The Invisible Clarinetist:

The Invisible Clarinetist Joe Licari,2004-09-14 He calls himself The Invisible Clarinetist since he never really achieved the kind of fame or notoriety he might have liked This story is about his musical life and about some of the people who have come to share and enrich it Music has always been his first love but his wife and family of ten children had to be his first priority and raising ten kids is another book all by itself This book celebrates his musical life as he lived it This accountability as he calls it is dedicated and intended for his children so they know how hard he had to work to support them and accounted for why he wasn't around much while they were growing up He had to work day jobs plus playing the music at night I guess if he had to blame someone for what some people may call neglect or child abuse it would have to be Benny Goodman the great Chicago jazz clarinetist He heard an early recording of Benny with the Ben Pollack band and fell in love with his hot playing

The Clarinet Polka Keith Maillard,2014-05-27 Author Keith Maillard received critical acclaim with his novel Gloria which told the story of a young woman on the cusp of womanhood in a town

called Raysburg West Virginia In this book The Clarinet Polka Maillard turns that same eagle eyed attention to the other side of the tracks of that very same town and creates a stunning portrait of Polish America and of one man s struggle to find meaning in his life and roots The year is 1969 and young Jimmy Koprowski returns from his stint in the airforce to Raysburg his blue collar Polish American hometown where nothing much happens beyond working at the steel mill going to Mass and getting drunk at the local PAC Jimmy s efforts at rebuilding his life result in sleeping off hangovers in his parents attic and drifting into a destructive affair with a married woman But things change when his younger sister Linda decides to start an all girl polka band and Jimmy falls for the band s star clarinetist Janice whose young life is haunted by tragic events that happened before she was born The threads of Jimmy s family life the legacy of WWII Poland and the healing power of music language and tradition all begin to converge At once gritty and compassionate moving and witty The Clarinet Polka showcases the emotional and perfectly pitched voice of a lost soul finding his way
