The Haunted House Threeian:

A Prime's Passion Shiloh Walker, 2022-07-18 Eyes down little wolf In her world the strong were broken young or they didn't survive Eyes down little wolf Zee's father would say You aren't strong enough yet Zennia Day kept her eyes down and stayed quiet knowing that one day she'd escape When her chance comes she finds herself on a road that takes her far from Massachusetts all the way to North Carolina She has her eyes on the future until she meets Niko a dominant Therian male and future Prime When she looks at him instead of a challenge for dominance Zee sees a promise of forever Niko charmed her teased her and stole her heart Mere days later after making a public permanent claim he crushed that same heart in his fist tossing her aside in front of the entire world and casting her out of pack lands Ten years later she's an outcast living far from her own when she gets word her father is dying She can do nothing she was banned Violating Niko's order was to court punishment even if it was just to tell her father good bye Day is dying The blunt words almost had him on his knees until Niko realized his second in command wasn't talking about Zee but her father No Therian is ever left to die alone so Niko sent orders the Day family to come home Niko is unprepared for Zee's message I have no pack I have no home The words leave him shattered Realizing what he'd done in his rage Niko pushes harder for answers It doesn't take long to discover that what he'd heard a decade earlier had been based on lies Because of those lies he'd thrown away the love of his life Zee's been paying the price ever since Now he must mend a heart he'd broken and convince her to give him one more chance *The Athenaeum*, 1909

Sarah is like any other woman with hopes and dreams until an accident takes away her husband but leaves her with a disability Trying to live life the best she can she picks up the pieces and start over Her existence becomes a little less mundane when two men enter her sights during different stages of her life One a man of mystery who waltzes in and out of her life but stays in her heart The second from fiction come reality who doesn't hide his feelings for her but could mean the death of her Both vastly different yet both predators and she is attracted to both However each of the men bring their own challenges into her life and to her beliefs If she survives those challenges whom will she choose as each in their own ways bring changes in degrees
