UKetopia! Jim Beloff, 2021-12-10 When Billboard Associate Publisher Jim Beloff purchased his first ukulele at the Rose Bowl Flea Market in 1992 there were no ukulele songbook collections on the market none just a few vintage instructional books As an already accomplished guitarist this frustrated Jim who had fallen in love instantly with this little instrument Sensing that there might be an opportunity to fill this void he and his graphic artist wife Liz created Flea Market Music Inc which for thirty years has published more than three dozen song and instructional books totaling over one million copies in print They have also grown the ukulele market through their influential fleamarketmusic.com website the creation of the popular UKetopia concert series marketing and promoting their family's line of ukuleles consulting on two major museum shows and a continuous performing schedule At the same time Jim aka Jumpin Jim wrote the first complete full color history book on the ukulele recorded and produced nearly a dozen CDs made three instructional DVDs composed two ukulele concertos for symphony orchestra penned numerous articles for ukulele and trade magazines and continues to lead workshops at uke festivals throughout the world Today Jim and Liz are recognized as having played a major role in the current third wave of ukulele popularity They've also accumulated a lot of wonderful stories and photographs in their almost three decades of ukulele adventures that are included in UKetopia Jim also recounts some stories of memorable experiences trading licks and working with celebrities such as George Harrison Bette Midler William H Macy Eddie Vedder and yes Tiny Tim
