The Irving Berlin Reader Benjamin Sears, 2012-04-06 Without any formal training in music composition Irving Berlin took a knack for music and turned it into the most successful songwriting career in American history Berlin was the first Tin Pan Alley songwriter to go uptown to Broadway with a complete musical score Watch Your Step in 1914 he is the only songwriter to build a theater exclusively for his own work The Music Box and his name appears above the title of his Broadway shows and Hollywood films Irving Berlin's Holiday Inn still a rare honor for songwriters Berlin is also notable due

the length of his career in American Song he sold his first song at the age of 18 and passed away at the age of 101 having outlived several of his own copyrights Throughout his career Berlin showed that a popular song need not be of a lesser quality than songs informed by the principles of classical music composition Forty years after his last published song many of his songs remain popular and several have even entered folk song status something no other 20th century American songwriter can claim As one of the most seminal figures of twentieth century both in the world of music and in American culture more generally and as one of the rare songwriters equally successful with popular songs Broadway shows and Hollywood scores Irving Berlin is the subject of an enormous corpus of writing scattered throughout countless publications and archives A noted performer and interpreter of Berlin's works Benjamin Sears has unprecedented familiarity with these sources and brings together in this Reader a broad range of the most insightful primary and secondary materials Grouped together according to the chronology of Berlin's life and work each section and article features a critical introduction to orient the reader and contextualize the materials within the framework of American musical history Taken as a whole the writings many by Berlin himself provide a new perspective on Berlin that highlights his musical genius in the context of his artistic development

Moss Hart Jared Brown, 2006 He's a legend of The Great White Way whose very name is synonymous with the Golden Age of Broadway Moss Hart In Moss Hart A Prince of the Theater biographer Jared Brown offers a meticulously researched sensitive look at the life and work of a major American artist More than just an assessment of Hart's career this is a personal portrait as well Despite his enormous success in both theatre and film Hart spent all of his adult life in psychoanalysis attempting to come to grips with a crushing depression He was rumored to be bisexual and this book examines the evidence for that claim When he married in his forties he and his wife the actress

singer Kitty Carlisle were said by Hart's friend and collaborator Alan Jay Lerner to be not only an ideal couple but the ideal couple. This is the first biography to be written with the full cooperation of Hart's family and friends. Author Jared Brown had access to documents such as Hart's diary previously unavailable to biographers and conducted lengthy interviews with Hart's wife and children as well as with some of the most prominent performers he worked with such as Julie Andrews, Gregory Peck, Eddie Albert, and Roubert Goulet. This long-awaited biography featuring dozens of never before published photographs is truly the definitive picture of an extraordinary man and a theatrical giant.

[Blumenfeld's Dictionary of Musical Theater](#) Robert Blumenfeld, 2010-03

Have you heard of the first American musical, *The Black Crook*, which opened in 1866 and had fifteen revivals? Its chorus of ladies in pink tights was a sensation. Do you know Oscar Straus' hilarious parody of Wagner's Ring cycle, *Die lustigen Nibelungen* (The Merry Nibelungs)? Do you know who the Ricci brothers, the Piccinni family, Edmond Audran, David Brahama, or François Joseph Gossec were? Look them up in this remarkable, thoroughly researched, lively book. Packed with nuggets of useful and fascinating information, with nearly 1,800 entries, this is a must-have research tool and handy reference for the theater and music lover, student, teacher, professional singer, director, and producer. Meant as a supplement and companion to Blumenfeld's *Dictionary of Acting and Show Business* (Limelight, 2009), this unique dictionary is chock-full of information about all the various genres of musical theater: thumbnail plot summaries of many well-known and some more obscure works; thumbnail biographies of composers and writers; and dance, theatrical, and

music terminology Historical terms and foreign terms with pronunciations are included along with information on available recordings of many obscure pieces Convenient lists of the works of Verdi Puccini Wagner Gilbert and Sullivan Sondheim Rodgers and Hammerstein and many others are provided     The Big Book of Pointless Knowledge Kathleen Olson,2023-10-24 Did you know that 50 percent of American high school students think Sodom and Gomorrah were married How about that in London England it is illegal to drive a car without sitting in the front seat And then there is Howdy Doody s resident Native American Chief Thunderthud who belonged to the Ooragnak tribe Ooragnak is kangaroo spelled backward These and thousands of other gems are included in this book It s a book to strictly have fun with and cram your brain with pointless knowledge You ll be surprised how often you ll quote it     *Music Journal* ,1961     Our Dumb Century Scott Dikkers,2007 The staff of The Onion presents a satirical collection of mock headlines and news stories including an account of the Pentagon s development of an A bomb resistant desk for schoolchildren     **The United States in World War II** G. Kurt Piehler,2012-11-28 This reader brings together 78 primary documents that capture the diversity of experiences of Americans who lived through World War II from presidents and generals to war workers and GIs Illustrates the political diplomatic and military history of the conflict including well known documents such as the Atlantic Charter and Franklin Roosevelt s Congressional address requesting a declaration of war against Japan Highlights the far reaching economic social and cultural changes caused by the war such as the struggles to find day care for the children of women war workers and the experiences returning veterans Includes an introduction document headnotes and questions at the end of each chapter designed to encourage students to engage with the material critically     **God Bless America** Kathleen E.R. Smith,2021-10-21 After Pearl Harbor Tin Pan Alley songwriters rushed to write the Great American War Song an Over There for World War II The most popular songs however continued to be romantic ballads escapist tunes or novelty songs To remedy the situation the federal government created the National Wartime Music Committee an advisory group of the Office of War Information OWI which outlined proper war songs along with tips on how and what to write The music business also formed its own Music War Committee to promote war songs Neither group succeeded The OWI hoped that Tin Pan Alley could be converted from manufacturing love songs to manufacturing war songs just as automobile plants had retooled to assemble planes and tanks But the OWI failed to comprehend the large extent by which the war effort would be defined by advertisers and merchandisers Selling merchandise was the first priority of Tin Pan Alley and the OWI never swayed them from this course Kathleen E R Smith concludes the government s fears of faltering morale did not materialize Americans did not need such war songs as Goodbye Mama I m Off To Yokohama There Are No Wings On a Foxhole or even The Sun Will Soon Be Setting On The Land Of The Rising Sun to convince them to support the war The crusade for a proper war song was misguided from the beginning and the music business then and now continues to make huge profits selling love not war songs     *America's Film Legacy* Daniel Eagan,2010-01-01 Collection of the five hundred films that have been selected to

date for preservation by the National Film Preservation Board and are thereby listed in the National Film Registry
