In Youth Is Pleasure Denton Welch, 2015-04-07 Keenly observed autobiographical fiction and journal entries from acclaimed writer Denton Welch featuring an introduction by William S. Burroughs. *In Youth Is Pleasure* recounts the summer vacation of Orvil Pym, a sensitive withdrawn and deeply unhappy boy of fifteen. Following a trying year at public school, Orvil spends the summer with his father and two older brothers. The quotidian events of a seemingly ordinary summer are rendered dazzling by the intensity of adolescence and Welch's gift for human observation. First published in 1945, *In Youth Is Pleasure* is based closely on Welch's own adolescent experiences of solitude and introspection. This volume also includes *I Left My Grandfather's House*, an unforgettable account of a walking tour through the British countryside. These two works feature Welch at his autobiographical best.

Queer London Matt Houlbrook, 2006-10-15 *Queer London* explores the underground gay culture of London during four decades when homosexual acts between consenting adults remained illegal. The author discovers how queer men made sense of their sexuality and how their lifestyles were affected by and in turn influenced the life of the metropolis.

Narratives of Memory V. Stewart, 2006-10-12 This book identifies memory as a previously unexamined concern in both literary and popular writing of the 1940s. Emphasizing the use of memory as a structural device, this book traces developments in narrative during and immediately after the war. Authors include Margery Allingham, Elizabeth Bowen, Graham Greene, Patrick Hamilton, and Denton Welch.

Role Models John Waters, 2010-05-25 *Role Models* is a personal invitation into one of the most unique, perverse, and hilarious artistic minds of our time. From the incomparable John Waters, a paean to the power of subversive inspiration that will delight, amuse, enrich, and happily horrify readers everywhere. *Role Models* is in fact a self-portrait told through intimate profiles of favorite personalities: some famous, some unknown, some criminal, some surprisingly middle of the road. From Esther Martin, owner of the scariest bar in Baltimore, to the playwright Tennessee Williams, from the atheist leader Madalyn Murray O'Hair to the insane martyr Saint Catherine of Siena, from the English novelist Denton Welch to the timelessly appealing singer Johnny Mathis, these are the extreme figures who helped the author form his own brand of neurotic happiness.
