Dwight Pentecost The words the miracles and overarching message of the Messiah come alive in flowing and detailed chronology set against the cultural political and religious setting of his day The Words and Works of Jesus Christ will give you a new and deeply biblical understanding of Why Jesus came How he operated What he accomplished Above all you ll acquire a deeper appreciation for the love that guided his path beginning in a manger in Bethlehem leading through three and a half years of ministry that ended abruptly at the cross on Golgotha and blazing forth in eternal triumph at the resurrection Drawing liberally on the works of others who have written about Christ such as Alfred Edersheim J W Shepherd W Graham Scroggie and Frederick Faraar Dr Pentecost reveals in his own writing a familiarity with the subject that comes from years of teaching Yet he writes not as one who knows all there is to know about Christ but with the restraint of one who knows that Jesus is to be worshiped and adored as the great King and that no book can do more than begin to tell all the wonders of his being and his love Journey with him on this study of the life of Christ Jesus According to St. Mark. Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
