**The Heretic's Guide to Doctrine** Daboniel Hereticus,2020-03-19 This book is intended to open Christians minds up to other Christians and to help improve dialog between them It deals with where a lot of them are coming from doctrinally and the problems to be dealt with on both sides There is a core to all true Christians that should bind us but we cannot do that as long as we cannot be open with our differences and open minded enough to understand why some people believe what they do Mature Christians should be able to talk about the elephant in the room I am of the firm belief that if everybody was coming from the Bible with what they believed we would have a lot more agreement And the world would hate us all the more I certainly do not expect every Christian to agree with me on everything It is not for nothing I call myself Hereticus
