purpose for them It is the old story of the struggle between good and evil and how the Sky Raiders came into being **The Island of Lost Dolls** Eric Scott,2013-11-20 Kellie had a dragon living the paddock at the back of her house She also had trolls but she didn't know about them yet The dragon hadn't been there very long and it had never spoken It hadn't breathed fire nor roared a scary roar But that was because it was made from wood When a large tree branch dried out it looked a lot like a dragon with a long forked tail four wriggly limbs protruding from a thick body and a large mouth where the branch had separated from the tree It looked fearsome enough but when Kellie and her Dad had finished with the paint tins it looked even scarier Kellie called it David the Snake Dragon In this fast moving and exciting book for early readers which is also designed for parents to read to their children Kellie and Gregory discover that their favourite toys have been stolen and David comes to life He takes the children to the Island of Lost Dolls a place where lost dolls used to live happily ever after but when a wicked doll declares herself queen she make all the dolls her slaves Kellie Gregory and David with the help of the mysterious Regina must fight to save not only their own toys but all the others too *The Dragons of Tarnack Heath* Buckmaster,2008-08-22 Carrina and Flame were arguing in the library Flame wanted to set up the portal near the fireplace so it would appear as though the visitors had just stepped out of the flame He thought it would make for great humour since his name was Flame Carrina however was trying to be more practical Darling what would happen if they travelled here and accidentally stepped right into the fireplace Do we really want the inaugural visit of the King and Queen of Acadia to end with them going up into flames The prince knew she was right But think of the excitement Unfortunately that was the only thing he could think of as a response Carrina stared at him a moment then moved the tall wooden pedestal away from the fireplace and into a safer corner of the room There was nothing on the pedestal yet but in a matter of hours a worn leather diary with a bronzed star would be laying open on top of it Of course no one would actually be reading the book they would be paying attention to the travellers who would be stepping out from it Carrina was about to create a permanent magical portal to the Kingdom of Acadia She knew it was only a matter of time before she learned how to return and visit their dear friends Venus and Grimelda That time had come two months ago when the princess remembered the connection between The Venus Diary and Underbrook It was one of two physical items that had existed in both kingdoms the other being a large boat docked in a marina on the source lake Carrina thought it would probably be more convenient to use the diary instead of the boat if they needed to travel quickly After their first visit back to Acadia Carrina and Grimelda agreed to establish a permanent portal between the kingdoms That way they could visit each other any time they wanted and it would allow Carrina's parents the King and Queen of Underbrook to establish a new royal relationship Flame sat down on a comfortable sofa near the fireplace as Carrina pushed the podium around the room She spent nearly ten minutes shifting the wooden stand back and forth until finally Flame grew impatient Carrina The podium is fine They will be here soon and we still have more preparation to do Just put it in the corner and be done with it Carrina sighed in frustration then stopped moving the

podium and left the library She needed to get dressed in her royal gown and get back to the throne room before Venus and Grimelda arrived It was the first time her parents were going to meet the new King and Queen of Acadia They had been eager to meet them after Carrina and Flame told of their great adventure all because of a child s diary An alliance with another kingdom could be of great value to Underbrook so King Reginald was eager to meet King Venus Carrina and Flame rushed down from their room both of them wrapped in fine royal gowns made from heavy cotton and gold threading They joined the king and queen in the throne room and then the four of them walked silently into the royal library The room was a fitting place for the portal since they would be using a book to make the magic happen Carrina stepped forward to the podium and placed her hand on the smooth wood surface She spoke softly not in an actual language but more in a thought and a hum She was calling on her power to create a connection to the diary A vibration formed in the air around the podium as the portal linked with the diary In the centre of the vibration a tiny light formed bright and white slowly expanding into the room The princess stepped back and joined her family as they watched the light expand into the vibration Almost like a doorway the light opened up and King Venus and Queen Grimelda of Acadia stepped through The Dragons of Tarnack is included in the Special Edition Collection of all three stories in The Magical Adventures of Princess Carrina **The Island of Captain Sparrow** Sydney Fowler Wright,1928 *The Island of Captain Sparrow* S.
