**Efraim Karsh**

## **The Israeli Soldier Profile Of An Army:**

**The Israeli Soldier** Samuel Rolbant,1971 *The Decisiveness Of Israeli Small-Unit Leadership On The Golan Heights In The 1973 Yom Kippur War* Major Oakland McCulloch,2015-11-06 This study is an analysis of the decisiveness of Israeli small unit leadership on the Golan Heights during the 1973 Yom Kippur War What allowed the Israeli brigades on the Golan Heights to defeat an Arab coalition that launched a surprise attack with a force that vastly outnumbered the Israelis in men tanks and artillery The one advantage the Israelis had was the quality of leadership at the small unit level This study begins with a brief review of the strategic and operational situation in the Middle East in 1973 This includes background information on the Israeli and Arab forces facing each other on the Golan Heights and their plans for the defense and attack respectfully prior to the start of hostilities The majority of the thesis discussion is concerned with the actual battle on the Golan Heights It highlights the contributions that small unit leadership made during the battle that allowed the vastly outnumbered IDF to destroy a massive Soviet style Arab army This portion of the study also looks at the experiences of those Israeli leaders involved in the fighting The study then looks at leadership from the Israeli perspective I define what leadership is and why it is important at the small unit level I take a close look at how the Israeli Defense Force IDF picks and trains its leaders and what role the Israeli Military Culture plays in that process The conclusion of the thesis is that the IDF was able to fight and win even though surprised and vastly outnumbered due to the quality of leadership at the small unit level This lesson may prove to be important still today as the armies of the Western societies continue to get smaller even though they still face the threat of fighting the massive Soviet style armies of the Axis of Evil for decades to come **Israel and its Army** Stuart A. Cohen,2008-01-24 The Israel Defense Force IDF plays a key role in Israeli society and has traditionally been perceived not only as the guardian of national survival but also as a people s army responsible for the custody of national values This volume analyses the circumstances currently undermining these perceptions and explores both the changes occurring

*Israeli Society and Its Defense Establishment* Moshe Lissak,2013-10-31 First Published in 1984 In this volume the reader will find seven papers which deal with a broad spectrum of issues not necessarily confined to civil military relations in their more limited and narrow definition One will also find reference to the broader issues of the social economic and political impact of the protracted violent conflict on Israeli society The volume focuses more on the consequence of the actual management of the war rather than on the decision making process proper **Military, State, and Society in Israel**

DÄñniyyÄñ MamÄñn,Eyal Ben-Ari,Zeev Rosenhek, There have been many books on the place of war security or military service in Israeli society The Military State and Society in Israel makes contributions to the debate theoretical empirical and polemical that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies The Israeli case is important in the development of more macro approaches to the study of things military as war has played a central role in Israel s history and continues to do so The book encapsulates in a very explicit

manner tensions in the relationships between the military state and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military society and the state the armed forces and society school and the state making and war perspective Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation state the ethnic character of nationhood and statehood the role of the Jewish diaspora vis vis Israel the legitimacy of Jewish ethnic pluralism the meaning of the Holocaust privatization of social life and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing language health technology production dress and child rearing One important consequence of these internal conflicts and struggles has been a significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil military relations The Politics of Civil Military Relations concentrates on current changes in Israeli politics the character of the conflict with the Palestinians and the place of military in society The State and War Making Creating Citizens Soldiers and Men and Women indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities The Notion of National Security Institutions and Concepts raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel's existence are still relevant in a changing post cold war world The Armed Forces as Organization Continuity and Change focuses on the lines of continuity and trends of change in several aspects of the Israeli Defense Forces internal organizational structure Studies based on Israeli cases data and scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy This volume contributes to these areas of study and will be of central importance to professionals interested in civil military

**Reader's Guide to Military History** Charles Messenger, 2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations Military, State, and Society in Israel Eyal

Ben-Ari, 2018-04-17 There have been many books on the place of war security or military service in Israeli society The Military State and Society in Israel makes contributions to the debate theoretical empirical and polemical that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies The Israeli case is important in the development of more macro approaches to the study of things military as war has played a

central role in Israel's history and continues to do so. The book encapsulates in a very explicit manner tensions in the relationships between the military state and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military society and the state: the armed forces and society school and the state making and war perspective. Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation state: the ethnic character of nationhood and statehood, the role of the Jewish diaspora vis-à-vis Israel, the legitimacy of Jewish ethnic pluralism, the meaning of the Holocaust, privatization of social life and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing, language, health, technology, production, dress and child rearing. One important consequence of these internal conflicts and struggles has been a significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population. Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil-military relations. The Politics of Civil-Military Relations concentrates on current changes in Israeli politics, the character of the conflict with the Palestinians and the place of military in society. The State and War Making: Creating Citizens, Soldiers and Men and Women indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities. The Notion of National Security: Institutions and Concepts raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel's existence are still relevant in a changing post-cold war world. The Armed Forces as Organization: Continuity and Change focuses on the lines of continuity and trends of change in several aspects of the Israeli Defense Forces' internal organizational structure. Studies based on Israeli cases, data and scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy. This volume contributes to these areas of study and will be of central importance to professionals interested in civil-military.

**Crisis in Command** Richard A. Gabriel, Paul L. Savage, 1978. Crisis in Command, written in the aftermath of the Vietnam War, details the mismanagement of the US Army's leadership. Former soldiers Richard A. Gabriel and Paul L. Savage provide documented evidence that the military forces of the United States are ill-prepared for war, having been weakened by officer corps members who have abandoned honor and integrity to further their individual careers.

**Cohesion, the human element in combat** William Darryl Henderson, 1985. **Political and Military Sociology** Neovi M. Karakatsanis, 2017-07-05. This volume of Political and Military Sociology focuses on the perceptions and identities of those serving in the military, using survey or interview data to explore those perceptions. A range of military forces are examined, including those of the United States, Israel, Norway and Denmark. The first article, using survey data from Denmark, compares the views of Danish soldiers to civilians. The second article looks at the effects of military education upon the attitudes and values of soldiers. The third article explores Israeli

soldiers attitudes regarding formal military education The fourth article addresses the impact of Norwegian soldiers self identity on military performance In a different vein the survey results of the fifth article show that support for soldiers on active duty in Iraq and Afghanistan does not necessarily translate into support for veterans Military lawyers in the Israel Defense Forces are the subject of the sixth article This volume concludes with an article that argues that military service should be offered as a legal policy alternative to incarceration

**Handbook of Israel: Major Debates** Eliezer Ben-Rafael, Julius H. Schoeps, Yitzhak Sternberg, Olaf Glöckner, Anne Weberling, 2016-10-24 The Handbook of Israel Major Debates serves as an academic compendium for people interested in major discussions and controversies over Israel It provides innovative updated and informative knowledge on a range of acute debates Among other topics the handbook discusses post Zionism militarism democracy and religion in equality colonialism today s criticism of Israel Israel Diaspora relations and peace programs Outstanding scholars face each other with unadulterated divergent analyses These historical political and sociological texts from Israel and elsewhere make up a major reference book within academia and outside academia About seventy contributions grouped in thirteen thematic sections present controversial and provocative approaches reflecting from different angles on the present day challenges of the State of Israel Other Major Works by the Editors Eliezer Ben Rafael Is Israel One Religion Nationalism and Ethnicity Confounded Brill 2005 Ethnicity Religion and Class in Israel Cambridge University Press paperback 2007 Julius H Schoeps Begegnungen Menschen die meinen Lebensweg kreuzten Suhrkamp 2016 Pioneers of Zionism Hess Pinsker R If Messianism Settlement Policy and the Israeli Palestinian Conflict De Gruyter 2013 Yitshak Sternberg World Religions and Multiculturalism A Relational Dialectic Brill 2010 Transnationalism Brill 2009 Olaf Glöckner Being Jewish in 21st Century Germany De Gruyter 2015 with Haim Fireberg Deutschland die Juden und der Staat Israel Olms 2016 with Julius H Schoeps

**Practical Soldiers: Israel's Military Thought and Its Formative Factors** Avi Kober, 2015-11-16 This book suggests a general framework for the analysis of formative factors in military thought and offers an account of the Israel Defense Force s state of intellectualism and modernity This account is followed by an attempt to trace the factors that have shaped Israeli military thought The explanations are a mixture of realist and non realist factors which can be found at both the systemic and the state level of analysis At the systemic level realist evaluations focus on factors such as the dominance of the technological dimension and the pervasiveness of asymmetrical low intensity conflict whereas at the state level one can find realist explanations cultural factors and societal influences Moral and legal constraints also factor into both the systemic and state levels

**A Companion to Women's Military History**, 2012-08-17 Military institutions have everywhere and always shaped the course of history but women s near universal participation in them has largely gone unnoticed This volume addresses the changing relationships between women and armed forces from antiquity to the present The eight chapters in Part I present broad scholarly reviews of the existing literature to provide a clear understanding of where we stand An extended picture essay documents visually women s

military work since the sixteenth century The book s second part comprises eight exemplary articles more narrowly focused than the survey articles but illustrating some of their major themes Military history will benefit from acknowledging women s participation as will women s history from recognizing military institutions as major factors in molding women s lives Contributors include Jorit Wintjes Mary Elizabeth Ailes John A Lynn Barton C Hacker Kimberly Jensen Margaret Vining D Ann M Campbell Carol B Stevens Jan Noel Elizabeth Prelinger Donna Alvah Karen Hagemann Yehudit Kol Inbar Dorotea Gucciardo and Megan Howatt and Judith Hicks Stiehm Professional Journal of the United States Army ,1991 *Scroll Or the Sword* ? Cohen,2014-01-02 First Published in 1997 The title of this book is derived from an ancient Jewish teaching attributed to a certain Rabbi Eleazar of Modi in who lived in the land of Israel during the third century of the common era As far as we know Rabbi Eleazar was the first sage to take homiletic advantage of the alliteration of safra and saifa Aramaic terms which literally translate respectively as a scroll and a sword A plain reading of this text leaves no doubt that its author intended to project a figurative contrast between two distinct spheres of human endeavour **Towards a new portrait of a (new) Israeli soldier** Stuart Cohen,1997 *Israeli Counter-Insurgency and the Intifadas* Sergio Catignani,2008-01-24 This volume analyzes the conduct of the Israel Defence Forces IDF counter insurgency operations during the two major Palestinian uprisings 1987 1993 and 2000 2005 in the Territories of the West Bank and Gaza Strip It employs primary and secondary resources to produce a comprehensive analysis on whether or not the IDF has been able to adapt its conventional conduct of warfare to the realities of the Israeli Palestinian low intensity conflict and achieve any sort of victory over the Palestinian insurgents Sergio Catignani provides new insights into how conventional armies struggle with contemporary insurgency by looking in particular at the strategic operational tactical and ethical dilemmas of the IDF over the last two decades By examining the way in which the IDF and the Israeli security doctrine were formed and developed over time he explores the extent to which Israeli security assumptions civil military relations the organizational culture command and control structure and conduct of the IDF have affected its adaptation to the contemporary Israeli Palestinian low intensity conflict Israeli Counter Insurgency and the Intifadas will be of much interest to students of low intensity conflict and counter insurgency the Israeli army the Middle Eastern conflict and strategic studies in general **From Rabin to Netanyahu** Efraim Karsh,2013-11-05 Benjamin Netanyahu s 1996 election victory marked a major turnaround in his fortunes for only a few months earlier his political career had seemed finished This book examines what his victory means both domestically and internationally **The History of Officer Social Origins, Selection, Education and Training Since the Eighteenth Century** Elliott Vanveltner Converse,1996 **Plurality and Citizenship in Israel** Dan Avnon,Yotam Benziman,2009-12-17 This book focuses on the Jewish Palestinian conflict within the state of Israel and the general issue of the role played by modern states in either mitigating majority minority conflict or exacerbating it A comparative study the chapters that concentrate on theoretical models and comparable historical legal or political patterns of development

## Whispering the Techniques of Language: An Mental Journey through **The Israeli Soldier Profile Of An Army**

In a digitally-driven earth where screens reign supreme and instant conversation drowns out the subtleties of language, the profound secrets and emotional nuances concealed within words often move unheard. ### **The Israeli Soldier Profile Of An Army Introduction**

In today's digital age, the availability of The Israeli Soldier Profile Of An Army books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Israeli Soldier Profile Of An Army books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Israeli Soldier Profile Of An Army books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Israeli Soldier Profile Of An Army versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Israeli Soldier Profile Of An Army books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Israeli Soldier Profile Of An Army books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Israeli Soldier Profile Of An Army books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Israeli Soldier Profile Of An Army books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Israeli Soldier Profile Of An Army books and manuals for download and embark on your journey of knowledge?

### **FAQs About The Israeli Soldier Profile Of An Army Books**

1. Where can I buy The Israeli Soldier Profile Of An Army books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
