Can you tell the difference between a Canadian and an American? A Canadian and an Englishman? If so, how? Linguistically speaking, is Canada a colony of Britain or a satellite of the United States? Is there a Canadian language? *Speaking Canadian English* first published in 1971 in a non-technical way describes English as it is spoken in Canada: its vocabulary, pronunciation, syntax, grammar, spelling, slang. This title comments on the history of Canadian English, how it came to sound the way it does, and attempts to predict what will happen to it in the future.
