The Keene Unitarian Universalist Church:

The Keene Unitarian Universalist Church James G. Smart,1996-01-01 *An Introduction to the Unitarian and Universalist Traditions* Andrea Greenwood,Mark W. Harris,2011-08-11 How is a free faith expressed organised and governed How are diverse spiritualities and theologies made compatible What might a religion based in reason and democracy offer today s world This book will help the reader to understand the contemporary liberal religion of Unitarian Universalism in a historical and global context Andrea Greenwood and Mark W Harris challenge the view that the Unitarianism of New England is indigenous and the point from which the religion spread Relationships between Polish radicals and the English Dissenters existed and the English radicals profoundly influenced the Unitarianism of the nascent United States Greenwood and Harris also explore the US identity as Unitarian Universalist since a 1961 merger and its current relationship to international congregations particularly in the context of twentieth century expansion into Asia *Christian Voices in Unitarian Universalism* Kathleen Rolenz,2006 Fifteen personal stories from laity and clergy alike show what it means to be a Unitarian Universalist Christian today These men and women arrive at their faith by many paths influenced by the Bible Jesus Christ Superstar and even the Bernstein Mass Here is a fresh and much needed look at UU Christians who for decades have kept the work and spirit of Christianity alive in our liberal religion Foreword by Carl Scovel *The Journal of Unitarian Universalist History* ,1999 **The Unitarian Register** ,1924 **The World** ,1999 [This Day in Unitarian Universalist History](#) Frank Schulman,2004 **The 1996 Genealogy Annual** Thomas Jay Kemp,1997-12 The Genealogy Annual is a comprehensive bibliography of the year s genealogies handbooks and source materials It is divided into three main sections p liFAMILY HISTORIES licites American and international single and multifamily genealogies listed alphabetically by major surnames included in each book p liGUIDES AND HANDBOOKS liincludes reference and how to books for doing research on specific record groups or areas of the U S or the world p liGENEALOGICAL SOURCES BY STATE liconsists of entries for genealogical data organized alphabetically by state and then by city or county p The Genealogy Annual the core reference book of published local histories and genealogies makes finding the latest information easy Because the information is compiled annually it is always up to date No other book offers as many citations as The Genealogy Annual all works are included You can be assured that fees were not required to be listed **The Register-leader of the Unitarian Universalist Association** ,1968 [Homeless Advocacy and the Rhetorical Construction of the Civic Home](#) Melanie Loehwing,2018-10-30 Homeless assistance has frequently adhered to the three hots and a cot model which prioritizes immediate material needs but may fail to address the political and social exclusion of people experiencing homelessness In this study Loehwing reconsiders typical characterizations of homelessness citizenship and democratic community through unconventional approaches to homeless advocacy and assistance While conventional homeless advocacy rhetoric establishes the urgency of homeless suffering it also implicitly invites housed publics to understand homelessness as a state of

abnormality that destines the individuals suffering it to life outside the civic body In contrast Loehwing focuses on atypical models of homeless advocacy the meal sharing initiatives of Food Not Bombs the international competition of the Homeless World Cup and the annual Homeless Persons Memorial Day campaign She argues that these modes of unconventional homeless advocacy provide rhetorical exemplars of a type of inclusive and empowering civic discourse that is missing from conventional homeless advocacy and may be indispensable for overcoming homeless marginalization and exclusion in contemporary democratic culture Loehwing's interrogation of homeless advocacy rhetorics demonstrates how discursive practices shape democratic culture and how they may provide a potential civic remedy to the harms of disenfranchisement discrimination and displacement This book will be welcomed by scholars whose work focuses on the intersections of democratic theory and rhetorical and civic studies as well as by homelessness advocacy groups
