Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13

Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book

Raising the Ruins Stephen Flurry, Philadelphia Church of God, Herbert W Armstrong was the world s leading televangelist and one of the most prominent religious leaders of the 20th century

watched read and followed by millions worldwide But his legacy of Bible based humanitarianism came under attack after he died The cabal of leaders who took control of the church he founded after pledging to follow in his footsteps methodically destroyed all he had built Those who would stop them were silenced or excommunicated Had it happened in the corporate world the CEOs and executives responsible for hijacking a corporation and robbing its investors would have been fired if not prosecuted in a court of law Never before has this shocking story been told in such riveting detail Drawing upon official reports internal memos court depositions and personal interviews Stephen Flurry exposes the depth of corruption and deceit that was Tkachism the administration of Joseph Tkach who succeeded Mr Armstrong as pastor general of the Worldwide Church of God In this book you will learn How Tkach's men altered doctrines under Mr Armstrong's nose even before he died How the Tkach transformation was driven from the start by an agenda that even shocked most of the top ministers How early on Tkachism brazenly denied its radical changes before the church members How Tkachism slashed media operations under the pretense of wise stewardship while income soared at a record 1 billion in five years How Tkachism shamefully forced out the very members whose contributions had built the multi million dollar empire How Tkach's men told church members the message of Mr Armstrong's magnum opus *Mystery of the Ages* was still official while they secretly trashed 120 000 copies of the book How Tkach Jr considered it his Christian duty to stamp out Mr Armstrong's writings How Tkach Jr nearly achieved that goal in a six year legal battle but then for fear of being exposed surrendered How the marvelous wonder of Mr Armstrong's work is being raised from the ruins Worldwide Church of God leaders today present themselves to the mainstream evangelical world as a band of courageous truth lovers who sacrificed everything to follow Jesus Christ The stubborn facts of what they did however tell a far more sinister story a story they have done their utmost to keep buried This book exhumes those facts and exposes them to the furious light of day as they should have been all along for your scrutiny This ebook is offered completely free of charge by the Philadelphia Church of God However please note that Google Play will need a verified Google Wallet account which requires your credit card information In a small number of countries a temporary authorization of 1 will be charged to your account but will be refunded This refund can take up to 1 month to process

Mystery Babylon: The Religion of the Beast Paul Sides, 2015-01-01 In the second book of the Original Revelation Series *Mystery Babylon The Religion of the Beast* we are going to define how sun worship that originated with the Sumerian Culture some 5 000 years ago was organized later into a World Religion in Babylon This religion evolved complete with a well defined Godhead a day of worship holy days a Christ and sacrifices This religion The Mystery Religion of Babylon is the false religion identified in Scripture It was this first world religion that was scattered among all nations and cultures at The Tower of Babel when Yahuah confused the languages We can trace through time and cultures the progression of this religion as humanity flourished on Earth to the present day Before we can identify what religion today is The Mystery Religion of Babylon we must first clearly define this world religion as it existed in ancient Babylon Only then can we compare the

religions of today to find an exact match Then we must compare this false religion to the Faith described in The Bible and identify The Truth That is the purpose of my book series The Original Revelation Throughout this book series we carefully examine the evolution of history as man has built upon the corrupted version of the message written in the stars A River Could Be a Tree Angela Himsel,2018-11-13 How does a woman who grew up in rural Indiana as a fundamentalist Christian end up a practicing Jew in New York Angela Himsel was raised in a German American family one of eleven children who shared a single bathroom in their rented ramshackle farmhouse in Indiana The Himsels followed an evangelical branch of Christianity the Worldwide Church of God which espoused a doomsday philosophy Only faith in Jesus the Bible significant tithing and the church s leader could save them from the evils of American culture divorce television makeup and even medicine From the time she was a young girl Himsel believed that the Bible was the guidebook to being saved and only strict adherence to the church s tenets could allow her to escape a certain gruesome death receive the Holy Spirit and live forever in the Kingdom of God With self preservation in mind she decided at nineteen to study at The Hebrew University in Jerusalem But instead of strengthening her faith Himsel was introduced to a whole new world one with different people and perspectives Her eyes were slowly opened to the church s shortcomings even dangers and fueled her natural tendency to question everything she had been taught including the guiding principles of the church and the words of the Bible itself Ultimately the connection to God she so relentlessly pursued was found in the most unexpected place a mikvah on Manhattan s Upper West Side This devout Christian Midwesterner found her own form of salvation as a practicing Jewish woman Himsel s seemingly impossible road from childhood cult to a committed Jewish life is traced in and around the major events of the 1970s and 80s with warmth humor and a multitude of religious and philosophical insights A River Could Be a Tree A Memoir is a fascinating story of struggle doubt and finally personal fulfillment The Holy Roman Empire in Prophecy Brad Macdonald,Philadelphia Church of God,
