New York's upper crust Elizabeth manages to land an exclusive interview with Gloria. Then Gloria's stepmother is shot dead in a Waldorf bathroom placing Elizabeth at the scene of a headline worthy scandal. Murder of a Society Dame. Now Elizabeth will have to get the scoop on the killer before her good name gets dragged through the gossip columns or worse. Elizabeth Adams will return in *Murder, She Uncovered*. [Murder at the Altar](#) Terry Phillips, 2008. On Christmas Eve morning in 1933 the head of the Armenian Church in America Archbishop Ghevont Tourian is stabbed to death with a double edged butcher knife as he begins Sunday services. His infamous murder in a little New York City church is witnessed by hundreds of parishioners among them a newspaper reporter named Tom Peterson. The next day this story is splashed on the front page of every major daily in Manhattan. And no wonder. Not since the assassination of Thomas Becket has such a high religious leader been slain in a house of worship. This gruesome homicide shatters the Armenian community and confounds the cops. Was it a terrorist attack to silence a political adversary, a KGB plot to discredit anti communists in America or simply a tragic turn in an ancient bitter dispute. *Murder at the Altar* is a work of historical fiction although it might more accurately be called dramatized history. The book interweaves past and present accounts of these complex events alternating between Now and Then chapters which are written in first and third person voices respectively. Much of the text is based on interviews with survivors, court transcripts and newly declassified FBI files. There are also actual news clips as well as some previously unpublished photos available to further illustrate the story. [The Encyclopedia of Murder and Mystery](#) B. Murphy, 1999-12-09. Bruce Murphy's Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories: authors, titles, plots, characters, weapons, methods of killing, movie and theatrical adaptations. What distinguishes this encyclopedia from the others in the field is its critical stance. [Murder, She Uncovered](#) Peg Cochran, 2019-05-28. An intrepid 1930s Manhattan socialite uncovers deadly secrets during an assignment to the Hamptons in this riveting historical cozy mystery for readers of Victoria Thompson. Susan Elia MacNeal and Rhys Bowen. Westhampton 1938. To the dismay of her well to do family Elizabeth Biz Adams is quickly establishing herself as a seasoned photographer over at the Daily Trumpet. Growing more confident in her decision to pursue a career Elizabeth is thrilled when she and her reporter sidekick Ralph Kaminsky are sent to Long Island to cover the story of a young maid found dead in one of the glamorous summer homes in the devastating aftermath of the Great New England Hurricane also known as the Long Island Express. At first it's assumed that the young woman was caught in the terrible storm but when a suspicious wound is found on the side of her head the police suspect murder. The maid's death becomes even more tragic when it's discovered she was pregnant and with Elizabeth and Kaminsky at the scene of the crime the Daily Trumpet scoops all the other papers in town. The young woman's boyfriend emerges as the likeliest suspect. But as Elizabeth follows the story she begins to wonder whether someone in the household of the maid's employers might be responsible. Someone who'll stop at nothing to keep the truth about the baby's paternity hidden. Look for all of Peg Cochran's
