The Kama Sutra Box:

Kamasutra Vātsyāyana, 2002 The Kamasutra is the oldest extant Hindu textbook of erotic love It is about the art of living about finding a partner maintaining power in a marriage committing adultery living as or with a courtesan using drugs and also about the positions in sexual intercourse It was composed in Sanskrit the literary language of ancient India sometime in the third century of the common era probably in North India It combines an encyclopedic coverage of all imaginable aspects of sex with a closely observed sexual psychology and a dramatic novelistic narrative of seduction consummation and disentanglement Best known in English through the highly mannered padded and inaccurate nineteenth century translation of Sir Richard Burton the text is presented here in an entirely new translation into clear vivid sexually frank English together with three commentaries translated excerpts from the earliest and most famous Sanskrit commentary 13th century and from a twentieth century Hindi commentary and explanatory notes by the two translators The lively and entertaining introduction by Wendy Doniger discusses the history of the text and its reception in India and Europe analyses its attitudes toward gender and sexual violence and sets it in the context of ancient Indian social theory scientific method and sexual ethics The Hindus Wendy Doniger, 2010-09-30 An engrossing and definitive narrative account of history and myth that offers a new way of understanding one of the world's oldest major religions The Hindus elucidates the relationship between recorded history and imaginary worlds Hinduism does not lend itself easily to a strictly chronological account many of its central texts cannot be reliably dated even within a century its central tenets karma dharma to name just two arise at particular moments in Indian history and differ in each era between genders and caste to caste and what is shared among Hindus is overwhelmingly outnumbered by the things that are unique to one group or another Yet the greatness of Hinduism its vitality its earthiness its vividness lies precisely in many of those idiosyncratic qualities that continue to inspire debate today Wendy Doniger is one of the foremost scholars of Hinduism in the world With her inimitable insight and expertise Doniger illuminates those moments within the tradition that resist forces that would standardize or establish a canon Without reversing or misrepresenting the historical hierarchies she reveals how Sanskrit and vernacular sources are rich in knowledge of and compassion toward women and lower castes how they debate tensions surrounding religion violence and tolerance and how animals are the key to important shifts in attitudes toward different social classes The Hindus brings a fascinating multiplicity of actors and stories to the stage to show how brilliant and creative thinkers many of them far removed from Brahmin authors of Sanskrit texts have kept Hinduism alive in ways that other scholars have not fully explored In this unique and authoritative account debates about Hindu traditions become platforms from which to consider the ironies and overlooked epiphanies of history **Kamasutra** Mallanaga Vatsyayana, Vātsyāyana, 2009-03-26 The Kamasutra is the oldest extant Hindu textbook of erotic love About the art of living as well as about the positions in sexual intercourse it is here newly translated into clear vivid sexually frank English together with three commentaries excerpts from the earliest and most

famous Sanskrit commentary 13th century a twentieth century Hindi commentary and explanatory notes by the translators The edition is enhanced by a selection of colour plates from an early edition of the work *The Modern Kama Sutra in a Box* Kamini Thomas,Kirk Thomas,2008-10-14 The 2 000 year old Kama Sutra is the oldest and most famous work on erotic pleasure ever created In a playful complement to The Modern Kama Sutra an original new interpretation of the Hindu sex classic this boxed set features an illustrated book accompanied by a deck of full color position cards with step by step instructions difficulty ratings and relevant quotes from the original text From slow and gentle to fast and intense the positions fulfill every mood and sexual need and are designed to heighten pleasure from both a man s and woman s perspective The ultimate resource for modern lovers couples will want to keep The Modern Kama Sutra in a Box by their bedside tables and refer to it again and again

[Dressed in Black](#) Lisa MacKinney,2025-03-18 The first full length history of the Shangri Las one of the most significant and most misunderstood pop groups of the 1960s Sisters Mary and Betty Weiss together with twins Mary Ann and Marguerite Ganser were schoolgirls when they formed the Shangri Las in 1963 and had a meteoric rise to fame with songs like Leader of the Pack and Remember Walking in the Sand Their career was cut short for reasons largely beyond their control derailed by the machinations of Mafia linked record executives and heartbreak and tragedy followed Historian Lisa MacKinney marshals an impressive array of new evidence to tell the Shangri Las story dispelling many myths and long standing mysteries along the way Equally importantly Dressed in Black radically rewrites the accepted narrative of the Shangri Las place in rock history As young women they were permitted little agency within a male dominated industry that viewed teenagers as fodder to be manipulated and exploited by producers songwriters and label owners For decades this has served as an excuse for critics to deny the musical input of the group members to trivialize the Shangri Las as a girl group and to assign their work a lesser rank in the canon of authentic rock and roll MacKinney s great achievement here is to foreground the Shangri Las considerable abilities and musicality and establish the centrality of their performance of their songs to the group s underappreciated artistic achievement This is not to deny the critical role in the group s success of professional songwriters including Ellie Greenwich and Jeff Barry and writer producer

George Shadow Morton a pioneering and eccentric figure whose self mythologizing has generated a level of obfuscation that rivals that of the Shangri Las themselves MacKinney's clear sighted account reveals Morton in a completely new light and as part of a complex ecosystem of musical relationships Morton wrote and produced highly emotional material specifically for the Shangri Las because he knew they had the skills to make his mini operas not only believable but enthralling The group members particularly Mary Weiss channeled personal anguish into their extraordinary performances which are central to the songs impact no less so than for such classic singers as Ella Fitzgerald and Elvis Presley who also relied on producers and songwriters for their body of work The Shangri Las impassioned delivery elicited a massive response from their audience of fellow teenagers at the time and has continued to connect profoundly with audiences ever since MacKinney backs up these arguments with in depth analysis of key Shangri Las recordings and makes a powerful case that their achievements warrant a far more prominent place for the Shangri Las in the history of popular music [The Kama Sutra.
