Unrelenting Readers Paul M. Hedeem, David Gershom Myers, 2004. Publisher Description

The Ghost of Tradition Kevin Walzer, 1998. Expansive poetry uses rhyme meter and narrative to make a poetic point unlike much of 20th century American poetry which relies heavily on free verse and experimentation for poetic style and impact. Walzer an associate editor at Cincinnati Poetry Review believes that expansive poets and their return to traditional forms have not been given their due in the current literary culture. He attempts to rectify this with a scholarly and detailed discourse on the movement's history and importance as well as some of its poets. Walzer's perspective is favorable but also fair. His critical study is needed if for no other reason than that it offers an informed opinion that opposes prevailing views. It should be noted that this work requires more than a technical appreciation of poetry it demands an abiding love of its mysticism.

Library Journal

Donald Hall in Conversation with Ian Hamilton Donald Hall, Ian Hamilton, 2000. A 112 page volume containing a 27 000 word interview with a career sketch a comprehensive bibliography and a representative selection of quotations from Hall's critics and reviewers. Also included is Hall's recent poem Tidying. Hall comes across as a professional poet who has made the most of the institutional opportunities available in post war America to build a career as writer and teacher. Twenty two pages of closely printed bibliography attest to the scale and range of his work as an editor and anthologist. Even tempered and meticulous he exemplifies a contented subservience to the work ethic. Poetry for Hall is a craft which can be laboured at in the expectation of success proportionate to investment of effort. He is as practical and dispassionate in his attitude to subject matter as to poetic form both are to be extended in the interests of furthering the reach of his poetry and if private experience is to be drawn on it does not deserve any more excitable treatment than other topics. He none the less speaks at length about his personal life in the interview bringing a stoic grace to his account of the circumstances and aftermath of the death of his wife the poet Jane Kenyon. Tidying the revealingly titled sample lyric offers a characteristically exact meditation on that aftermath.

Ghost Ship Mary Kinzie, 1996. In her fifth collection of poems Mary Kinzie continues to extend her formal reach drawing out her lines with a quiet daring that reveals an elegiac thread in the most conversational cadences a good example is her long poem Cilantro about erotic attraction. And while continuing to explore complex forms quatrain sonnet ode sestina and to find her voice in

syllabics alcaics and varieties of free verse she also tries to bring unaccustomed subject matter into her ken To call her themes merely domestic or personal is to fall short of the sense of elation and dread with which even the gentlest act of attention is performed Kinzie is only domestic in the way Emily Dickinson is and personal with the same severity toward confession that marks the poetry of Louise Bogan both writers of the sharp condensed image to whom she has been compared But unlike them she is also engaged by expansive periods and interwoven sentences in the fashion of meditative poets from Horace to Stevens BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved International Who's Who of Authors and Writers 2008 Europa Publications,2007-08-23 An invaluable source of information on the personalities and organizations of the literary world **Subject Guide to Books in Print** ,1991
