*The Irish Novel* James M. Cahalan, 1988      **A History of the Irish Novel** Derek Hand, 2011-03-10 Derek Hand's *A History of the Irish Novel* is a major work of criticism on some of the greatest and most globally recognisable writers of the novel form. Writers such as Laurence Sterne, James Joyce, Elizabeth Bowen, Samuel Beckett and John McGahern have demonstrated the extraordinary intellectual range, thematic complexity and stylistic innovation of Irish fiction. Derek Hand provides a remarkably detailed picture of the Irish novel's emergence in the seventeenth and eighteenth centuries. He shows the story of the genre is the story of Ireland's troubled relationship to modernisation. The first critical synthesis of the Irish novel from the seventeenth century to the present day, this is a major book for the field and the first to thematically, theoretically and contextually chart its development. It is an essential, entertaining and highly original guide to the history of the Irish novel.

*The Oxford History of the Novel in English* Simon Gikandi, 2016-10-03 *The Novel in Africa and the Caribbean since 1950* examines the institutional and social peculiarities that make fiction produced in Africa and the Atlantic World since 1950 important to the history of the novel in English.

**Irish Literature** Mary Ketsin, 2004 Irish literature's roots have been traced to the 7th-9th century. This is a rich and hardy literature starting with descriptions of the brave deeds of kings, saints and other heroes. These were followed by generous veins of religious, historical, genealogical, scientific and other works. The development of prose, poetry and drama raced along with the times. Modern well-known Irish writers include William Yeats, James Joyce, Sean Casey, George Bernard Shaw, Oscar Wilde, John Synge and Samuel Beckett.

**A Reader's Guide to the Twentieth-century Novel in Britain** Randall Stevenson, 1993-01-01 The novel is the major literary phenomenon of the twentieth century and its development in Britain since 1900 has reflected the tumultuous changes that have characterized modern society. Randall Stevenson now presents an accessible and authoritative guide to the work of the century's leading novelists as well as many of its lesser-known writers. In this stimulating and wide-ranging account, Stevenson locates the work of individual writers from Conrad to Jeanette Winterson within an evolving literary history and the wider context of social, political and cultural change. Included are British writers working in exile and writers with origins elsewhere such as James and Rushdie who have chosen to work in Britain. Women novelists are accorded their rightful prominence. This clear and lively survey deals with a broad range of movements including modernism and postmodernism as well as the influence of other world literatures and the impact of two world wars. An ideal text, this is a guide in the best sense: concise and lucid, well-informed and perceptive. Readers new to the field will appreciate Stevenson's clear direction while the experienced will be delighted by newly revealed connections and fresh perspectives.
