**Professor Geoffrey Harcourt**

## **The Irrelevance Of Conventional Economics:**

The Irrelevance of Conventional Economics Thomas Balogh,1982      Economics Hugh Stretton,1999-10-20 Exactly what is needed for the thoughtful student It introduces the different skills required in economics G C Harcourt Cambridge University      **Classics in Institutional Economics, Part II, Volume 10** Warren J Samuels,Malcolm

Rutherford,2024-11-01 By the time of the interwar years the varied approaches often grouped together under the banner of Institutionalism had become firmly established as one of the most influential schools of thought in American economics This is a collection of writings on the topic      On Political Economists and Political Economy Professor Geoffrey Harcourt,2013-10-08 Included in this volume are papers which are recognized as some of the foundations of post Keynesian Economics analysing problems set in historical time and starting from real world observations The book reflects Geoff Harcourt s contribution to economic debate over more than three decades It also includes intellectual biographies of some of the most prominent and leading unorthodox economists such as Kenneth Boulding Eric Russell and Lorie Tarshis

**Economic Globalisation as Religious War** Michael McKinley,2007-06-28 Using a critical theory approach to analyze the globalization of the world economy this provocative and topical new book presents economic globalization not as a recent development but rather as a familiar process that has occurred throughout history Michael McKinley argues that it is ultimately a self serving arbitrary and destructive imperial project that should be viewed as a religious war

Reconstructing Political Economy William K. Tabb,2002-01-22 This volume offers an original perspective on the questions the great economists have asked and looks at their significance for today's world Written in a provocative and accessible style it examines how the diverse traditions of political economy have conceptualised economic issues events and theory Going beyond the orthodoxies of mainstream economics it shows the relevance of political economy to the debates on the economic meaning of our times Reconstructing Political Economy is a timely and thought provoking contribution to a political economy for our time In this light it offers fresh insights into such issues as modern theories of growth the historic relations between state and market and the significance of globalisation for modern societies      Selected Essays on Economic Policy G. Harcourt,2001-01-26 This volume contains classic essays on economic policy written by one of its great exponents The opening essay traces the author s evolving structures of thought about economics and the policy proposals that came from them over this period Section 2 contains essays which set the background to the policy recommendations In section 3 the role of investment incentives is analysed Section 4 is concerned with the influence of accounting conventions on private decision making and government policy in both capitalist and planned economies Section 5 contains a number of package deals all designed to fit within the constraint of the philosophy of governments in power The last section general essays ranges from a scheme for the payment of prisoners to the celebration of the views on policy of great economists from Colin Clark through Nicky Kaldor to John Cornwall      **Communism and Nationalism** Roman Szporluk,1991 This study examines

the relationship between the two dominant ideologies which emerged in the 19th century Karl Marx's communism and Friedrich List's theory of nationalism List was the first economist to be studied seriously by Marx Three years before publication of the Communist Manifesto Karl Marx began work on a critique of a movement that was gaining popularity as a challenge to capitalism nationalism as put forth by the German economist Friedrich List Long regarded as a major cultural and political force in 19th century Europe nationalism was in fact to become directly involved in the conflict between capitalism and socialism offering an appealing alternative to capitalism's New World Order the doctrine of Free Trade and socialism's call for a worldwide unification of the workers against the bourgeoisie In this original new work Professor Szporluk offers a major reinterpretation of Marxism's historical development one that recognises nationalism as the third contender on the battlefield where Marxism met capitalism A bold new interpretation of Marx's intellectual biography showing how the history of Marx and Marxism is to a great extent the story of their confrontation with nationalism before 1848

*Capitalism, Inclusive Growth, and Social Protection* Hagen M. Krämer, Christian Proaño, Mark R. Setterfield, 2023-12-11 After more than four decades of real income stagnation ever increasing inequality and household financial distress this book explores how the very fabric of our society is under threat It argues that although capitalism is imperfect it can be improved and harnessing its forces of production to more suitable social relations of production is key to that improvement

**Class Politics in the Information Age** Donald Clark Hodges, 2000 Class Politics in the Information Age uncovers the origins development aims means and moral and political hypocrisy of the new class of professionals In line with a broad consensus that expertise has replaced capital as the decisive asset in the informational economy Hodges asserts that professionals have replaced capitalists as the premier exploiting class The dictatorship of the proletariat predicted by Marx is the United States a dictatorship of experts BOOK JACKET

*Understanding Economics* Harlan M. Smith, 2016-09-16 This accessible workbook has been developed to provide readers with a solid grounding in economic principles It offers a critical examination of 40 economic theorems and concepts such as wealth distribution supply and demand and finance and the contexts in which they should be understood

**Alfred Marshall** John Cunningham Wood, 1996 *Handbook of Peace, Prosperity, and Democracy* Stuart S. Nagel, 2002 Selection of essays studying the impact of policy on peace prosperity and democracy

**Evolutionary Macroeconomics (Routledge Revivals)** John Foster, 2013-02-01 First published in 1987 Evolutionary Macroeconomics offers an evolutionary approach to macroeconomics as an alternative to contemporary new classical and Keynesian macroeconomics In order to develop such an approach an alternative view of the micro foundations of macroeconomics is presented The book begins with a commentary on the state of macroeconomics and an evaluation of attempts to redevelop its underlying vision of economic behaviour Particular attention is paid to the treatment of expectations and anticipations The second part of the book presents a behavioural framework which is compatible with an evolutionary perspective on economic behaviour The third part of the book discusses the implications of adopting an

evolutionary approach to macroeconomic theory empirical methods and policy design culminating in a specific policy proposal to cure stagflation

**The Political Economy of Information** Vincent Mosco, Janet Wasko, 1988 The information society is real Information as a marketable commodity is quickly taking up the powerful role once held by heavy industry and manufactured products How this revolution is affecting society and how society and government are responding to it is the subject of this book Its lessons and conclusions are of critical importance as we enter the last decade of this century Every dimension of social life whether in the home or the workplace is affected by information and the technologies that give it market value Along with the positive aspects of these broad changes there are inevitable problems the growing gap between the information rich and information poor the need for widespread access to communication and information technology the threat to individual privacy and the potential of the technology to create global instabilities The editors have enlisted specialists and scholars in business communications studies computing and information science economics law library science political science and sociology to examine these changes and problems by looking at information specifically as a commodity to be traded protected and desired

**Colonial Trade and International Exchange** Richard Anthony Johns, 2013-11-07 International trade theory implicitly assumes that countries participating in external trade each have sovereign status Its failure to recognise the pervasive importance of colonial trade as an intermediate stage of external trade development interposed between autarky and international trade narrowly defined creates a serious gap In its explanatory structure and direct applicability Anthony John s book is an attempt to examine the properties of colonial resource management on the process of territorial specialisation He considers the implications of such foreign involvement for the trade patterns which may ensue after political independence when formal international trade entry is effected

**The Emergent Firm** Neil M. Kay, 1984-08-09 *Post-Keynesian Essays from Down Under Volume IV: Essays on Theory* G. Harcourt, Peter Kriesler, Joseph Halevi, John Nevile, 2019-03-15 Joseph Halevi G C Harcourt Peter Kriesler and J W Nevile bring together a collection of their most influential papers on post Keynesian thought Their work stresses the importance of the underlying institutional framework of the economy as a historical process and therefore of path determinacy In addition their essays suggest the ultimate goal of economics is as a tool to inform policy and make the world a better place with better being defined by an overriding concern with social justice Volume IV explores theory

**David Ricardo** John Cunningham Wood, 1994 These volumes complete the project of the earlier assessments by making available the many major articles which have appeared subsequently including the different re interpretations by Piero Sraffa Paul Samuelson and Samuel Hollander

**The Making of a Post-Keynesian Economist** G. Harcourt, 2012-05-29 The Making of a Post Keynesian Economist Cambridge Harvest gathers up the threads of the last decade of the author s twenty eight years in Cambridge before his return to Australia The essays include autobiography theory review articles surveys policy intellectual biographies and tributes and general essays
