Storming the Gates of Paradise Rebecca Solnit,2007-06-18 Rebecca Solnit has made a vocation of journeying into difficult territory and reporting back as an environmentalist antiglobalization activist and public intellectual *Storming the Gates of Paradise* an anthology of her essential essays from the past ten years takes the reader from the Pyrenees to the U S Mexican border from San Francisco to London from open sky to the deepest mines and from the antislavery struggles of two hundred years ago to today's street protests The nearly forty essays collected here comprise a unique guidebook to the American landscape after the millennium not just the deserts skies gardens and wilderness areas that have long made up Solnit's subject matter but the social landscape of democracy and repression of borders ruins and protests She ventures into territories as dark as prison and as sublime as a broad vista revealing beauty in the harshest landscape and political struggle in the most apparently serene view Her introduction sets the tone and the book's overarching themes as she describes Thoreau leaving the jail cell where he had been confined for refusing to pay war taxes and proceeding directly to his favorite huckleberry patch In this way she links pleasure to politics brilliantly demonstrating that the path to paradise has often run through prison These startling insights on current affairs politics culture and history always expressed in Solnit's pellucid and graceful prose constantly revise our views of the otherwise ordinary and familiar Illustrated throughout *Storming the Gates of Paradise* represents recent developments in Solnit's thinking and offers the reader a panoramic world view enriched by her characteristically provocative inspiring and hopeful observations

Monkey Bridge Lan Cao,1998-06-01 Hailed by critics and writers as powerful important fiction *Monkey Bridge* charts the unmapped territory of the Vietnamese American experience in the aftermath of war Like navigating a

monkey bridge a bridge built of spindly bamboo used by peasants for centuries the narrative traverses perilously between worlds past and present East and West in telling two interlocking stories one the Vietnamese version of the classic immigrant experience in America told by a young girl and the second a dark tale of betrayal political intrigue family secrets and revenge her mother s tale The haunting and beautiful terrain of Monkey Bridge is the luminous motion as it is called in Vietnamese myth and legend between generations encompassing Vietnamese lore history and dreams of the past as well as of the future With incredible lightness balance and elegance writes Isabel Allende Lan Cao crosses over an abyss of pain loss separation and exile connecting on one level the opposite realities of Vietnam and North America and on a deeper level the realities of the material world and the world of the spirits Quality Paperback Book Club Selection and New Voices Award nominee A Kiriya Pacific Rim Award Book Prize nominee *The Will of the Tribe* Arthur W. Upfield, 2020-06-01 It is in a harsh and eerie landscape the crater formed by the meteor they called The Stranger that another stranger is found dead In an area where the presence of every outsider is announced by the bush telegraph how had this man passed unreported Who was he How had he died No tracks around the crater and no stranger in town It soon becomes obvious to Bony that both the locals and the Aborigines are guarding a secret until the will of the Tribe breaks their silence This is undoubtedly Upfield s strongest book for a number of reasons 1 Bony is at his best in his detective work 2 Upfield is at his best in studying the social and cultural situations of the white and the Aborigines 3 though the physical setting is less intense than in some other works it is strong here 4 Upfield s symbolism especially in the use of the metaphor of clothes vs nakedness is extraordinarily complex There is no doubt that this particular book is a masterpiece in every way from *The Spirit of Australia* by Ray Browne Asia and the Americas , 1922
