**The British National Bibliography** Arthur James Wells,2002      Different Childhoods Lindsay O'Dell,Charlotte Brownlow,Hanna Bertilsdotter-Rosqvist,2017-10-10 Different Childhoods Non Normative Development and Transgressive Trajectories opens up new avenues for exploring children s development as contextual provisional and locally produced rather than a unitary universal and consistent process This edited collection frames a critical exploration of the trajectory against which children are seen to be different within three key themes deconstructing developmental tasks locating development and the limits of childhood Examining the particular kinds of transgressive development contributors discuss instances of difference including migration work assumptions of vulnerability trans childhoods friendships and involvement in crime Including both empirical and theoretical discussions the book builds on existing debates as part of the interrogation of different childhoods This book provides essential reading for students wishing to explore notions of development while also being of interest to both academics and practitioners working across a broad area of disciplines such as developmental psychology sociology childhood studies and critical criminology

**Not Under My Roof** Amy T. Schalet,2024-05-31 Winner of the Healthy Teen Network s Carol Mendez Cassell Award for Excellence in Sexuality Education and the American Sociological Association s Children and Youth Section s 2012 Distinguished Scholarly Research Award For American parents teenage sex is something to be feared and forbidden most would never consider allowing their children to have sex at home and sex is a frequent source of family conflict In the Netherlands where teenage pregnancies are far less frequent than in the United States parents aim above all for family cohesiveness often permitting young couples to sleep together and providing them with contraceptives Drawing on extensive interviews with parents and teens Not Under My Roof offers an unprecedented intimate account of the different ways that girls and boys in both countries negotiate love lust and growing up Tracing the roots of the parents divergent attitudes Amy T Schalet reveals how they grow out of their respective conceptions of the self relationships gender autonomy and authority She provides a probing analysis of the way family culture shapes not just sex but also alcohol consumption and parent teen relationships Avoiding caricatures of permissive Europeans and puritanical Americans Schalet shows that the Dutch require self control from teens and parents while Americans guide their children toward autonomous adulthood at the expense of the family bond

Free-Range Kids, How to Raise Safe, Self-Reliant Children (Without Going Nuts with Worry) Lenore Skenazy,2010-04-19 FREE RANGE KIDS has become a national movement sparked by the incredible response to Lenore

Skenazy's piece about allowing her 9 year old ride the subway alone in NYC Parent groups argued about it bloggers blogged spouses became uncivil with each other and the media jumped all over it A lot of parents today Skenazy says see no difference between letting their kids walk to school and letting them walk through a firing range Any risk is seen as too much risk But if you try to prevent every possible danger or difficult in your child's everyday life that child never gets a chance to grow up We parents have to realize that the greatest risk of all just might be trying to raise a child who never encounters choice or independence

*Friends Forever* Fred Frankel,2010-08-02 A systematic plan for parents to help their kids acquire and sustain friendships Every parent hopes their child will develop healthy and happy friendships However most parents don't know what to do that will encourage their child to be a friend and attract friends The author offers clear cut friendship making guidelines for parents and their children Some of the book's recommendations include don't over schedule a child's time guide children to participate in friend attracting activities seek out friends in the neighborhood The author includes methods for dealing with bullying and inappropriate friendships Offers clear guidance for helping children become a good friend and attract lasting friendships for life Shows how to teach kids the social and emotional intelligence skills they need to form friendships such as listening empathy compassion recreational conversation The book also includes techniques for teaching kids how to use MySpace Facebook and Twitter in positive ways that will foster friendships
