Anderson,2008-02-01 Life contains a rhythm when we see it from beginning to end Our personal existence is not a series of individual episodes taking place as points in time Rather life itself bears us along in a common pilgrimage At any given time we are part of a community where birth and death joy and sorrow pain and pleasure as well as sowing and harvesting are taking place This communal sharing of life replicates all the seasons of life For each time in our lives there is a corresponding season in the life of the human family We empower faith by practicing hope every day of our lives For Every Fear a Promise Brad Hicks,2012-12 Real people face real fears Dr Hicks inspires you to discover that God has designed a way to help you cope with the fears in your life There are many statements in Scripture that either explicitly or implicitly teach us not to fear What you may not have discovered is that for every one of those there is a promise from God to help you overcome the fear With each devotional you will find a fear not and a promise from Scripture As you discover and appropriate those promises your fears should begin to subside You will find yourself identifying with the stories that illustrate Bible truths about fear be encouraged as you discover a blend of the spiritual and the therapeutic in coping with fear and confront your personal fears and discover God s overcoming promises through each Scripture rich life applied devotional **Are You the One Who Was to Come?** Arthur C. Woods,2003-03 Dr Woods commentary supports his conviction that the letter to the Hebrews was written to Jews saved under the old covenant by faith in a coming Messiah He skillfully demonstrates that the book was written to convince these Old Testament saints to put their faith in Jesus the Messiah who had come Using this approach Dr Woods clarifies the difficult passages of Hebrews without corrupting the text or manipulating it to conform to one s theological bent In particular the passages that are sometimes used to support the possibility of losing one s salvation are carefully examined and their meanings precisely clarified This book presents new and biblically accurate insights into the overall argument of the letter to the Hebrews that need to be understood by the evangelical community Publisher **Promises to Confess To** Elder Harvey Marshall,2012-07 Author Harvey Marshall

gleaned great thoughts ideas and inspiration while reading the Bible and he wanted to share what he found with others At first he texted the encouraging words he learned by cell phone Then he sent them via e mail and finally he created a website with which to share the good news In Promises to Confess to Marshall shares these lessons gleaned from Scripture readings and discusses the meanings behind the encouraging words and the promises from God that are a part of the Bible s message He follows each short inspiration with a confession or prayer that relates to the discussion Promises to Confess to provides a lens through which to look at God and to appreciate the many colors that his glory has allowed to fall upon the earth

Battles in the Promised Land Jacob Haywood, 2024-03-11 Many Christians have the underlying belief that if they are truly following Jesus they will be exempt from suffering in this life As a result they are often surprised when they go through hard times and are likely to experience doubt hopelessness and anger toward God But what if God s chosen means of blessing was through suffering Would you choose that path Through the author s personal story of suffering the loss of his twin sister in the prime of her life and through biblical examples of sufferers who have gone before Haywood outlines in this book how God is faithful amidst our suffering and how the abundant Christian life here on Earth is still possible if we are willing to fight for it No matter the battle you are facing know this God is fighting with you going before you standing in front of you and guarding behind you Even in your suffering he is leading you to the abundant life he has promised Based on that reality you can view whatever situation you are in with hope
