

# Handbook of Jewish Liturgy

There are a number of books that describe  
the meaning of, and the proper manner of  
performing, the various services of the Jewish  
religion. It is necessary, however, to have  
a book that gives a complete and accurate  
description of the services, and the proper  
manner of performing them. This book  
gives a complete and accurate description  
of the services, and the proper manner  
of performing them.
