The Political Structure:

Political Systems, Structures, and Functions Britannica Educational Publishing, 2012-06-01 Governance is a complex process often divided among various structures and institutions Local regional national and even supranational entities each have their own formal and informal institutions that comprise a political system Readers will use this comprehensive volume to examine the various types structures and functions of government around the world as well as the evolution of political systems and the factors contributing to their rise and fall *The Constitution As Political Structure* Martin H. Redish, 1995-01-05 Over the last forty years modern constitutional scholarship has concentrated on an analysis of rights while principles of constitutional law concerning the structure of government have been largely downplayed The irony of this interpretive emphasis is that the body of the Constitution contains relatively little dealing directly with rights Rather it is primarily a blueprint for the establishment of a complex form of federal democratic structure This work emphasizes the central role served by the structural portions of the Constitution Redish argues that these structural values were designed to provide the framework in which our rights based system may flourish and that judicial abandonment of these structural values threatens the very foundations of American political theory The Presidency and the Political System Michael Nelson, 2018-03-08 Written by top notch presidency scholars and carefully edited into a text reader format The Presidency and the Political System Eleventh Edition showcases a collection of original essays focused on a range of topics institutions and issues relevant to understanding the American presidency **The Handbook of Israel's Political System** Itzhak Galnoor, Dana Blander, 2018-07-26 There is growing interest in Israel s political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel s Arab citizens and economic inequities with concomitant social gaps and the contours of the political culture and its impact on Israel s democracy The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel The Political System of Brazil Dana de la Fontaine, Thomas Stehnken, 2015-10-27 This volume presents in depth insights into the polity politics and policies of the Brazilian political system It reassesses the processes of change since the country s return to democracy in the 1980s in the light of autocratic societal structures and suboptimal institutional design on the one hand and the political and economic achievements observed on the other In their contributions top Brazilian and international scholars critically examine the development of the political system with a focus on the Lula and Rousseff administrations and place their actions and failures in the socio

political and economic context so as to uncover the underlying institutional structures constellations and diverging interests of actors on various decision making levels and in different political fields It is the central aim of this book to present a differentiated portrait of the current political landscape and remaining contradictions in Latin America s largest country

The Political System of Germany Florian Grotz,Wolfgang Schroeder,2023-08-11 This book offers a systematic theory based and empirically grounded introduction to the political system of Germany Compared to other textbooks on government and politics in Germany it has two particular benefits First it analyzes the individual dimensions of the German political system from a uniform theoretical perspective based on the well known distinction between majoritarian and consensus democracy Second it particularly explains how political decision making in the multi level system takes place including the local state federal as well as EU levels This way the book provides a comprehensive detailed and clear picture of how German democracy is organized and how it works The Political System of the Islamic Republic of Iran M. Mahmood,2006 The book is an authentic and authoritative introduction to the contemporary political establishment in Iran The book analyses incisively the political system of the Islamic Republic of Iran Students research scholars of political science will find the study informative and unique in treatment on politics and prove beneficial for study The Position of the Chief in the Modern Political System of Ashanti K. A. Busia,2018-08-16 Originally published in 1951 this book provides an account of the traditional status and functions of the Asanti chief The effects of British administration on the powers of the chief and his council are described as are the tensions which the traditional political organization was subjected to by the requirements of modern administration The author of this book was himself an Ashanti and was the first West African to be appointed to the Colonial Administrative Service Social And Political Structures In West Germany Ursula Hoffmann-lange,Peter Jelavich,Robert Rickards,Lewis J Edinger,2019-05-28 This book offers a view of West German social structure and political culture from a multidisciplinary perspective Focusing on the remarkable changes that have taken place in West Germany since World War II it provides a basis for judging what direction a united Germany is likely to take *The Spanish Political System* E. Ramon Arango,E Ramon Arango,2019-06-13 In few places contends Professor Arango do illusions obscure reality as they do in Spain The Spaniard as well as the foreigner has believed and sustained the myths the scholar as well as the poet For the Spaniard myth became the substitute for action in a world in which Spain was increasingly a nonparticipant It replaced the reality of Spain
