Red Star Over Malaya Cheah Boon Kheng, 2013-07-15 *Red Star Over Malaya* is an account of the inter racial relations between Malays and Chinese during the final stages of the Japanese occupation In 1947 none of the three major race of Malaya Malays Chinese and Indians regarded themselves as pan ethnic e Malayanse with common duties and problems With the occupation forcibly cut them off from China Chinese residents began to look inwards towards Malaya and stake political claims leading inevitably to a political contest with the Malays As the country advanced towards nationhood and self government there was tension between traditional loyalties to the Malay rulers and the states or to ancestral homelands elsewhere and the need to cultivate an enduring loyalty to Malaya on the part of those who would make their home there in future As Japanese forces withdrew from the countryside the Chinese guerrillas of the communist led resistance movement the Malayan People's Anti Japanese Army MPAJA emerged from the jungle and took control of some 70 per cent of the country's smaller towns and villages seriously alarming the Malay population When the British Military Administration sought to regain control of these liberated areas the ensuing conflict set the tone for future political conflicts and marked a crucial stage in the history of Malaya Based on extensive archival research *Red Star Over Malaya* provides a riveting account of the way the Japanese occupation reshaped colonial Malaya and of the tension filled months that followed Japan's surrender This book is fundamental to an understanding of social and political developments in Malaysia during the second half of the 20th century

Japanese Prisoners of War Philip Towle, Margaret Kosuge, Yoichi Kibata, 2000-01-01 During the Second World War the Japanese were stereotyped in the European and American imagination as fanatical cruel and almost inhuman This view is unhistorical and simplistic It fails to recognise that the Japanese were acting at a time of supreme national crisis and it fails to take account of their own historical tradition The essays in *Japanese Prisoners of War* by both Western and Japanese scholars explore the question from a balanced viewpoint looking at it in the light of longer term influences notably the Japanese attempt to establish themselves as an honorary white race The book also addresses the other side of the question looking at the treatment of Japanese prisoners in Allied captivity

Counter-Guerrilla Operations Napoleon D. Valeriano, Charles T.R. Bohannon, 2006-08-30 This volume in the Praeger Security International PSI series Classics of the Counterinsurgency Era by two officers one from the Philippines and the other from America who fought as guerrillas against the Japanese occupation and went on to defeat the Huk rebellion after World War II Unlike many other accounts of counterinsurgency operations that focus on theoretical principles and their tactical applications the authors examine the means to assess the strengths and weaknesses of insurgencies An enduring contribution of this book is its emphasis on the importance of intelligence in combating insurgent movements With a new foreword prepared by Kalev Sepp

Malaya Christopher Hale, 2013-10-01 The Malayan Emergency 1948-60 was the longest war waged by British and Commonwealth forces in the twentieth century. Fought against communist guerrillas in the jungles of Malaya, this undeclared war without a name had a powerful and covert influence on American strategy in Vietnam. Many military historians still consider the Emergency an exemplary even inspiring counterinsurgency conflict. Massacre in Malaya draws on recently released files from British archives as well as eyewitness accounts from both the government forces and communist fighters to challenge this view. It focuses on the notorious Batang Kali Massacre, known as Britain's My Lai, that took place in December 1948 and reveals that British tactics in Malaya were more ruthless than many historians concede. Counterinsurgency in Malaya, as in Kenya during the same period, depended on massive resettlement programmes and ethnic cleansing, indiscriminate aerial bombing and ruthless exploitation of aboriginal peoples, the Orang Asli. The Emergency was a discriminatory war. In Malaya, the British built a brutal and pervasive security state and bequeathed it to modern Malaysia. The Malayan Emergency was a bitterly fought war that still haunts the present. The Voice of War Guy Walters, James Owen, 2005-05-05 The Second World War was the first truly global conflict and sixty years on its consequences continue to shape the modern world. Season by season, The Voice of War charts the course of the central event of the twentieth century using the diaries, letters and memoirs of those who were there, from Russian women fighter pilots to the prisoners of the Japanese, to Londoners enduring the Blitz. Their first-hand accounts place us on the ramparts of Colditz, in the hiding places of the Warsaw Ghetto, aboard a dive bomber at Pearl Harbor, with Rommel in the desert and by Churchill's side in Downing Street. Unrivalled in the immediacy, range and power of the experiences it contains, it includes writing by, among others, Joseph Goebbels, Benito Mussolini, Christabel Bielenberg, Noel Coward, Robert Capa, Airey Neave, George Patton, Hermione Ranfurly, Arthur Koestler, James Lees Milne, Martha Gellhorn, Sophia Loren and Primo Levi. Ambitious, instructive and entertaining, this is the definitive portrait of a world at war. *The Door Marked Malaya* Oliver Crawford, 1958 This reference publication is the personal account of Oliver Crawford, a second lieutenant when he served in Malaya and Singapore during 1954-1955. It gives today's reader a solid understanding of the actions of the British Army during these years. Foreword
