped her only months before has shown up married and as far as Mirai is concerned to the worst possible person Her mother s death long ago is looking less and less like an accident And Joy the one person who has had her complete trust may know more about that death than she has let Mirai believe Mirai knows how to restore a carousel but can she restore relationships with those she loves Can she strip the old paint of past wrongs to prepare her life for new more vibrant colors And will her eyes be clear enough to spot the brass ring when it finally comes within reach

Next morning I picked out Will s car parked on the street in front of the coffee shop No room for doubt Will had a real screamer of a car an old red Mustang convertible Not that he described it that way His version started off with 1964 1 2 for the model year and poppy red for the color then veered into details about the color of certain key engine parts at which point I had always zoned out so far I didn t hear the rest of the speech There it sat parked at the curb in Peregrine Falls Idaho already collecting a few admirers Not even counting the vanity plate ORGAN4U the car had so much of Will s personality attached to it I felt mildly nauseated As an alternative to kicking a fender I slammed into the coffee shop Whoa Mirai Remember us The crew had gathered at the only big table in the Clearwater Cafe I d been so wrapped up in my own problems I hadn t even seen them They were all there Evangeline Harvey Mr Papadakis And Will Neither fight nor flight was practical I sat down at the table The waitress hurried to me with a coffeepot and mug I ordered the special and sipped my coffee Clearwater was certainly the word for that coffee they must have named the restaurant after it I glanced around the table skipping over Will Mr Papadakis caught my eye What s the agenda he asked We ll go to the park as soon as we re done here Check out the carousel then have lunch with the committee We have to give the owners a preliminary report tomorrow morning Evangeline smiled How long are you staying she asked me All week You I ll stay awhile I may want to work on things in place In Evangeline s case awhile could mean several months She had an answering service but no permanent address At the moment I envied her It was Will s turn so I had to look toward him then He sat quietly holding a coffee cup Will had never worn jewelry but now a ring glinted on his finger A plain gold ring on the fourth finger of his left hand A wedding ring
