Grounded in the Faith Ken Erisman, 2013-07-15 The greatest challenge for the twenty first century church is the lack of catechesis training in biblical and doctrinal knowledge As J I Packer states where wise catechesis has flourished the church has flourished and where it has been neglected the church has floundered It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it *Grounded in the Faith* takes up that challenge with twenty four low prep in depth sessions that will ground believers in the basics of their faith This new innovative guide is a transformational disciple making tool that leaders can immediately use to activate discipleship in the church It presents individuals small groups and Sunday school classes with a cohesive understanding of historic sound biblical theology that serves as a catalyst for deeper intimacy with Christ It is a user friendly guide to growth in the Christian faith that covers important topics such as justification overcoming temptation sanctification evidence for the inspiration of the Bible the value of prayer the guidance of God the Trinity the uniqueness of Christ and the attributes of God

Why Does God Allow Evil? Clay Jones, 2017-08-01 If you are looking for one book to make sense of the problem of evil this book is for you Sean McDowell *Grasping This Truth Will Change Your View of God Forever* If God is good and all powerful why doesn't He put a stop to the evil in this world Christians and non Christians alike struggle with the concept of a loving God who allows widespread suffering in this life and never ending punishment in hell We wrestle with questions such as Why do bad things happen to good people Why should we have to pay for Adam's sin How can eternal judgment be fair But what if the real problem doesn't start with God but with us Clay Jones a professor of Christian apologetics at Biola University examines what Scripture truly says about the nature of evil and why God allows it Along the way he'll help you discover the contrasting abundance of God's grace the overwhelming joy of heaven and the extraordinary destiny of believers

Satan and the Problem of Evil Gregory A. Boyd, 2025-08-04 Where does evil come from If there is a sovereign creator God as Christian faith holds is this God ultimately responsible for evil Does God's sovereignty mean that God causes each instance of sin and suffering How do Satan his demons and hell fit into God's providential oversight of all creation and history How does God interact with human intention and action If people act freely does God know in particular every human decision before the choice is made In this important book Gregory A Boyd mounts a thorough response to these ages old questions which remain both crucial and contentious both practical and complex In this work Boyd defends his scripturally grounded trinitarian warfare theodicy presented in *God at War* with rigorous philosophical reflection and insights from human experience and scientific discovery Critiquing the classical Calvinist solution to the problem of evil he advocates an alternative understanding of the sovereignty of the trinitarian God and of the reality of Satan

that sheds light on our fallen human condition While all may not agree with Boyd's conclusions Satan and the Problem of Evil promises to advance the church's discussion of these critical issues **God's Amazing Grace, Loving Mercy & Abiding Peace** Mark E. Oh, 2012 The purpose of my autobiography is to give my heart felt thanks to the Lord for what He has done for me for the past 60 years beginning from 1950 when I became a Christian during the war of Pohang in the boundary of life and death to 2010 when I officially closed the Lord's ministry as pastor of International Bible Church in Los Angeles The desire of writing this book is totally on my own for neither did the Lord ever ask me to write this book nor did He ever need this book to be written When a person receives God's amazing grace loving mercy and abiding peace in him is welling up a spring of water of thanksgiving from his inner heart without ceasing until he shares its amazing grace and loving mercy and abiding peace with others This is just what I have done in this book I am giving the Lord my heart felt thanksgiving for the 20 miracles that have happened to me for the past 60 years without which I wouldn't be here today To God be the glory and honor forever Amen Mark E Oh PhD DMin is a graduate of Keimyung University Korea San Francisco Theological Seminary New Orleans Baptist Theological Seminary Western Seminary California Graduate School of Theology and Fuller Theological Seminary Married to the former Rosemary McGuire in 1965 They have two sons and four grand children is the Founder Pastor of International Bible Church in Los Angeles 1972 2010 for more than 38 years Served as First President of Christ Bible College 2002 2009 Retired from active ministry in 2009 Serves as pastor emeritus since 2010 *Why I Am Not a Calvinist* Jerry L. Walls, Joseph R. Dongell, 2004-03-26 Paying particular attention to the issue of God's sovereignty Jerry L Walls and Joseph R Dongell critique biblical and theological weaknesses of Calvinist thought NCV, Dad's Bible Robert Wolgemuth, 2007-04-29 You can be a great Dad Find instruction and encouragement The Dad's Bible is filled with challenging and helpful information designed to encourage and uplift fathers whose lives will be a priceless legacy for generations to come Lessons and other Features include Walking in authority Godly character Passing it on Dads in the bible Building your children Question and answer resources topical index Type Size point 8.5 This is the perfect gift and resource for all ages of dads **Across the Spectrum** Gregory A. Boyd, Paul Rhodes Eddy, 2009-09 This accessible yet comprehensive primer explores the breadth of viewpoints on major issues in evangelical theology by examining positions taken by evangelicals on seventeen seminal issues The second edition retains the helpful features of the first edition and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism Praise for the first edition The authors do what no book on the market does In one volume they faithfully present divergent views on the crucial issues that divide evangelicals and they do so in an unbiased succinct and lively manner This book is perfect as a supplemental text in an introductory theology course or as a manual for church study groups It will help everyone arrive at his or her own conclusions within the parameters of the evangelical tradition Dennis Okholm Azusa Pacific University Across the Spectrum succeeds with distinction in at least two respects First it represents a very useful tool for those who wish to begin grappling with different

approaches to difficult theological problems The book will be most helpful to beginning students in evangelical theology the target audience Second the work presents various perspectives in fair and unbiased tones If used with care it will repeatedly reward the reader with its fair and even treatment of different theological views Nathan D Holsteen Bibliotheca Sacra I've been waiting for this book for some time Due to its brief nontechnical format it can be used in a variety of ways in undergraduate theology courses Although a concise volume it succinctly outlines multiple arguments both pro and con for incredibly over two dozen issues in disputed largely non fundamental areas of doctrine The professor can present positions in favor of particular views or leave the issues open It's settled I'm requiring it Gary R Habermas Liberty University A collective sigh of relief will arise from the evangelical student body when it discovers this book It helpfully and critically surveys the many legitimate evangelical theological options and convincingly demonstrates that there is no single authentically evangelical viewpoint on a wide range of controversial issues It constitutes a small library between two covers Roger E Olson George W Truett Theological Seminary Baylor University In the Presence of God R. Tornado God Peter J. Thuesen, 2020 One of the earliest sources of humanity's religious impulse was severe weather which ancient peoples attributed to the wrath of storm gods Enlightenment thinkers derided such beliefs as superstition but in America scientific and theological hubris came face to face with the tornado nature's most violent windstorm In this groundbreaking history Peter J Thuesen traces the primal connections between weather and religion in the United States He shows that tornadoes and other storms have repeatedly drawn Americans into the profoundest of religious mysteries and confronted them with the question of their own destiny how much is self determined and how much is beyond human understanding or control NIV, Dad's Devotional Bible Robert Wolgemuth, 2015-04-21 If you're a dad it's your dream to leave your children a rich inheritance And regardless of your financial situation you can The NIV Dad's Devotional Bible is filled with challenging and helpful information to help you be a man who honors God lives faithfully and loves his family a man whose life will be a priceless legacy for generations to come A tall order Sure But with God's help you can do it With 260 down to earth devotions one for every day of the work week the NIV Dad's Devotional Bible will help you find the tools you need to be a fully equipped God honoring father 9.6 point type size A Church Wide Enough for Everyone Steven H. Propp, 2018-02-03 Robert Schaeffer and Douglas West are best friends living in Oklahoma in 1963 when they discover that

they both sense a calling to become ministers in a mainline Christian denomination But from seminary and their early years in ministry to their golden years looking back on what it takes to lead a congregation a stimulating sometimes puzzling yet often inspirational world of theological controversies and congregational concerns would unfold for these two men of God A Church Wide Enough for Everyone follows these two men on their journey to demonstrate the continuing relevance of the Christian faith in a postmodern world After moving to Berkeley California to attend college and seminary they have little time to ponder the vast social changes taking place before they immediately enter into intensive critical study of the Bible and Christian theology And as Robert is then thrust into the ordained ministry with his wife Faye both men must in their own ways face the political cultural and ideological pressures of each passing decade responding to challenges from both within the church and from outsiders Are mainline churches and Christian theology dead Or might they be revitalized in the current century A Church Wide Enough for Everyone and the inspired journeys of two ministers offers a window into how this revitalization and new understanding is possible
