The best kind of knowledge is uncommon knowledge Okay so maybe you know all the stuff you re supposed to know that there are teenier things than atoms that Remembrance of Things Past has something to do with a perfumed cookie that the Monroe Doctrine means we get to take over small South American countries when we feel like it But really is this kind of knowledge going to make you the hit of the cocktail party or the loser spending forty five minutes examining the host s bookshelves Wouldn t you rather learn things like how the invention of the bicycle affected the evolution of underwear Or that the 1949 Nobel Prize for Medicine was awarded to a doctor who performed lobotomies with a household ice pick Or how Catherine the Great really died Or that heroin was sold over the counter not too long ago For the truly well rounded intellectual nothing fascinates so much as the subversive the contrarian the suppressed and the bizarre Richard Zacks auto didact extraordinaire has unloosed his admittedly strange mind and astonishing research abilities upon the entire spectrum of human knowledge ferreting out endlessly fascinating facts stories photos and images guaranteed to make you laugh gasp in wonder and occasionally shudder at the depths of human depravity The result of his labors is this fantastically illustrated quasi encyclopedia that provides alternative takes on art business crime science medicine sex lots of that and many other facets of human experience Immensely entertaining and arguably enlightening An Underground Education is the only book that explains the birth of motion pictures using photos of naked baseball players Richard Zacks is the author of History Laid Bare Love Sex and Perversity from the Ancient Etruscans to Warren G Harding which was excerpted in classy magazines like Harper s and earned the attention of the even classier New York Times which noted that Zacks specializes in the raunchy and perverse The Georgia State Legislature voted on whether to ban the book from public libraries He has studied Arabic Greek Latin French Italian and Hebrew and received the Phillips Classical Greek Award at the University of Michigan He has also told his publisher that he made a living in Cairo cheating royalty from a certain Arab country at games of chance although the claim remains unverified His writing has appeared in the New York Times The Atlantic Monthly Time Life Sports Illustrated The Village Voice TV Guide and similarly diverse publications Zacks is married and busy warping the minds of his

A Brief History of Oral Sex David DePierre, 2017-06-09. The ancient Greeks and Romans considered it degrading to both parties yet depicted it prolifically in art and literature. The Early Christian Church called it the worst evil punishable by seven years of penance and fasting. Murder was one year. Nearly all of the 13 original American colonies had laws against it except Georgia. A Victorian handbook for young brides advised how to dampen his desire to kiss in forbidden territory. Attitudes about oral sex have varied through the centuries and across cultures: a death sentence in some nations, a religious practice in others. This book explores its history as well as its impact on world events.

A short chapter on Rilke's obsession with the scientific accuracy of his poetry and another on his poetic humor prepare the reader for the second major set piece of the book: a revealing look at his masterwork on death, the 860 line poem *Duinese Elegies*. The book closes with appendices on Rilke and God, translating Rilke and a listing of the nearly 30 English translations of *Duinese Elegies*.

And traditionally a woman's sexuality has been secondary to that of a man's. *How To Pick a Lover* takes you on a journey of self discovery exploring your right to emotional and sexual fulfillment including the option of having a lover.
