rule in the Czech lands was shaped as much by local culture and circumstances as by military policy The extraordinary nature of the Czech Jews experience emerges clearly in chapters on the role of the Jewish minority in Czech life the crises of the Munich agreement and the German occupation the reaction of the local population to the persecution of the Jews the policies of the London based government in exile the question of Jewish resistance and the special case of the Terezin Theresienstadt ghetto The Jews of Bohemia and Moravia is based on a wealth of primary documents many uncovered only after the 1989 November Revolution With an epilogue on the post 1945 period this richly woven historical narrative supplies information essential to an understanding of the history of the Jews in Europe *The Czechoslovak Review* ,1921 **In the Shadows of the Holocaust and Communism** Alena Heitlinger,2011-12-31 When traumatic historical events and transformations coincide with one's entry into young adulthood the personal and historical significance of life course transitions interact and intensify In this volume Alena Heitlinger examines identity formation among a generation of Czech and Slovak Jews who grew up under communism coming of age during the de Stalinization period of 1962-1968 Heitlinger's main focus is on the differences and similarities within and between generations and on the changing historical and political circumstances of state socialism communism that have shaped an individual's consciousness and identity as a Jew assimilated Czech Slovak Czechoslovak and where relevant as a migrant or an immigrant The book addresses a larger set of questions about the formation of Jewish identity in the midst of political upheavals secularization assimilation and modernity Who is a Jew How is Jewish identity defined How does Jewish identity change based on different historical contexts How is Jewish identity transmitted from one generation to the next What do the Czech and Slovak cases tell us about similar experiences in other former communist countries or in established liberal democracies Heitlinger explores the official and unofficial transmission of Holocaust remembering and non remembering the role of Jewish youth groups attitudes toward Israel and Zionism and the impact of the collapse of communism This volume is rich in both statistical and archival data and in its analysis of historical institutional and social factors Heitlinger's wide ranging approach shows how history generational and individual biography intertwine in the formation of ethnic identity and its ambiguities *Jews and the Renaissance of Synagogue Architecture, 1450-1730* Barry L Stiefel,2015-10-06 Before the mid fifteenth century the Christian and Islamic governments of Europe had restricted the architecture and design of synagogues and often prevented Jews from becoming architects Stiefel presents a study of the material culture and religious architecture that this era produced [Catalog of Catalogs: A Bibliography of Temporary Exhibition Catalogs Since 1876 that Contain Items of Judaica](#) William Gross,Orly Tzion,Falk Wiesemann,2019-09-16 [Catalog of Catalogs](#) provides a comprehensive index of nearly 2 300 publications documenting the exhibition of Judaica over the past 140 years This vast corpus of material ranging from simple leaflets to scholarly catalogs contains textual and visual material as yet unmined for the study of Jewish art religion culture and history Through highly detailed fully indexed catalog entries William Gross Orly Tzion and Falk Wiesemann elucidate some 2 000
