*Serial Killer Quarterly Vol.1 No.3 "Unsolved in North America"* Harold Schechter, Lee Mellor, Michael Newton, Kim Cresswell, Aaron Elliott, Robert Hoshowsky, 2014-09-29. Another triple feature. *Unsolved in North America*, the third issue of *Serial Killer Quarterly*, focuses on 6 American and 2 Canadian cases of multiple murderers in which the slayer has eluded justice. Three years before Jack the Ripper stalked the streets of Whitechapel, a bold and barefoot killer was slipping into Austin's outbuildings to murder and rape black servant girls, sometimes after death. In his *Servant Girl Annihilator*, acclaimed true crime writer Harold Schechter drags this gruesome piece of Texan history back into the light for modern eyes to behold. 2500 miles north as the crow flies, and 20 years later, a series of bizarre decapitation, arson, and murders commenced in the gold gutted Yukon. Canadian serial murder specialist Lee Mellor takes a look at these slayings, along with providing nail-biting articles on America's most infamous unsolved serial murder case, the Zodiac Killer of San Francisco, as well as the Montreal Child Murders, a spate of tragic pedophile killings which plagued the city throughout the Eighties. Another Franco-American cultural centre was shaken to the core between 1918-1919 when the shadowy Axeman of New Orleans slashed and bludgeoned unsuspecting Italian couples in their beds. Grinning Man Press co-founder Aaron Elliott tells of this jazz happy native of Tartarus and his possible but improbable connection to organized crime. The mob also appears as unlikely suspects in prolific author Michael Newton's *The Mad Butcher of Kingsbury Run*. Set against the backdrop of prohibition era Cleveland, a seemingly bisexual butcher left at least 10 victims dismembered and disfigured in and around the city while legendary detective Eliot Ness faltered in his attempts to capture the perpetrator. In more recent events, Robert Hoshowsky and Kim Cresswell reveal the details of intriguing serial murder mysteries on America's two coasts: California's menacing Golden State Killer, aka the Original Night Stalker, and New York's Long Island Serial Killer. Considering how many of these offenders may still be at large and lurking in a community near you, Grinning Man Press warns that *Unsolved in North America* may destabilize your sense of personal security, result in intense fear and paranoia, and lead you to invest great quantities of

money in alarm systems intricate locks and firearms      **Mad Trapper of Rat River** Dick North,2005-12-01 The Arctic trails do indeed have their secret tales and one of the best is that of The Mad Trapper of Rat River equal to the legends of Bonnie and Clyde or John Dillinger Now author Dick North of course may have solved the mystery of the Mad Trapper s true identity thereby enhancing the saga Thomas McIntyre author of Seasons Days A Hunting Life A courageous and unrelenting posse on the trail of a furious and desperate wilderness outlaw Lean and bloody meticulously researched The Mad Trapper of Rat River is a dark and haunting story of human endurance adventure and will that speeds along like the best fiction Bob Butz author of Beast of Never Cat of God They called it The Arctic Circle War It was a forty eight day manhunt across the harshest terrain in the world the likes of which we will never see again The quarry Albert Johnson was a loner working a string of traps in the far reaches of Canada s Northwest Territories where winter temperatures average forty degrees below zero The chase began when two Mounties came to ask Johnson about allegations that he had interfered with a neighbor s trap No questions were asked Johnson discharged the first shot through a hole in the wall of his log cabin When the Mounties returned with reinforcements Johnson was gone and The Arctic Circle War had begun On Johnson s heels were a corps of Mounties and an irregular posse on dogsled Johnson on snowshoes seemed superhuman in his ability to evade capture The chase stretched for hundreds of miles and during a blizzard crossed the Richardson Mountains the northernmost extension of the Rockies It culminated in the historic shootout at Eagle River      The Historic Wallkill and Hudson River Valleys ,1909
