Moses Generation Vs Joshua Generation Sunday Adelaja,2019-02-03 Our lives begin to end the day we become silent about things that matter Martin Luther King Jr One of the things that matter the most in every generation is leadership which primarily is an influence Successes and failures have always been traceable either directly or indirectly to the influence of leadership in every generation As a leader I strongly believe that one of the major reasons behind the under development of our African continent in this 21st Century is the unwillingness of the Church to take its leading role in restoring the Kingdom to the society Like the Biblical Israelites of the Moses Generation who failed to enter their Promised Land we have pitched our tents in the wilderness and refused to go any further but in circles There is a land waiting for you to conquer and possess a territory to take over for the Kingdom Like Joshua our generation is called of God to conquer new territories and expand the influence of the Kingdom to a higher horizon You re a person of destiny You re saved to save a nation redeemed to redeem the earth to God restored to restore the Kingdom to your society Let s not stop at salvation only let s bring salvation to our nation We need to bring the Kingdom of God into every sphere of our society in order to overcome the darkness and restore the light We are called to translate the realities of our kingdom life into tangible products reflecting the glory of our King and bettering the lives of others This book is simply an expression of my deep scriptural convictions and experience It s a clarion call to the sons of Issachar who have an understanding of the times to arise and take their place like a Joshua generation I believe that God is changing the guards and the baton is being passed over but are you ready to lead your generation into their Promised Land or are you stuck with the Moses generation who are doomed to die in the wilderness

though saved I charge you to come out of the wilderness take your place in leading your generation into their Promised Land and I will be showing you how this can be achieved In this book you ll discover Facts about the Moses generation Understanding the Joshua generation Evil doctrines of Moses generation Embracing a Joshua generation leader The mindset of a Joshua generation The attitude of the Joshua generation Loyalty is first to God The wilderness experience Discovering your promised land In what condition will death meet you     The Joshua Generation Mike Maiden,1990-07     **Joshua's**

**Generation** Benard Etta,2012-12-19 In every generation there are always God s people who unlike others they have the courage to push man made boundaries in order to open up unknown frontiers for the discovery of new territories and to achieve what others are afraid to attempt for the kingdom This breed of people are on earth today they are known as the Joshua s generation Dr Benard Etta in this book Joshua s Generation unveils the characteristics of the Joshua s people

*Joshua the Groundbreaker* Les D. Crause,2018-10-31 Joshua The GroundbreakerAn Apostle of Revival and Change Are you an Apostle to the new generation Joshua brings a new revival and leads a new generation into the promised land Just as Joshua did you are to lead God s people into the place that He has for them But this will not be an easy task because there are many things standing in the way But if you are truly called to this you will have a passion and a fire burning inside of you and nothing will stand in your way You hunger to see the people of God brought back to the place that they are meant to be In this teaching Apostle Les shows you what you will face if God has called you to be one of His Joshua s Taking Jericho Joshua had to lead the people to take the city of Jericho He did this in a completely different way because God gave Him wisdom If you are moving into this call God will lead you and show you a different path You are to lead the church of God into a new era You cannot do things the same as they used to be done and you cannot do this alone without His help The Gibeonites Joshua made a mistake with the Gibeonites He became friends with them and did not ask of the Lord before entering into a covenant with them But he learned to overcome this God s people have become friends with the world and allowed the enemy to sneak in You as a Joshua are here to bring God s people out of the world and into the promised land that God has for them The 5 Kings Joshua faced 5 kings who stood against him You as an Apostle of God will also face these kings and you will need to learn to overcome them in order to lead the people of God What are these 5 kings They are the system in the world that Satan has set up a counterfeit to what God has set up in the Fivefold Ministry You will learn in detail how to overcome these kings and bring God s people to a new place of peace Revival Joshua brings a new era of peace and revival for God s people But only after he has finished overcoming the enemy and leading them into the new place God has for them Then he will bring the people back to where they were and they will be fully committed to God Completing The Work of Moses Moses brought the people out of Egypt but he did not complete the work Joshua will complete what Moses started and finally lead them out of the wilderness and into the promised land This will not be easy but God has prepared you for it Are you ready to face this Joshua Apostle Are you ready to raise up the new generation and bring the church back to the

place that it is meant to be Then this teaching is for you Sections in This Book Section 1 The Joshua Apostle Section 2 The Jericho Experience Section 3 The Anguish of Ai Section 4 Dealing With Gibeon Section 5 The Rest of Revival     Possessing the Promised Land Norman Lindsay,2013-07-03 The people of Israel found themselves wandering in the wilderness for an entire generation In fact it was God s declared purpose to allow them to wander seemingly aimlessly until all those of that rebellious generation were all dead and a new generation could be persuaded to face the challenging task of possessing the land that had been promised to their forefathers more than four hundred years previously I have found a number of parallels with our spiritual walk Possessing the promises of the Lord is similar in many ways to Israel possessing the Promised Land So we will review several of the events involved in Israel s endeavor Hopefully we will discover some insights into our Possessing the Promised Land     **The Promised Land** Chris Nicholson,2015-01-31 The Joshua Model describes a picture for the workings of the innermost part of the human being that we call the heart As part of this it describes what processes happen as an individual meets their God through Christ and therefore provides a framework for understanding Christian salvation Unusually the Joshua model is not derived as one might expect from the New Testament but from the life of Joshua recorded in the Old Testament as he led the tribe of Israel into their place of rest the Promised Land The Joshua Model thus outlines a simple framework for understanding the Faith from its internal experience to its outworking in the surrounding society It should therefore prove useful to both those just starting their faith walk with Christ as well as those further on in that journey ministers and counsellors included Also given here within the Joshua model is the Jericho Model a framework for dealing with spiritual strongholds areas of behaviour in Christian s lives where God s best is not yet seen Written by a former natural scientist and geologist the book brings some surprising insights into the geography and geology of the Promised Land that point to an amazing level of divine design In tying history geography and an understanding of human nature together a level of unity and coherency is ultimately revealed that is unforced and simply there in scripture right under the nose of the reader The book should therefore encourage faith in Christ
