The Plo Under Arafat Between Gun And Olive Branch:

The PLO Under Arafat Shaul Mishal, *Global Politics* Abraham Ben-Zvi, Aharon Klieman, 2016-01-20 The essays in this volume discuss and assess the philosophies and writings of Professor David Vital They aim to develop his work within modern diplomacy issues relating to modern Jewish history and within the State of Israel and its conduct of foreign relations The A to Z of the Arab-Israeli Conflict P R Kumaraswamy, 2009-07-24 For over a century the conflict between the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and embittered relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab Israeli Conflict provides factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves Conflict in the Holy Land Robert C. DiPrizio, 2020-02-07 With more than 250 cross referenced entries covering every aspect of conflict in the Holy Land this illuminating book will help students understand the volatile history of Palestine and Israel and its impact on the rest of the world Palestine is considered a sacred land by Christians Jews and Muslims This has contributed to the violence that has ravaged the Holy Land throughout its long history This A Z reference work which defines the Holy Land as historic Palestine the combined territories of Israel the West Bank and the Gaza Strip covers such ancient conflicts as Egypt's rule over Canaan the reign of King David and the Jewish Revolts against the Roman Empire In addition the title includes detailed entries on medieval conflicts such as the Crusades and contemporary conflicts such as the Arab Israeli wars The introduction provides readers with the necessary context to understand the region's bloody history and a comprehensive chronology that will help students construct a more complete picture of conflict in the Holy Land Then come hundreds of key entries on the events individuals groups places and ideologies that have played an important role The title concludes with an expansive bibliography that will aid students looking to do more research on the topic and a thorough index **International Encyclopedia of Terrorism** Martha Crenshaw, John Pimlott, 2015-04-22 This timely reference book places the growing 20th century phenomenon of terrorism in an historical context Starting with the use of assassination in Ancient Greece and including the recent bombing of the American military complex in Dhahran Saudi Arabia this encyclopedia covers the globe in its presentation of all aspects of terrorism history theories of types of and responses to as well methods and techniques There is a chronology of major terrorist events from 1945 an A to Z listing of terrorist groups and leaders a select bibliography and indexes general name and geographical **Islam** Solomon A. Nigosian, 2004-01-29 This compact introduction to Islam describes the essential aspects of Islam as a living religion and

social force The book is organized around seven topics the life of Muhammad Islamic political development and territorial expansion the important groupings of Islamic believers Sunni Shi ite and Sufi the Qur an the Holy Book of Islam Sunnah Hadith the record of the Prophet s actions and sayings and Shari ah the compilation of Islamic law the five Articles of Faith and the so called Five Pillars of Islam that govern faith and action and other binding religious observances and festivals The presentation of these seven aspects of Islam strikes a balance between fact tradition current interpretation and commentary S A Nigosian underscores two fundamental points that to understand Islam properly it is necessary to see it as a major faith tradition with Muhammad as the last of a series of messengers sent by God and that to grasp the spirit of Islam one must recognize its emphasis on an uncompromising monotheism with strict adherence to certain social political and religious practices as taught by the Prophet and elaborated by tradition

Game Theory and Applications Tatsuro

Ichiishi,Abraham Neyman,Yair Tauman,2014-06-28 Game Theory and Applications outlines game theory and proves its validity by examining it alongside the neoclassical paradigm This book contends that the neoclassical theory is the exceptional case and that game theory may indeed be the rule The papers and abstracts collected here explore its recent development and suggest new research directions Explains many of the recent central developments in game theory Highlights new research directions in economic theory which surpass the neoclassical paradigm Includes game theoretical analyses in economics political science and biology Written by leading game theorists economists political scientists and biologists

The Idea of Israel Ilan Pappé,2025-10-07 Since its foundation in 1948 Israel has drawn on Zionism the movement behind its creation to provide a sense of self and political direction In this groundbreaking new work Ilan Pappé looks at the continued role of Zionist ideology The Idea of Israel considers the way Zionism operates outside of the government and military in areas such as the country s education system media and cinema and the uses that are made of the Holocaust in supporting the state s ideological structure In particular Pappé examines the way successive generations of historians have framed the 1948 conflict as a liberation campaign creating a foundation myth that went unquestioned in Israeli society until the 1990s Pappé himself was part of the post Zionist movement that arose then He was attacked and received death threats as he exposed the truth about how Palestinians have been treated and the gruesome structure that links the production of knowledge to the exercise of power The Idea of Israel is a powerful and urgent intervention in the war of ideas concerning the past and the future of the Palestinian Israeli conflict

Routledge Handbook on Palestine

Michael Dumper,Amneh Badran,2024-12-30 This Handbook provides a broad overview of Palestinian history society politics and culture across different contexts and periods revealing the rich and varied dimensions of Palestine To capture the diversity of Palestinian scholarship and to introduce readers to a mix of approaches and perspectives both internationally established and emerging Palestinian scholars have contributed The Handbook attempts to avoid narrowly framing Palestine around the Israeli Palestinian conflict incorporating postcolonial approaches attentive to a broader range of hitherto

overlooked actors While a significant proportion of the Handbook examines the contemporary period it is divided up into four sections that together provide a detailed overview of the main developments in the region A historical section that contextualizes the complex historical formation of contemporary Palestine perhaps best regarded as a country but not yet a state A section exploring the society geography economy and identity of Palestine A section on the political significance of Palestine covering the dynamics between Jewish nationalism Zionism and Palestinian nationalism A final section on culture touching on architecture literature music cuisine education and contemporary art Providing a deep analysis of the Palestinian perspective the Handbook will prove valuable reading for anyone interested in the history politics and society of Palestine and the Middle East

Historical Dictionary of the Arab-Israeli Conflict P R Kumaraswamy, 2015-10-08 Competing Jewish and Arab national claims over the Holy Land form the core of the Arab Israeli conflict thereby transforming it into the most intensely fought struggles in the history of humanity The conflict evokes unparalleled passion and hostility not only among its immediate participants and neighbors but also in the wider international community The involvement of three principal monotheistic religions makes the conflict a truly universal contestation As a result it often contributes to bouts of violence turmoil and terrorism in the Middle East and beyond This second edition of Historical Dictionary of the Arab Israeli Conflict covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries important events key personalities official positions of principal states and the UN and other efforts to find a peaceful settlement This book is an excellent access point for students researchers and anyone wanting to know more about this conflict
