The Union Postal Clerk George A. Donnelly, 1916 **Union Postal Clerk**, 1916 **F'Queen N' H'Empire** Basil Riccomini, 2004 This book was not planned it just happened When it occurred to me that I could write a poem describing the charge of the 24th Regiment of Foot of Chilianwala just how was I to do it I decided to write it as being related by a soldier who had participated in the charge against the Sikh guns He speaks in the lingo of some of the soldiers of my acquaintance during my colour service in the British Army I wrote the other poems in a similar style with the exception of the recruiting serjeant in The Queen's Shilling who speaks with the Midlands dialect During Queen Victoria's long sixty four year reign there were constant military expeditions campaigns and conflicts Many caused the expansion of the empire and many as result of that expansion By European standards Great Britain had a very small standing army but The Royal Navy was the world's largest Britannia ruled the waves Rather like the Roman legionaries the Tommies of the period were professional and reliable On many occasions they defeated the enemy although heavily outnumbered Perhaps that explains why a relatively small regular army was so successful **Britains & Other Interesting Toy Soldiers** John Franklin, 2025-08-05 packed with anecdotes useful technical information and helpful advice for the collector but it is above all a proud tour of inspection of a sixty year labor of love IPMS USA John Franklin has been collecting traditional toy soldiers for over sixty years mostly Britains but as the title suggests including other interesting additions In this book he shares some of the in depth knowledge gained through experience and countless hours of careful research but most of all the passion and enthusiasm for his hobby He explains how he was inspired to collect soldiers like so many in early boyhood and how a hobby grew into an obsession The various chapters then examine themes he followed in his collecting such as Britains Special Painting Orders and Indian Army Pipe Bands for example or address questions regarding the manufacture or identity of specific sets that he has researched or in some cases is still seeking the answer to It is packed with anecdotes useful technical information and helpful advice for the collector but it is above all a proud tour of inspection of a sixty year labour of love Over four hundred photographs show much of the author's magnificent collection in a parade of miniature pomp and splendour *The Union Postal Clerk & the Postal Transport Journal*, 1916 England Alan Edwin Day, 1993 **Real Estate Record and Builders' Guide**, 1884 The Farmer's Guide to Scientific and Practical Agriculture Henry Stephens, John Pitkin Norton, 1851 Airman's Guide, 1959 The WPA Guide to Colorado Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented
