The Jesuits And The Great Mogul:

The Jesuits and the Great Mogul Sir Edward Maclagan,1932 **The Jesuits and the Great Mogul** Edward Maclagan,2024-11-20 The Society of Jesuits was founded in Europe in 1539 Their first missionary to India was St Francis Xavier who arrived in India in 1542 Their first mission was established in India in 1580 This book is an account of the Jesuit Missions and their missionary activities in Mughal empire **The Jesuits and the Great Mogul** Edward Maclagan (Sir),1932 **The Jesuits and the Great Mogul** Edward Maclagan,1832 **South Asia** Donald Frederick Lach,Edwin J. Van Kley,1993 **The Jesuits** John W. O'Malley,Gauvin Alexander Bailey,Steven J. Harris,T. Frank Kennedy,2016-01-28 In recent years scholars in a range of disciplines have begun to re evaluate the history of the Society of Jesus Approaching the subject with new questions and methods they have reconsidered the importance of the Society in many sectors including those related to the sciences and the arts They have also looked at the Jesuits as emblematic of certain traits of early modern Europeans especially as those Europeans interacted with the Other in Asia and the Americas Originating in an international conference held at Boston College in 1997 the thirty five essays here reflect this new historiographical trend Focusing on the Old Society the Society before its suppression in 1773 by papal edict they examine the worldwide Jesuit undertaking in such fields as music art architecture devotional writing mathematics physics astronomy natural history public performance and education and they give special attention to the Jesuits interaction with non European cultures in North and South America China India and the Philippines A picture emerges not only of the individual Jesuit who might be missionary diplomat architect and playwright over the course of his life in the Society but also of the immense and many faceted Jesuit enterprise as forming a kind of cultural ecosystem The Jesuits of the Old Society liked to think they had a way of proceeding special to themselves The question Was there a Jesuit style a Jesuit corporate culture is the thread that runs through this interdisciplinary collection of studies **Akbar and the Jesuits** Father Pierre du Jarric Jarric,2004-08-02 First published in 1926 These documents are full of intimate interest Times Literary Supplement A serious and intensely interesting piece of work The Guardian The Jesuit missionaries were some of the earliest Europeans to find their way into the Mogul empire in the sixteenth century Spending more years at Akbar s court than others did months and traversing his dominions from Lahore to Kabul and from Kashmir to the Deccan they undoubtedly sowed the seeds of British influence in the East Reproducing or summarizing the most valuable of the missionaries letters written prior to 1610 this volume makes available the illegible and scattered primary sources on the reign of the Emperor Akbar and as such forms the earliest European description of the Mogul Empire **The Jesuits** Michael Walsh,2022-09-20 The Society of Jesus the Jesuits is the largest religious order in the Roman Catholic Church Distinguished by their obedience and their loyalty to the Holy See they have never during nearly five hundred years history produced a pope until now Pope Francis is the first Jesuit Pope Michael Walsh tells the story of the Society through the stories and exploits of its members over five hundred years from Ignatius of Loyola

to Pope Francis himself He explores the Jesuits commitment to humanist philosophy which over the centuries has set it at odds with the Vatican as well as the hostility towards the Jesuits both on the part of Protestants and also Roman Catholics a hostility which led one pope to attempt to suppress the Society worldwide towards the end of the eighteenth century Drawing on the author s extensive inside knowledge this narrative history traces the Society s founding and growth its impact on Catholic education its missions especially in the Far East and Latin America its progressive theology its clashes with the Vatican and the emergence of Jorge Bergoglio the first Jesuit to become Pope Finally it reflects on the Society s present character and contemporary challenges

Gods, Guns and Missionaries Manu S Pillai,2024-11-21 When European missionaries first arrived in India in the sixteenth century they entered a world both fascinating and bewildering Hinduism as they saw it was a pagan mess the worship of devils and monsters by a people who burned women alive performed outlandish rites and fed children to crocodiles But soon it became clear that Hindu idolatry was far more complex than white men s stereotypes allowed and Hindus had little desire to convert But then European power began to grow in India and under colonial rule missionaries assumed a forbidding appearance During the British Raj Western frames of thinking gained ascendancy and Hindus felt pressed to reimagine their religion This was both to fortify it against Christian attacks and to resist foreign rule It is this encounter which has in good measure inspired modern Hinduism s present shape Indeed Hindus subverted some of the missionaries own tools and strategies in the process triggering the birth of Hindu nationalism now so dominant in the country In Gods Guns and Missionaries Manu S Pillai takes us through these remarkable dynamics With an arresting cast of characters maharajahs poets gun wielding revolutionaries politicians polemicists philosophers and clergymen this book is ambitious in its scope and provocative in its position Lucid and exhaustive it is at once a political history a review of Hindu culture and a study of the social forces that prepared the ground for Hindu nationalism Turning away from simplistic ideas on religious evolution and European imperialism the past as it appears here is more complicated and infinitely richer than popular narratives allow

The ^AOxford Handbook of the Jesuits Ines G.
